

PREACHING No.30: THE UNKNOWN LANGUAGE

(Preached in 2004 in Locodjro, Abidjan - Ivory Coast / www.matth25v6.org)

CALL AND COMMISSION: conversion on April 24, 1993 according to Daniel 10:4 to 11 by a vision in which I saw myself standing upon the sand of the sea and then on top of a high pyramid and then again upon the sand of the sea in another place and I saw an old military cargo * coming out of the depths of the sea and leave behind me. I turned round and I saw that it contained people all alive. They were women and one of them was mixed race. Then two doves came toward me and then went back over the waters. There was an eclipse and a man having a guise of a cloud and holding a sword came down from heaven with a lamb and the earth was illuminated again. They stood upon the waters and the Lamb began to speak to me in an unknown language. The sound of his voice came into me and I fell dead. My soul went off to stand upon the waters while my body was lying upon the sand of the sea. When It had finished talking to me, my soul came into me and I became alive again but I no longer saw them. Then a crowd of people came toward me from the right side and I asked them if they had seen the Angel and the Lamb. They said: "No!". And I said: How did you not see the Angel and the Lamb and all the things they have done? They replied: *"We have not seen the Angel and the Lamb and we have not heard the words the Lamb pronounced, but we entirely believe It because what God gave and that the devil took, has now been restituted to you "*. I looked up and I saw as a ladder set up between the heaven and earth and people ascended and descended. The vision ended and I felt what I know now to be the Holy Spirit and I wept and I believed in God at that moment.

The following day at around 15 hours while I was sitting at home, I was transported again in vision into an all desert country and I saw eastward, words that were descending from heaven carried on clouds. It's after these two visions that I got up to go to church for the very first time. [Confirming me thus in the mission of Matthew 25:6 and Revelation 12:14].

In a third vision, we were sitting in an examination room for the Advanced level test and the examiner was distributing the test-papers. I was saying in my heart: "But what am I doing here, I've not even been in a single form of the second cycle and what am I going to write?" [2nd cycle here: fifth, lower and upper sixth forms]. And later, It was said to me: *" The same way that Mary conceived miraculously, without knowing any man, the same way Moses received in details what happened at the creation, you have received the words of eternal Life on this April 24, 1993 and It is decreed by God. At the appointed time, you will understand and you will teach what you did not learn in order that whoever believes has eternal Life"*.

PREACHING:

In Gen.11, these men said: *"By the grace of God, and with the help of our scholars and engineers, we will build a tower that touches the heaven. We will do such and such thing ... We already have the support of men of God, all religious denominations mingled. The Mayor will come and lay down the first stone of the tower with the blessing of the greatest theologians! Prophets have had revelations in which angels will take part in the construction of the tower "* And the Bible says that by that time, God confused their language. What happened? A hand traced a writing on the plaster of the tower. Each one of them heard a language which was unknown to him. You see? And in the middle of the Bible, at the same location, Belshazzar a great-grand-son of Nimrod, held a feast. All the powerful Babylonian rabbis were sitting in the front rows. He was planning a greater thing than the image of gold that his father had made. The Babylon project was greater than at its beginning. You see? And the location of Babel is the same as Babylon and at the location of the tower stood the palace of Nebuchadnezzar, the father of Belshazzar. Yet, when they met with all the ambassadors having at their head the papal nuncio and that Belshazzar brought holy things to profane them, a hand wrote on the plaster of the wall. You see? In that moment came an unknown language. And at the end of times, while their great-grand-sons rejoiced, while profaning everything and the Babylonian America said: *"We are now going to oxygenate the moon and other planets ... we are going to divide the moon into plots and build houses there ..."* and that branhamists said: *"We are now going to take the pillar of the cloud and put the drawing by Offman in it and we are going to ..."*. You see? As their father Belshazzar, they profaned holy things, they have no respect for holy things. In that precise moment, a hand wrote on the plaster of the sky and a speech was given in an unknown language. You see? [...].

... Well, I would like to come back on this glorious vision of April 24, 1993 which is actually an ecstasy, a higher form of revelation. Not only was I in the vision but my body was involved and I was weeping before the end of the vision. And I also spoke in the tapes of a supernatural experience at the beginning of my conversion: I was still in bed at around 8 o'clock, I was not sleeping and I was at more than one kilometer away from me in spirit, I was at about twenty meter above the ground, I had no eyes, no body but I saw people distinctly, some women who were sweeping their yard, I was the wind! And I was aware of where I was lying down and I was aware of where I was bodiless but this experience came to me only once! Each authentic ministry is a condemnation for all those who reject it and this is currently the case. Branhamists have finished demonstrating that they are worse than catholics and having neither the Spirit nor the Word. Unless they demonstrate the contrary, Joseph Coleman, Lamarche, Eric, Emmanuel, ... were raised to attract those whose names were not written in the book of life of the Lamb before the founding of the world. All those who approached have clearly seen that the Bible and the evening time Message confirm the midnight Message. Several brochures testify to that. And I've told you that the mixed race person in the vision was the whole of those who still rest their faith upon what William Branham said. The vision of April 24, 1993 is contained in the seventh seal of revelation, chapter 8, verse 1 and the goal is the rapture after the Sermon, the midnight Cry that will bring the 3rd attraction (pull). There was a call, a cry, the virgins woke up and came. There must be a message to exercise an attraction. In the brochure the seventh seal, if you notice in the Sabino Canyon, a Sword had descended in the hands of 7th angel he was and in the vision of April 24, 1993, the Angel of the covenant was holding that the Sword standing upon the waters. Not upon the ground but still upon the waters. Amen! There was, the Lamb of God, yet the lamb it is the sacrifice. Do you understand? Very well! And what is that Message that has been given to me in that unknown language? Let's see what William Branham said in the seventh seal, on page 31[Ed: *in French version*]: *"... And in Sabino Canyon, He said, "This is the third pull." And there's three great things that goes with it,*

and one unfolded today, or yesterday, the other one unfolded today, and there's one thing that I cannot interpret, because it's in an unknown language. But I was standing right there and looked right straight at it, and this is the third pull coming up". Notice well: an *unknown language* and he never interpreted it until his death. The third pull is behind this unknown language. How can some so simple and clear things escape from people who claim to know the Word? The midnight Cry is another scope of the evening time Message but the same age and the same Spirit of Elijah. God gave him a Message in an unknown language that he never explained. See 1 Kings 19, God said to Elijah: Anoint Elisha prophet! Anoint Hazael king over Syria! Anoint Jehu king over Israel! Did Elijah anoint Hazael and Jehu? "Yes" for him who is spiritual because God was not talking to the tischbite called Elijah but to the Spirit that was upon him. Yet in a fleshly way, Elijah did not but anointed Elisha! That's what branhamists do not understand! Instead of following the Spirit of Elijah, they chose to follow William Branham and they remained in the evening time as lutherans and methodists. Do not doubt what I preach, if I were a wise and intelligent man capable of making truths, I would be brilliant at school. For some children of God it is already a miracle. That is why, I tell you not to fear them at all, Barilier or Ewald Frank are not more spiritual than a catholic priest! And I said that if an awakening takes place at the Branham-Tabernacle or in Krefeld, do not be distracted! It is a festivity of vultures and scavengers; it is the spirit of divination because the Holy Spirit is at midnight. The Bible does not say that a virgin would awake and wake up the others, but it will be a cry, a sermon! Whether you want it or not, it will be so because the Bible has predicted it! And it is upon this that our faith rests! Amen! The eagles, the living saints are at the stage of midnight, the saints who are asleep are at the stage of midnight, Paul, Luther, William Branham, Wesley.. are at the stage of midnight and know now what that unknown language said in the Sabino Canyon but branhamists, lutherans, methodists do not know it! Amen! If you notice, although short, this Message of midnight has an offensive power bigger than that of the evening time. At the reception, it came in me and I fell dead, my soul went off and stood upon the waters. It is the creative Word that will bring the glorious manifestation of the sons of God! On the same page 31 of the brochure he said: "*I looked, and there was a little box-like, little place over in the side. And I seen that Light was talking to somebody above me, that Light that you see there on the picture*". What's that? The ministry under the tent. You see? And in a vision of 1993, I turned round to see that place, exactly as he speaks of it, and if you notice, between William Branham and that place, there is a place like a cathedral, that is what branhamists will become before the midnight Cry. And I have received from Heaven, the infallible revelation that when I would begin to preach the midnight Cry, the power of the Vatican in the heaven will go to Jeffersonville and that the Branham-Tabernacle, will be the Saint-Peter cathedral of Rome. It is "*Thus saith the Lord!*". I cannot lie to you knowing that I will answer for it the day of judgment! It is "*Thus saith the Lord!*". And what interest will I lie for? ... And this place measures 9m² and must not contain more than twenty five people and it is in this side that the Light was talking again to someone after the evening time. [Ed: *it is question of the room of Locodjro*]. In a vision of 1993, I saw this place behind me, at the roadside, with this same blue colour. I heard voices inside but I did not see anyone and I did not see the front door. A bit thrust in as you see. When I saw it for the first time in 1997, it was a restaurant then a christian bookstore and I have had it miraculously in 1998 without paying neither deposit nor advance.

All the important elements of the Sabino Canyon are found in the vision of April 24, 1993, so that even a child should be able to understand that it is the same Spirit and the same thing. You see? The evening time is past and we begin to see them going out to preach what can no longer give life and they make many converts, the devil has nothing against them. They know very well that maturation is not maturity. And that restoration is not restitution is the aim. The branhamists, muslims, catholics, baptists, methodists, ... missions and ministries have the same father as the mystical orders and accomplish the same purpose. When one attacks the other it is a trick of Satan to distract the children of God. They are like the two heads of a coin. Since July 2002 when I began to preach, I did not fail to cry out against these things.

And if one day one of these frogs whose fathers fought William Branham told me: "Brother Philip, look at the brochure *"The rapture"*, Brother Branham says that the midnight Cry it is his Message!" I will cry Amen! Because it is a prophet who spoke. When Isaiah said: "*For unto us a child is born, unto us a son is given...*", [in the passive tense], we had to wait eight hundred years to see the fulfillment. And if it is not idolatry or ill faith, these frogs will know that the evening time is not midnight.

And always in the seventh seal, a brother showed me where it's spoken of a glorious character. What is a glorious character? You see? It is not the character who is glorious but the Message and the ministry that God will grant to him. Jesus Christ was the most glorious character but the Bible says that his appearance had nothing to attract the attention, man of sorrows, despised by all.

Well, I would like to say hard things, do not be shocked ... I left that aside since the first sermon on Matth.25: 6 ... For over a year since I ... Well! And a brother just showed me something: the Spirit said to William Branham: "*Take your pen and write*" and this is reported in the brochure: "*The spoken word is the original seed*" on page 100 [Ed: *in French version*] and here is the last paragraph: "*As the end time prophecies will repeat, I believe, as the first forerunner came from the wilderness and cried, "BEHOLD THE LAMB OF GOD," the second forerunner will probably do the same by pointing the people to a Word born Bride. The Bride of Christ will be pointed to the skies at the appearing of Jesus, screaming, "BEHOLD THE LAMB OF GOD," will come forth from his lips. God help us to be ready for this near event*". And that event, that Cry of gathering sounded like a voice of an archangel and you saw in the vision of April 24, 1993, the Lamb of God coming to take His bride. You see? The Spirit did not say it in relation with the evening Message, but in relation with the Cry and, at midnight, we saw in this vision, the seventh Angel that is the Spirit of Elijah and the Lamb coming to take His bride. And what pleases me is that I talked about that in a sermon. [Ed: A brother says: "Matth25: 6"]. Ok! Thank you brother!

Do you know this song that says: "*Come to dine, the master calls, come to dine*" and there is a wonderful verse that says: "*the Lamb will take His bride, for she be by his sides, the heavenly army will be there, come to the meal* You see?

Leaving John the Baptist to go to Jesus, it is what branhamists do not understand. But the children of God among them will understand. [Ed: *The congregation says, Amen!*].

Have you noticed that every element of the vision of April 24, 1993 has a special meaning? Why have I been taken with the Angel and the Lamb? Why was I confused with them for a moment before returning to my body lying upon the sand? It is to receive the interpretation of the unknown language. It is a symbol of the paroxysm of the prophetic revelation. At the beginning, Moses experimented and revealed the Genesis. You see? Moses entered into the divinity. Moses went into the eternity and came out with the Genesis. And the people came to meet him as on April 24, 1993. You see? And at the end of time, one day, while William Branham was hunting in Arizona, with brethren Fred Sothmann and Gene Norman, there was a vision in which his soul was caught into a constellation of angels in the form of pyramid and it's there that he received the interpretation of the seven seals. And it is reported in the same seventh seal that branhamists do not read. You see? And the same experience comes back in the vision of April 24, 1993 for the revelation of the unknown language. But this time, in addition to the cloud which is the constellation of the seven angels, we must count the presence of the Lamb. This is different from what Apostle Paul reports in 2 Cor.12:1. May God bless you ... I would like that we sing: "*I have heard of so glorious a Message* "...

Well, now listen to this! Excuse me! Well! Why do the ministry of the interpretation of the unknown language and the Ministry of Matth.25: 6 reveal that glorious character? You see? The same Abraham gave to Ishmael temporal goods, likewise, to these thousands of prophets, pastors, evangelists, apostles and doctors all over the world, it has been only given to work miracles and healings and sorts of deliverances as we see it on their posters: Great Vigil of miracles and prophetic anointing! Great campaign of healings! Great Vigil of thanksgiving! Great Vigil of restoration! Great meeting of prosperity! Great Vigil of victory! Great Vigil of blessings ... But to the glorious character, it has been said by the Angel himself: "*...IN ORDER THAT WHOEVER BELIEVES HAS ETERNAL LIFE*". And this single man to whom God entrusts the words of eternal Life for our time, as it was the case for each one of the prophets of the Bible in their time, would he not be this character? All those who pursue these miracles and blessings and others will die one day but only one thing is for ages and ages: THE WORDS OF ETERNAL LIFE! And let the whole world know that this season, the angel that troubled the water of the pool of Bethesda for our Salvation is that of the Matth.25:6.

On the one hand, it is this ministry of Matth.25:6, that presents the Bridegroom to the Bride because the Bridegroom and the Bride do not know each other; but he, knows them! You see? Isaac and Rebecca do not know each other but him, Eliezer knows them! It is he who will say: "*Bride, behold your Bridegroom! And you Bridegroom, behold your Bride!*". [Ed: *The congregation says, Amen!*]. Would he who appears at the end of time be the oldest and greatest of all the servants of Abraham? I do not know! Would he be greater than Paul, who has only engaged us to Christ? I do not know! [Ed: *The congregation says, Amen!*]. Would he be greater than each one of the seven messengers who have not done but maintained this future Bride? I do not know! [Ed: *the congregation says, Amen!*]. Would he be Eliezer, the oldest and greatest of the servants of Abraham? I do not know! [Ed: *the congregation says, Amen!*]. And for an hour, he took the place of mayor and you know that the mayor wears the symbol of the nation at his kidney. And the President of the Republic who comes to take his bride before the mayor takes the place of a mere citizen for an hour [Ed: *the congregation says, Amen!*]. It is not the president who will wear the symbol of the nation but the mayor! [Ed: *the congregation says, Amen!*]. You see? At the beginning, John the Baptist wore the belt of Aaron at the kidney, the symbol of the supreme priesthood and God took the place of Lamb to be slain! And at the end of times, the slain Lamb and the whole heaven descend ... This April 24, 1993, the twenty four elders, the four cherubim, Daniel, Ezekiel, John, Moses, David, Abraham, Adam, Noah ... who else was not there? I do not know! Who is the angel, who is the cherub, who is the archangel that was not there? I do not know! Who is the saint who was not there? I do not know! [Ed: *the congregation says, Amen!*]. There was a silence in the heaven and the seal of redemption of Rev.5 was set on the earth as the mayor cutting the ribbon for the entrance at the wedding [Ed: *the congregation says, Amen!*]. You see? In the heaven, the greatest character to be, God Himself, took the book and gave it to the one who already under the virtue of the ministry of Matth.25:6 was the greatest! [Ed: *the congregation says, Amen!*]... In Rev.5, when the voice sounded in the sky saying: "*Who [is] worthy to open the book, and to break its seals?*" you see? It is Isaiah chapter 6. And neither him, Isaiah, nor the people among whom he lived was worthy. The Bible says: "*And no one was able in the heaven, or upon the earth, or underneath the earth, to open the book, or to regard it.*" You see? Gabriel and the angels, even if they were worthy in heaven, could not take the book because they are not redemptive parents of man. And on April 24, 1993, when that voice sounded on the earth to take that mystery from the right hand of the Lamb and to reveal the unknown language, certainly, Daniel could but he was not on earth. You see? But of all the living, pope John Paul II and his cardinals were not worthy. The thousands of prophets were not worthy. Billy Graham, Frank Ewald, Osborn, Billy Paul and Joseph Branham were not worthy. The pastoral schools were not worthy. The holy spirits that act in catholic, protestant, evangelical and branhamist churches were not worthy. The presidents of church were not worthy ... none of those who had the name of Jesus in their mouth was worthy. Who could therefore reveal it? And John could weep again for, if one of all those people cannot who will be able to? You see? And I wept in this vision of the April 24, 1993! But one of the twenty four elders said to him: Do not weep! The lion of the tribe of Judah has overcome to take someone who is nothing to reveal the mystery of the unknown language. [Ed: *the congregation says, Amen!*]...

May God bless you! Can we sing that song now? ... "*I heard of so glorious a message...* " [See the end of the sermon on Matth.25: 6 (1)].
