

## **PREACHING No.15: WHAT GOD EXPECTS FROM US**

(Preached on Sunday June 01, 2003 morning in Locodjro, Abidjan - Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

... When we have discovered the indisputable Truth promised for our time, what remains to us it is to carry It everywhere where a child of God can be, be he rich or poor, far or close. God who is just will not allow that we enter the paradise without asking us for their blood. If the human person is sacred as the human law says it, the soul is it even more. A big obligation is imposed to us. The order of Matth.28:19 is not to treaties or books but to persons, us! A book cannot answer a question! You see? When God saw that the human race was going straightaway towards perdition, He gave away His divine majesty and all His glory to offer Himself in sacrifice for us so that we have the eternal Life like Him. The greatest thing that God gave to man, it is his own Life. Yet, sitting in the middle of the angels, if He did not come down, He would always remain God but He did it so that we may have the Life. You see? Now what do people call glory and which prevents them from putting themselves at the disposal of God? I don't know! In Matth.4:8-9, Satan had proposed the totality to Jesus but He refused it! That is why we do not dabble in politics [...].

When a man claims to serve God, try to know the authenticity of his call, his commission and his mandate before trying to know if what he says or what he does is exact. When God did not send someone, he cannot recognize the efforts and even the good things of that man. The fact of preaching true does not mean anything because the devil himself knows the Word.

God's perfect will was that a prophet leads Israel instead of a king. But Israel demanded a king, 1Sam.8:4-7. God does not speak by a king but by a prophet. Before Samuel's death, he had to anoint a prophet in his stead. And if the advent of a king indicated by a prophet is not God's perfect Will it is not a president elected by men who will be so. In 2 Kings 22:11-14, king Josiah sends the priest Hilkijah and the scribe Ahikam to inquire about God's Word to the prophet. In 2chr.20:20, king Jehoshaphat says to Israel: "*Believe in Jehovah your God, and ye shall be established; believe his prophets, and ye shall prosper!*".

A Christian is like a soldier who is called to die one day for his homeland, if necessary. The day the call sounds to attack, everything on this earth has no sense, it is not only his money or his home which is at stake but what he has of more precious, his life. That is why you must be ready to the call of the General. And it is nor within a month, within one year but today. The Bible and the vision confirm it that is why in the vision of 1993, you see the lamb which is the symbol of the sacrifice. This vision has now been interpreted with the exception of the two doves which are two persons upon whom the real Spirit of God rests and who could come only to say something to me. I do not know at which moment but I shall know that it is on behalf of God that they have come as I saw it in the vision. You see? ... And in accordance with Acts 16:6-10, the Holy Spirit will coordinate this awakening on the field of mission. Everything has to come within the plan of His Will otherwise it is even a sin and I reckon that If He called me then He knew me before the founding of the world and He knew my capacities. When He gave the keys of the Kingdom to Peter, He knew who Peter was! How this Message will reach the ends of the earth, He knows it and they are those who have this faith of Joshua and Caleb who will enter. [...].

What can the book of a baptist pastor bring me if it is not to be a good baptist! When the reading of the Bible was forbidden by pope Innocent III, which purpose did Satan want to achieve? It is the same purpose he has achieved today by another means, in order to subject people to his will. While leaving the Bible in their hands, he gave them an infinite number of interpretations. A baptist, pentecostal, Jehovah's witnesses, adventist, nazarene way,... achieving exactly and completely the same purpose. A child of God concerned about Salvation and about the eternal Life, will search even in the greatest detail to know what Christianity is. A rat cannot be domesticated, a son of the devil even in contact with the Truth will remain what he is. A son of God in contact with the falsehood will ask questions until he is enlightened! Amen! You see? The deep calleth the deep.

Between 1540 and 1570, nine million of Christians were burnt alive, buried alive, beheaded, not by the pagan Rome but by roman catholic church. Why? ... In 1415, Jean Huss, education officer of the University of Prague, was burnt alive on the stake. Why? ... In 1384, John Wyclif, professor at Oxford was burnt alive on the stake! Why? ... The inquisition established in 1229 by the roman catholic church exterminated completely the Albigeois. Why? ... In August, 1572, in a single night, 70000 Christians were massacred in Paris and in province. Why? ... **BECAUSE THEY OPPOSED TO WHAT YOU CALL CHURCHES TODAY!** They opposed to the ancestors of cardinal Agré, reverends Dion Robert, Benjamin Boni, Kpan René, Jean-Baptiste Nielbien, Paul Ayoh, André Kouadio.. These monsters stinking sins and guilt, fallen angels, cast from heaven and against whom the condemnation does not stop shouting, seducing those whose names were not written in the book of Life of the Lamb before the founding of the world. Those who do not know that the work of God it is to recognize and to listen to the one that He has sent, John 6:28-29.

I made researches on every apostle, point by point and although they were scattered, they defended the same doctrine. After them, their followers defended the same doctrine until persecution took them away... You cannot seduce a child of God! And people go up to say that the spirit that acts in these baptist, assemblies of gods, pentecostal churches, and others is the Holy Spirit! It is a blasphemy! If you claim that the spirit that acts upon Kacou Séverin, Kacou Gem, J-M. Domoraud.. Osborn, Morris Cerullo, is the Holy Spirit, what is it of the one that acts upon the fetish priest Zérédji or the priest Abekan? I do not want the children of God to fall asleep with those who were not born to repent. When you see foursquare, an old church of 1922, at once in the FECCI and in the CNEPE-CI. She baptises in the name of Jesus Christ and the trinitarian baptism at the same time. Go there and see the world and the seduction, what will a child of God go to do over there? The Church, given her introduction in the Acts of the Apostles and her development in history has nothing common with what you call "church" today. It would be too easy to stick a baptist body on this head and to seduce a child of God with? You cannot stick the picture of a woman on an ID card and persuade a child: "It is your mom!" He will verify names, size,

complexion, age, ... And it is too easy! This is what the devil tries to make. Thousands of churches but the Bible says that the elect will not be seduced! Amen!

It is for all these things that God calls us into the field of mission! Why? To hinder seduction and reveal the devil and his tricks. God's ultimate and supreme call sounds for every male and female Christian. If you have the Apostles as fathers and if you claim to walk on their track, then, receive this call as a sound voice in your hearts, however hard it is. God no longer calls us into the four walls but onto the field of mission. It is the time when the Truth has to go from town to town, from village to village, from countryside to countryside! To the sick, to the poor, to the rich, to the disabled. Do not go into villas for your rest but rather into huts where you are not certain to obtain a braised plantain as food. With the strength you have in this village, go into the following village! Do not make calculation! The God of Elijah who led our fathers the Apostles and their followers will lead you Himself.

In 1415, Jean Huss, an education officer of university resigns, becomes a disciple of a small preacher from whom he had received the writings then being impregnated with the doctrine, he went from place to place preaching what people called heresy and which was in reality the truth which nobody could contradict; until he was burnt alive. Since the Apostles until Wesley, I did not see a man of God limiting his ministry between four walls. "Go everywhere". Be it a catholic, muslim, evangelical, animistic ground, preach everywhere! You have no permission to ask to anyone. It was the case of noble preachers during these 1900 years. You see? People think of being Christian while they are not. It is what we are condemned to say to them according to Ezekiel 33:1-9 even if they call that judgment. We cannot be held responsible for their reaction. God warned Cain knowing that he would kill Abel. In the Old Testament, God did it by the prophets at the cost of their blood. In the Church, He did not do it either by an angel or by Himself but by Christians whom we are. At first by our fathers the Apostles and the disciples and now by us. It is not therefore a new thing! And that is why I also beg you not to put the fleshly before the spiritual! The sons of the devil care about what they are going to become on the earth, of even what their corpse will be behind them, do not imitate them! If you have to receive the treatment of a dog and go to the Heaven, do not retreat! If you are craving for the heaven and that you recognize that it is the Almighty God who spoke to me on April 24, 1993, receive this as a call of Lord Jesus-Christ Himself. God gave Himself for us and it is rightly that He asks for our life! Let's die for the earth and let us live for the heaven! Lending to God what He gave us, must not be considered as a much more sacrifice!

You see? And if an assembly does not go ahead, ... I do not miss to say that, for a new Message, as this One, an assembly, especially in town, cannot pass over three months without conversion. And the leader, it is the head. And if it persists, he has to agree to sit down humbly, by himself. I will come back on that.

But, as for the faithful, remember the parable of the talents and do not be sterile fig-trees! Brethren as sisters, as the Samaritan woman, make that everybody hears this Message around you as brother Bitty.

Also, all those who have material or financial means have to act, putting their property in the service of God according to Ezra 1:5-6.

May God bless you, the meeting is over. At home, do not forget to pray for me. May, separated from body, God keep us in the same Spirit until we meet again.
