

PREACHING No.20: THE TRANSFER OF SPIRITS

(Preached in Locodjro, Abidjan – Ivory Coast/ www.matth25v6.org)

In the beginning, it was by synods and ecumenical councils that the transfer of spirits started then by the subjection of the Church to the State through rules and regulations then by unions, federations and councils of churches and now by conventions and even by giving up the pulpit to him that does not believe point by point or that does not have the same [spirit] as you; even if he preached right.

The transfer of spirits also takes place in interchanging or lending clothes. Also by allying oneself with some people as we can see it in 2 Ch.20:35 to 37 and 2 Ch.18 and 19:1 to 3. Jehoshaphat needs to understand that God does not want us to make friends with an unbeliever or idolater. You have no right to go to a vigil, convention or meeting of those catholic, protestant, evangelical churches, missions and ministries including the whole of branhamists (those who are still following the Message of William Branham even in all its purity). For, the consequence is the transfer of spirits. You cannot sing or pray with someone before you agree on the last point that differentiates you, because behind a branhamist, baptist or foursquare, there are as many demons as behind a catholic. Hundreds of demons can be behind some falsehood. And never pronounce yourselves on a dream of those people... Never gather together to make the smallest prayer. If the situation has surprised you, do not close your eyes or leave simply. The Bible says not to have communion with demons. Don't get flattered by any word because you are not "brethren" or "sisters" in the same Jesus-Christ. You have no right to call a baptist or adventist or branhamist: "brother in Christ", and do not let them call you so. They are our neighbours and we love them because the Bible said: "Thou shalt love thy neighbour as thyself". We regard their prayers as incantations in the name of their Jesus-Christ. We must be strict to avoid any transfer of spirits in our lives.

And when somebody comes to us from those churches, and he is baptised in the name of Jesus-Christ or in the name of the Father and the Son and the Holy Spirit, and he is baptised by immersion or aspersion, he must purely and simply be re-baptised. You must know that there are two tendencies on the earth: them and us. "He that is not with me is against me, and he that gathers not with me scatters." Luke 11:23. All they are doing, it is sorcery, leading souls into captivity for hell. The same way we burn their bibles, treaties and others, thus will God cast them into the lake of fire. We cannot call idolaters, enemies of God "brother or sister in Christ". We have neither the same [G]od, nor the same [S]pirit. Practice these things and I say that those very spirits that you took with them in the past will be sent back to them. And in the name of Jesus-Christ, it will be so!

Master this subject: "*the transfer of spirits*" perfectly. Burn those false bibles and the devil will know that he does not have any share with you. Let those men know that you are not in the same dimension! For you who come from the evening time, there were branhamists who laid their hands upon one another during the feet washing. At midnight, that is no more possible because of the transfer of spirits. That is like for churches, assemblies or people who pray catching hold of their hands or laying their hands upon one another.

Never place representations of Jesus in your house. Even that of Offman. The Apostles and the disciples opposed that. Eusebus too, he that chose the 27 books of the New Testament among more than 62. It was at the Constantinople Council in year 692 that the figuration of Jesus was authorized. If Jesus-Christ is God then He can appear under several forms, and it is an abomination to try and represent Jesus. The two disciples on the way of Emmaus did not recognize him. In John 20: 11-16, Mary Magdalene did not recognize him. And the Bible says that Jesus appeared several times, under various forms. How will you represent Him then? By trying to represent Jesus, that leads to the transfer of spirits. Depart from what is impure. You see? We have not yet spent three years together but if I am back after I have spent one month on a journey, won't you recognize me? How does it come that three days later Simon Peter, Thomas, John, James and other disciples fishing, in broad daylight, did not recognize Jesus? Even so! You see? And Mark 16 says... let's read that: "*And after these things he was manifested in another form to two of them as they walked, going into the country*". Why that? Because He is God! And you, sons of the devil, you have finished up giving Him one face! But I feel certain that that so-called photograph of Jesus is closer to Judas Iscariote than to Jesus.

And I end with this: Avoid saying "*God has told me*" because if it is not God, then you called Satan your god. Thus all those who listen to you will receive that spirit. You can see just and clear revelations and yet it is of the devil.

And if somebody claims himself a Christian or claims to have the Holy Spirit, if he rejects the midnight Cry, do not fear to tell him that he has rather a spirit of divination according to Ezekiel 33:1-9 and be pure of his blood the day of the judgement. And you know that it is advantageous for you to preach the Message to your parents and acquaintance so that they may not try to pray with you when you arrive in their homes... Precede them!
