

# PREACHING No.10: REVELATION OF THE SONS OF THE DEVIL

(Preached on Sunday February 23, 2003 morning in Locodjro, Abidjan - Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

Have you noticed the plan of the most illustrious religious building of Abidjan, the St. Paul Cathedral? It is a fishing net cast by Satan. And this is the image of all the christian buildings outside of this Message. These are nets of Satan. Outside of a prophetic Message from God, they are nets of Satan.

Over these last decades, we are witnessing in every nation, large movements of unction chaired by TL Osborn, Benny Hinn, Morris Cerullo, Reinhard Bonnke, prophets and presidents of churches ... and it's of that I am going to talk in these days. They have flooded the earth with death, but this Message also will always sound like the funeral knell of their sinister reign. And if a devil whose name is Osborn and cast into a human form was standing there, I would shout that to him! It is of them that the Bible speaks in Matth.24:24, 2 Thess.2:9-12 and Rev.16:13-14. And these magicians are supported by powerful gifts of prophecy, discernment and speaking in tongues ... They have already received the seal of the error, the mark of the beast. They cannot see or understand except if the evil spirit allows it to them and it's the condition of the pagan and religious world. People do not understand how this "holy spirit" that acts, speaks in tongues, that prophesies just, works miracles, that forbids unworthy people to approach the holy communion should be an evil spirit. Baptists, assemblies of gods, pentecostals ... cannot accept that. Catholics cannot admit that the pope should be wrong and so it is with every church and its leaders. Why? The devil has conquered them all. They have already received the mark of blindness. The Bible says they are poor, blind, miserable and naked but they say they are rich and needing nothing. It's the devil that gives them to think so. The devil says to them: *"The church does not save! If you have faith in Jesus and that you sanctify it is the main point!"* Cursed be you! [Ed: *The congregation says, Amen!*]. *"If you are baptised in the name of Jesus Christ or in the name of the Father, Son and Holy Spirit it is the same thing"*. Cursed be you! Cursed be the man from the mouth of whom such a word can come out! [Ed: *The congregation says, Amen!*]... *"There are models of trousers for women"* cursed be you! [Ed: *The congregation says, Amen!*]. Not even man can wear these inventions of Satan. *"The spirit that works in the evening's message churches is the Holy Spirit!"* cursed be you! [Ed: *The congregation says, Amen!*] *"An African cannot be a prophet-messenger because he is a descendant of Ham!"* cursed be you! [Ed: *The congregation says, Amen!*] You see? One day, it's in 2 Chr.35, Josiah who was prophet and king of Judah met an African in the days when God did not even speak to nations and the Pharaoh had said to him: *"Leave my way because the God you worship spoke to me ...."* But this so good king could not admit that God also speaks to a black man and he died there! You see? Cursed be whoever tries to understand or interpret the Word of God in his own way. You say: *"The resurrection has already happened!"* cursed be you! *"We do not lose the salvation so I can sin, it's the rewards that I will not have but I am saved!"* cursed be you! [Ed: *The congregation says, Amen!*] And since you should not have rewards on earth as in the Heaven, therefore be the one who will give a tithe, an offering or any gift cursed forever. [Ed: *The congregation says, Amen!*] *"I am baptised in the name of William Branham"* cursed be you! What does this mean? *"I'm baptist,"* cursed be you! *"I am assembly of gods",* cursed be you! *"I'm catholic"* cursed be you! You see? *"God be praised, I've been to a theological training ..."* cursed be you! You see? Some brothers came here with diplomas of deliverance proving that they are freed from any evil spirit, we burnt all of them with all the papers for soul cure ... People are serving and worshipping Satan in the name of Jesus. They think that these little Jesus of church that are seducing them can do something to an elected one who has the eyes opened ...

I see people making prayers like: *"Lord, bless this meeting or this food ... in Jesus' name, Amen!"* If Jesus is the Almighty God then who did they pray in Jesus' name? ... You see? In this end of times, God shows Himself as the great eagle according to Rev.12:14 and his children as the small eagles that will gather around the prophetic Word. At the same time, the devil reveals himself as the serpent in the same verse, the spirit of divination, and churches are full of it. Whoever rejects the preaching of Matth.25: 6 cannot but receive the spirit of divination as a holy spirit. He that gathers not with us scatters. For whom does this multitude of prophets work around the world while they have rejected the Truth? The Bible has already told us in 2 Thess.2:9-12 and Matth.24:24 that God Himself will send them with miracles and wonders for those who do not have the love of the Truth so that they believe in these things and they be condemned. We find them again in Rev.16:13-14. You see? This reached its apogee in these last ten years. All these converts outside of the midnight Cry are recruits of Satan for the persecution to come. It is the manifestation of the devil's sons.

You see? Jesus Christ said that every prophet is not received in his home but all these are prophets in their own homeland. Outside their country, they are nothing! But Christianity is more received in any country than in Israel. But these do not have influence and large assemblies but in their own country. You see? But from December 18, 2005, you will see the midnight Cry reach every city on earth like an earthquake without anybody being able to stop it.

And in Rev.16:13-14 we see these frogs: these protestant, evangelical and branhamist churches. I specify that the kings mentioned here are not kings in the literal sense ... Well! Frogs are in swamps, red, stagnant and smelly waters whereas fish are in depths, in clear, pure and running water.

God is Love but he is also the God of judgment. It's in his great goodness that He also created the hell. Follow the churches! Follow the false prophets! Rejoice in your churches, walk according to the desires of your hearts! I have presented Jesus whom you crucified again. But to you, who loved the truth, be wise! Do not read any of these books, brochures or treaties and let them not even be found in your homes! Not even the writings of Ewald Frank. Stick yourselves only to the midnight Message and to the Bible. If you think I am a man of God, then receive this as a commandment. Do not defile yourselves! Remember Rev.14:4, 5. It's in this way that the Bride of Christ will also have to appear. Receive all I've said as a commandment. Do not try to play with the serpent as Eve. Stay away from his face. Do not take anything that belongs to them because we must be without spot nor wrinkle. Read and reread these sermons, they are Spirit and Life. Jesus told his disciples to beware of their leaven. Matth.16:5-12: books, tapes of praise, etc ... You see?

Formerly, saying: *"I am a Christian"* was opprobrium in society, you were not welcomed when you said that. But it's the contrary now, the word "pagan" is like an insult. Yet in reality, they are neither Christians nor churches and it's the devil that did that. It's like these *Gideon New Testaments* which are distributed in churches, schools, hospitals, hotels and others. How can the devil that prevented from reading the Word of God allow its distribution everywhere? It is not the Word of God! Do not be seduced!

Another sign of their seduction is their unction. The unction was so strong on the coffin of Kacou Severin that they could not touch it for a while. You cannot get on board of the cars of some and I heard that even after the passage of a prophet in a toilet, the unction remained there. You see? But let's see now what it has been of Jesus, him whom they pretend to serve. Let's read Luke 8:43 to 45: *"And a woman who had a flux of blood since twelve years ... coming up behind, touched the hem of his garment, and immediately her flux of blood stopped. And Jesus said, Who has touched me? But all denying, Peter and those with him said, Master, the crowds close thee in and press upon thee, and sayest thou, Who has touched me?"*. You see? Neither the woman nor the disciples, nor anyone in the crowd that presses and closes Jesus in every side fell. Neither in this passage nor elsewhere in the Bible. Why will someone fall down? It's the devil that has been at the root of this movement that you see and which will sooner or later pass. You say: *"Brother Philip, for some, it was the Spirit of God!"*. I say NO to you my brethren, it's the devil from one side to another. Word of the prophet. Outside of this Message, when people speak of baptism of the Holy Spirit, understand by that, baptism of demons. You see? Jesus was God Himself, Holy, sinless... people touched him without falling down and you, conceived in the sin and sinners, some crowds collapsed without even touching you? Pull yourselves together! Choose the shame before men rather than hell because if I am a prophet then I declare that whoever practiced that or followed or supported one of these men with unction, has already signed his own condemnation.

And go and check out the contributions and swindles in evangelical churches and you will see that these churches have done worse than the indulgences of their mother, the catholic church. The pastor or prophet becomes a merchant of the gospel and the sinner becomes a customer. That's why they cannot speak to them as I am speaking to you this morning. When the sinner sees the carpets and the orchestra and all the comfort, he forgets his condition of sin ... and they say that the seducer it is Kacou Philip. But which seducer, when he stands before a young girl, calls her of all that is bad? Judge of it by yourselves! And these prophets say: *"We rented the place very expensively!"* But did you need to rent this place? Is this what Jesus did? ...

There was a time when the Truth was with a man named Martin Luther, then a time when it was John Wesley, then a time when it was William Branham as the telegraph, telephone and now we are at midnight. Look a bit at the world! In communications, it was the letters then the telegram then the telephone and now the cellular and the Internet. To move, it was horses, then cars, then planes and now rockets for space. In the army, it was arrows then guns then bombs and now it is nuclear and bacteriological weapons. This fits perfectly with the four Gospels and Rev.4:7. While we are at the last stage, there are others who have shields, others have arrows. Faith is progressive, I drew *"the system of grafting"* to show that clearly.

There was a time when the lion of the tribe of Judah, the Word, got out with Paul and the calf of sacrifice got out and millions of Christians were killed then, the man went out with Luther, the age of reformations. And since the evening times, the eagles rise above false doctrines and seducing spirits because the sanctification of the flesh alone is no longer enough.

Just in 1817, the company of the pastors of Geneva prohibits to preach on the divinity of Jesus, the original sin, the grace and predestination. They all had prayed and had received contradictory revelations, and you will say that it is God? A child of God could no longer be a member of this international company ... You see? This is the beginning of the great compromises that you see today.

[...] Conversion of Christianity into fetishism is so subtle that a female fetish priest called Grandma Sarah extends her fame until beyond Ghana under the pretence of Jesus Christ. The catholic, protestant and evangelical churches, muslims, mormons, buddhists, branhamists... each one of all those writes his god with "G" (uppercase)! It is the heights of seduction! Jesus Christ said that if those days were not cut short, NO flesh would be saved.

I began to preach on Monday July 08, 2002. I used to preach in bus stations, campuses ... In those days, people were shouting: "nivaquine preaching! nivaquine preaching! ..." This Message was the medicine that came to cure them and that they rejected. Even a very rich lady tried to bribe me financially. You see? Yet, I prefer poverty to wealth in order to better appreciate the little that the poor will give to me. May all my faithful be rich and may I remain poor!

Let's come back to the starting point, to the seduction that is raging in churches and which is nothing other than the manifestation of the sons of the devil ... Yet the deliverance of which they all talk obeys some rules. First one must be an authority and assume that authority. It's like a policeman or a gendarme in uniform. But this is still insufficient because there must be a warrant indicating the date, time and place. It is not because you are a policeman that you can whistle to a vehicle or arrest someone. This is the image of God's authority. And the image of the authority of the devil is the brigand. He works by force outside and against the established rules, without uniform and that is what we see in churches. And Satan knows that they have neither received the authority nor the warrant to chase him away. If a policeman is in uniform with a warrant, he can even stop an official procession of cars by raising his hand simply. You see? What people call deliverance is nothing other than comedies of Satan himself. At some deliverances, I have seen people asking the demon to exit through the mouth, genitals, ears, nostrils ... and the spirit led the possessed to make appropriate gestures. A man acting this way is a collaborator of demons as fetish priests. They are seducers and it's not by the Spirit of God they do that. I saw lists of names of demons and people believe and follow that.

[...] I do not understand how people can believe that the day of the rapture, there will be traffic jams at traffic lights, planes are going to crash and that pilots will be enraptured, radios will announce disappearances ...IT'S WRONG! ... I tell you that the world and the churches will NOT know it AT ALL. How can a Christian in the midst of persecution, be at work

all the more reason being in control of a plane? I am very moved by hearing such falsehoods. God will not forget those who work for such things, seducing the earth, as John Schwab.

When a man is blind, he knows it but the case of churches is a mystery. There are some people who have dreams quite regularly at least two or three a night, it is the work of divination, but they put it down to God. It is difficult to free them because they cannot admit that it is the devil. They want prayer and then go back where they were. Such a prayer is useless. ... God is not talkative. From July 2002 until today, in eight months of ministry and despite repeated fasts, in all, I have not had more than five dreams and visions, God is my witness. And I have never said: *"God told me"* but would I not be a prophet for that? But in 1995, I had at least a dream almost every night as I explained it in the *"Preaching on Rev.14:6-10"*. The prophets of the Old Testament have exercised their ministries for several years but the books of several of them do not exceed ten pages. It may even happen that for four or five years God does not tell them anything! You notice that when they want to speak, they say, for example: *"At the 3<sup>rd</sup> year of the reign of such king ... The year of the death of King Uzziah ... In the 25<sup>th</sup> year of our transportation at the beginning of the year ... "* Once, all Israel submitted a request to Jeremiah but it took ten days to God to answer. Jer.42:1-7.

In that, too, remember that when there is no prophet, God is obliged to speak individually by dreams, visions and others to everybody. But when there is a prophet, He speaks through the prophet for all that falls within the realm of common faith, and for any revelation of the Word. You see? When there was no prophet, Jehoshaphat prayed in 2 Chron.20 but when there was a prophet, for the same case, what did King Hezekiah do? Let's read 2 Kings 19: *"And it came to pass when king Hezekiah heard [it], that he rent his garments, and covered himself with sackcloth, and went into the house of Jehovah.[To Pray? No! To ask the priests to pray? No!] But what did he do? And he sent Eliakim, who was over the household, and Shebna the scribe, and the elders of the priests, covered with sackcloth, to... [To whom?] the prophet Isaiah the son of Amoz, [The congregation says, Amen!] And they said to the prophet: Thus says Hezekiah ... Therefore lift up a prayer for the remnant that is left ". God permitting, I will come back on that.*

We are of those who know what we are talking about. You see? Jesus said in John 4:22: *"Ye worship ye know not what; we worship what we know"*. We enter the counsel of God. Like Moses, God can take me to the Garden of Eden to see what I do not understand so that when a great theologian will demonstrate the contrary, I should not be distracted. You see?

In 1 Kings 22:19-24, the prophet Micah said: *"I saw Jehovah sitting upon his throne, and all the host of heaven standing by him, on his right hand and on his left; and the Jehovah said: Who shall entice Ahab that he may go up and fall at Ramoth-Gilead? And one said after this manner, and another said after that manner. And there came forth a spirit, and stood before Jehovah, and said, I will entice him. And Jehovah said unto him, Wherewith? And he said, I will go forth, and will be a lying spirit in the mouth of all his prophets. And he said, Thou shalt entice [him], and also succeed: go forth, and do so. And now, behold, Jehovah has put a lying spirit in the mouth of all these thy prophets... Then Zedekiah the son of Chenaanah went near, and smote Micah upon the cheek, and said, Where now went the Spirit of Jehovah from me to speak to thee? ". You see? People do not read the Bible to know that God Himself can send a spirit of seduction on sincere people. You see? They are not prophets of Baal, but prophets of the Jehovah, and they number about four hundred Jewish prophets and they sincerely prophesied under the inspiration but the Bible says it is an evil spirit that had inspired them that day and themselves did not know it. And it's to the prophet Micah that God revealed it. You see? God is free to reveal that to whom He wills.*

One of the greatest dangers of Christianity, they are these books and treaties of these so-called Christian bookstores to which just added the Internet where people of whom we don't know either calls, or commissions, or the lives and animated by I do not know what spirits can expose truths. If television is bad, know that the Internet is ten times worse! ... As with the mystics, each book corresponds to a degree and degrees are authorities, demons. When a person like Osborn, Morris Cerullo, Benny Hinn, Rebecca Brown, Reinhard Bonnke and Yonggi Cho writes a book, what he says can be entirely true but it is a demon that stands behind. When the serpent, their father said to Eve that if they ate the fruit their eyes would open and they would know good and evil as gods, it was true but behind that truth was death and the fall of humanity. It's the same thing. All these things that I condemn stay away from them! Do not argue! *"Thus saith the Lord, stay away from these churches, if you are invited there, do not go!*

What does Deuteronomy 13:1 say? If someone preaches the truth, works miracles, prophesies true and he tells you: *"Come to the catholic church" Come to the methodist church! Come to the baptist, pentecostal, foursquare, assemblies of gods, branhamist church... do not go! It's your God who brings you to test ... "* do you understand? The Bible does not say that they will do what they are doing outside of Matthew 24: 24 and 2 Thess. 2:9-12. You see? If someone has no Message from God, how can God give him miracles and wonders? To confirm what? According to Rev.16:13-14, the Bible says they will do what they are doing and the sons of the devil according to Genesis 4:17-23 bring their possessions to their service to corrupt the earth and send more souls to hell. You see that the devil is not stupid? The Message of the evening arrived first in Katadji since the 1970s to 72 by then but till thirty years old, I had never seen a brochure or heard the name of William Branham there. While in Abidjan, they build luxurious great temples, they offer themselves Mercedeses and creamy houses. And when they make contributions, it's not to evangelize the villages but in order to organise conventions to show off and bewitch those who come to escape the denominations! Oh! Mercy! They created a website and have placed the Message of the evening on it instead of sending evangelists in the world. You see? If God can accept that then he should accept David when this one had put the ark of God upon a new cart. The Word of God has never been carried by a new cart and will never be carried by the Internet. The Internet, it is good but when it replaces completely evangelists, it's dangerous.

In the assembly that I attended, there was a beautiful golden pulpit [*Ed: altar*] But they replaced that! There is a believer who got up to offer a pulpit of one million francs CFA. And for the Holy Communion, a lady got up to offer a cup of a hundred thousand francs, three times the minimum wage, the minimum wage of an Ivorian civil servant. You see? While the Apostles drank in wooden cups ... That's why I said that branhamism was the new nest of Christian apostasy. They are all, from one end to another, apostate pastors.

Now when God gave us the revelation on the Bible, the devil's sons said: *"We'll go on the Internet and we will do intensive research on the history and versions of the Bible and we will contradict this Kacou Philip"*. But no matter what they will find on the Internet, this cannot distract me, it's a man who exposed what he thinks of something. Our absolute is not the Internet but God through the prophet-messenger. [Ed: *The congregation says, Amen!*]. Their current sin is like the sin of Saul in 1 Sam.28 when God did not answer him by the prophets, nor by Urim Thummim, nor by dreams and visions and that he went to consult the word of God through a woman who had a spirit of Python. Word of prophet. They are the devil's sons, leave them alone! ... You think the Internet is a woman who has a spirit of python? [*The congregation says: "Amen!"*].

And the expression *"thus saith the Bible"* used by many pastors and prophets to paraphrase or to make the prophets of the Bible who are dead speak is a spiritualist expression. The same spiritualist catholic, customary spirit and of the woman who evokes spirits of the dead that Saul went to see in 1 Samuel 28. And this spirit is now disguised and acts in a subtle manner in Christianity. God is the same! The same yesterday, today and forever! In the Old Testament, in the form of Father, He acted through the prophets whose the written word is the thus saith the Lord, even if they do not say *"Thus saith the Lord"*. And after being shown up on earth, He said I return to the Father, to his position in the Old Testament with the prophets. How does it then come that a cunning spirit of frog and spiritualism will come and say: *"thus saith the Bible"* or *"Thus saith the Word"*? As Saul, seeing that God no longer speaks to them, they make people who are dead speak. And before the testimonies of what God is doing here, several of them approached me for a prayer and I never fail to tell them what to tell them. You see? They should know that they do not believe in William Branham more than I, but I consider William Branham as a man of God in the same way as Isaiah, Amos and others, their time has passed! Can you today in the year 2006, if you have a problem with spirits or illness, go upon the grave of William Branham to request a prayer? You see that spiritualism is not far from you? I do not know how great the ministry and person of William Branham is, but the Bible says that the God of the Bible is not God of the dead but God of the living. After the great Moses, how small the ministry of such or such prophet that you consider small might be, it's him, this small prophet who holds the keys of the Kingdom on the face of the earth and it is him who must be listened to and preached.

Well, now let's see Genesis 4:17-24, let's read that: "[verse 17 ...] *And Cain knew his wife, and she conceived and bore Enoch. And he built a city; and he called the name of the city after the name of his son Enoch.*[Verse 18 ...] *And to Enoch was born Irad; and Irad begot Mehujael; and Mehujael begot Methushael; and Methushael begot Lemech.*[Verse 19 ...] *And Lemech took two wives: the name of the one was Adah, and the name of the second, Zillah.* [Verse 20 ...] *And Adah bore Jabal: he was the father of those who dwell in tents, and [breed] cattle.* [Verse 21 ...] *And his brother's name was Jubal: he was the father of those who handle the harp and pipe.* [Verse 22 ...] *And Zillah, she also bore Tubal-Cain, the forger of every kind of tool of brass and iron. And the sister of Tubal-Cain was Naamah.*[Verse 23 ...] *And Lemech said to his wives: Adah and Zillah, hear my voice, Ye wives of Lemech, listen to my speech. For I have slain a man for my wound, and a youth for my bruise; [verse 24 ...] If Cain shall be avenged seven-fold; Lemech seventy and seven fold. "*

Well, now, don't say *"Amen!"* so as to influence those who do not understand. God does not make an exhibition of Himself and does not influence anyone. Well, ... [Ed: *During the preachings, Brother Philip speaks as if speaking to someone in front of him. Without never screaming or jumping*] ... In verse 17, we have the father of famous men, the father of presidents, mayors, landlords and property managers, builders, ... in verse 19, the father of polygamists, adulterers, lovers, promoters of hotels, movies, ... in the verse 20, we have the father of farmers ... in the verse 21, we have the father of musicians, singers, choirs, composers, ... in the verse 22, was the father of inventors, industrialists, managers of companies, firms, companies, businessmen, ... You see? When they began to electrify towns and villages, apparently it was a good thing but the sin was multiplied by seven for television, bars, pubs and nightclubs came with that. You see? ... Always in verse 22, we see Naamah, the first famous woman on earth, the mother of emancipated women, a great-grandmother of Jezebel. It is the daughter of Cain who made propaganda of matriarchal régime and which made that herself took part in the inheritance of her father while she is woman. Even her children inherited from her father Lemech. You see? This matriarchal régime contributed much to the sin because these women seeing the property of their parents, have not even concern for marriage and they are brazen, rebellious women and prepared for emancipation. Naamah had the right to the preaching in the church of Lemech. And today, despite the midnight Cry, some continue to sing and preach in the churches of Lemech ... In the verses 23-24: it's the father of theologians, institutes and bible training schools, presidents of churches and all those who interpret the Word of God! For lack of being able to create as God, they interpret his word to say they are equal to God. A good theologian is the mouth of a god. You see? And all the rest subsidize them, great and small, nations and states, they put billions, planes, foundations, ... at the disposal of churches and their members in order to seduce the inhabitants of the earth those whose names were not written in the book of life of the Lamb before the founding of the world. For, when God will rise his children to the rank of these, they will see themselves as administrators of God's property that He gave them to support his work. And a son of God will not put his possessions at the disposal of a fetish priest, even if this fetish priest raises the dead.

And we bless God for the revelation of the sons of the devil. You see? It's like my own brothers and everyone in my village where I was born and where I grew up, they do not believe me, not for a sin committed, but because we have sucked at the same mother, we were at the hunting or fishing together ... but a wolf will come from afar, they will believe him. You see? That is my sin.

Well ... and today we see a race of these sons of the devil preaching that a Christian can do politics, drink alcohol, smoke be gay, become polygamous ... go to the beach, play football, watch football on television you see? Cursed be all these people! The brethren wearing shorts before the sisters, sisters in swimsuits. Satan is at church! As Paul, I could cry out: cursed be those who preach such things! If you had two or even three wives when coming to the Word, you are obliged to keep them as wives but being already Christian, you cannot have two wives! You can do sports, jogging, but keep yourselves from football, I have never played football or watched a football match or a movie on television since 1993 when I had the

vision. And in 2002, I can state emphatically that it's the Spirit of Jesus that led me to go and throw in the dustbin my new TV I bought expensively in a Lebanese store. And yesterday a brother from the Message of Branham showed me a brochure in which William Branham said: *"We have no television. There will be none in my house ... God never told me not to do it."* In the same brochure, he said ... [Ed: Brother Philip looks for the page] Well, here's what he said ... Yes, there it is. Well, I read: *"I never intend to have one in my house. No, sir. I don't want that thing in my house. I would blow it out with my shotgun. I don't want nothing to do with that evil thing!"* [Ed: it is the brochure: *God's power to transform* ref.169 and 242]. Now, while you watch movies and football matches, how will you understand what God has given you far from television? You see? And as far as football is concerned, when a country is playing against another country, it is the Jesus Christ of the churches of this country who confront the Jesus of the churches of the other country. [Ed: *The congregation says, Amen!*]. You see? It is a confrontation of demons. And their holy spirits give them revelations of victory. And for the occasion, the demons of churches, demons of pagans and demons of Muslims agree in the same fight. [Ed: *The congregation says, Amen!*]. A Christian has nothing to do in that, stay away from them! ... You see?

And I have even seen branhamist pastors who, when watching football matches, were jubilant before their TV set and such men will come and discuss about the Word with me? No! I'm not ready. And there are such men who have so seduced and misled souls that a vulgar prostitute has a thousand times more grace than them. You see? They are at ease on the earth, but the hell has a right over them and continues to claim them. You see? If a pastor or preacher does not come and say *"Brethren, I believe in the Message, and now what shall I do?"*. Do not care about him. Even the great Nicodemus, leader of the Jews did not come to ask Jesus for explanations. You see? The deep calleth the deep. And when I see someone asking me questions to contradict the Message, I give the answers which make that he will never believe. Yesterday, there is one who made me notice that there were additions in the book in relation to the original text and that it was not normal. You see? I could have given Jer.36: 32 to him but I made him believe he was right. A crab! [Ed: *The congregation laughs*]. Am I God to convince someone? You see? What I received from God, it is what I said and God knew that I would say it this way! My time, it is for those who already believe! [Ed: *The congregation says, Amen! Brother Philip laughs*].

Well ... According to the Bible, God arouses a prophet when his people is totally lost and he comes to restore the Truth and bring people back to the Light. That's why before the Angel and the Lamb descend, there was an eclipse. And before that, biblical prophecies already indicated that at such a time, in such a place, God will do such a thing. It is not question of going and make a 21 or 40 day-fasting and come with an unction. All what you call *"Esther fasting"*, *"Jehoshaphat fasting"* or others, it's penance and it's the devil! And people run behind that without trying to understand that they are the same spirits of fetishism that are there. If you do not see in Osborn and others the image of fetish priests then you are not born newly yet. But the elect who have regard for the Bible and the prophetic Word are in another dimension, away from the divination according to Rev.12: 14.

[...] And I think that if God arouses a man today, he must overcome all the diseases of his time. In the evening time it was cancer and at midnight it is AIDS. When one day we will have gathered this Message in a book, we will make a brochure of the testimonies and I say that there will be testimonies of recoveries from AIDS, certified by medicine otherwise I am a false prophet. There cannot be enough demons to foil that. [Ed: *the congregation says "Amen!"*] If the God of the midnight Cry is not the Creator of heaven and earth, and that I'm not Matth.25: 6, may I not cure AIDS at all. What you are seeing is nothing compared to what is coming! Jesus Christ, the Angel of April 24, 1993 will do it. [Ed: *the congregation says "Amen!"*]. May God give a great deal of material wealth to branhamist Ishmael driven away from His presence and to us, may He give power for the dead shall resuscitate again, the blind shall see, the deaf shall hear ... Because God must confirm the Word and it is towards it we are moving now. And I said that AIDS will not resist. I will ask overall for the tests, and afterward people will go and repeat the tests and we will conserve that with the contacts of the doctors in testimony. I saw this phase in the vision at the level of the crowd that came toward me. It will be another phase of my ministry and it is inevitable. When those who were prepared to receive without the signs will have refused, the stones must then cry of joy. If you notice in the Bible, it has always been so. Thank you God!

Nobody can believe this Message without it having an effect on his spiritual, physical and social life. [Ed: *the congregation says "Amen!"*]. Everything depends on how you take it! Believe it word for word, without reasoning and I defy you to tell me if He is not the same yesterday, today and forever ... My prayer is that God always confirm the Word and He will do it. And we are still expecting the interpretation of the two doves that will certainly change the course of things. I am fully convinced after several months of ministry that the dignitaries of these churches know they are in the wrong way but how will they change a system they came and found? And if they do it, they will lose their position of pastors and how will they look after their families, pay for their housing? There is what they think and what they do. That's why the Lord never ceased to say *"Sadducees and Pharisees, hypocrites!"* They do all their utmost to present to the faithful another image of the reality! You see?

If a son of the devil full of theology comes and say: *"This Kacou Philip is a seducer, he wants to lead everyone to him and yet what God asks us, it is to observe what Jesus said and this can be done from anywhere, from any synagogue, be one baptist, methodist, assembly of gods, adventist or whatever. The differences of doctrines are nothing! It's like the black, yellow and white races. In the heaven, we will be the same race! We are God's garden composed of different flowers! Hallelujah ..."* If he says that and you sit there to listen as Eve, it is your problem. But this morning, even if I am your enemy as that day, during a public preaching, this man wanted to... people were hindering him but he did not want. He was saying: *"I am ready to take the sin of Cain. You see? ... But despite that, under the virtue of the grace that has been granted to me, I tell you that no matter how many miracles you've received from the hands of such men, do not let them lay hands upon you anymore. And you African, if after having received so many benefits from traditional fetish priests, you say today that it is the devil that uses them, how do you not understand what I'm saying?"*

It exists only one Church and one enters there by the Word. When God sends a man as a servant, he will come with the Word, the Message of his time. He is never going to found a church but come with the Word because in the beginning it was not the Church but the Word, and it's by the virtue of the Word that the Church is formed. People gather around this Message and this is called Church.

May God awake his seed in us and put the thirst for His Word in our hearts! May God empty our old skins and give us the Holy Spirit. May God reveal Himself to his children and gather all the elect from the four winds of the earth around the Glad Tidings which has been promised since ancient times and which is now unveiled before us. For honor, wisdom, blessing, thanksgiving and glory and power to do it are His! Amen!

However, a brigand had been caught red handed manufacturing banknotes. His accusers took him to police and said: "*We took this man manufacturing banknotes and here is a copy ...*". The police officer took the banknote, examined it and said: "*Gentlemen, this banknote is a true one!*". They resumed earnestly: "*But sir officer, it's him who made this banknote!*" The officer turned toward the brigand and said: "*Sir is it you who made this banknote?*". "*Yes!*" he said. And the officer took it back and said: "*Although he acknowledges we cannot condemn him because this banknote is a true one!*". And the brigand was released. You see? Before men, what you are doing is just, logical and perfect but there is One who will condemn you one day... He that hath ears to hear let him hear!
