

PREACHING No.32: ON DANIEL 12: 10

(Preached on Sunday August 15, 2004 morning in Locodjro, Abidjan – Ivory Coast/www.matth25v6.org)

Today, we are on August 15, it is the day of the worship of the goddess Mary, a demon that is nothing else but Astarte, the queen of heavens of Jeremiah 44:17. August 15 was instituted by Jeroboam in 1 Kings 12:32. But this same worship reappeared in the New Testament in Luke 11:27-28.

Well, what matters, it is the goal that a Message intends to reach. In the evening time, the Message was intended for the knowledge of the saints and we have known the seals, the original sin... But at midnight, this Message will consist in carrying the Church away from the face of the serpent according to Rev.12:14 but first of all, She must be separated from the serpent and the Bible says in Daniel 12:10 that this Message will do it.

Daniel 12:10 says that the elect will be: "*purified, and be made white, and be refined*". Yet, before the heaven and the earth and water and the angels were created, God Himself had sealed and hidden this Message, for in It is the unveiling of Satan and the purification of the saints. Everything God does, the devil imitates it and we even begin to see photographs of angels of light and that even makes four photographs that I saw with my own eyes. And I know that there are tens all over the world. All that is remaining, it is the confrontation of prophets.

Well, now pay attention: in the evening time, you heard that pentecostals had the Holy Spirit, but today it is not the case, nor even branhamists. The Spirit can rest exceptionally upon some people but no church has Him. And whoever has the Spirit in him hankers already after this Message and he will believe what he does not understand. [Ed: *the congregation says "Amen!"*]. Well, if you were in a church until this Message reached you and you had spoken with tongues, prophesied... and you thought you were in the truth in one of those churches, it was not the Holy Spirit. When the doctrine of your church is false, do not wait for someone to come and tell you that the holy spirit you have is false. Repent even before the baptism.

Well, what does Daniel 12:10 say? "*purified, and be made white, and be refined*", you cannot be made white unless you are justified, that is to say cleared. The word "*purified*" in Daniel 12:10 means: "separated in order to be justified" because it is first question, in Daniel 12:10, of the evil spirits that led you or that acted through you. Thus, "*purified*" means justified, "it was not you" but a demon in you that did those things. The culprit, it is him, that spirit that gives you dreams. And it is impossible to obtain deliverance except in this Message. That is what Daniel 12:10 says. It is not an angel, a prophet, a church... but the interpretation of the unknown language will do it. Made white means "cleared". In Africa, when a sorcerer is cleared, people put some kaolin or white powder upon him. Yet, when a man is accused of sorcery, it is not the poor old man himself who has no passport nor visa who has killed somebody in Paris but it is the spirit of sorcery that dwells in him that has done that. Jesus-Christ said: "My Father who is in me, He does these things". Read Romans 7:15-25... And since the spirit of sorcery and the old man are one and he that has seen the old man has seen the spirit... [Ed: *the congregation says "Amen"*] You see now why the coffin will point to him? It is because the spirit of sorcery that has killed is in him. First, the coffin hits the house that did no harm to anybody but because the culprit is inside it. Because, when the man was pointed to, people did not blame the house... He cannot be innocent unless the spirit gets out of him and that is the meaning of "*purified*" in Daniel 12:10. The wicked spirits that are in you, it is them that perform those sins of sex, divination, sorcery... because, man that God created in his image has never wanted to harm anybody and cannot harm. Jesus said: "the works I do, it is not I but the Father who is in me, he does the works", "he that has seen me has seen the Father". If you understand this Message then you have understood the Cry of Matth.25:6. If somebody does not want to admit that that baptist, assembly of gods or pentecostal holy spirit is a false one, leave him but he will go to hell. He thinks that in his sincerity, God cannot give him a false spirit but it is for that also He has sent this Message to purify you of that spirit, in your present maturity to understand. But, notice that before you were born, those same holy spirits were there and used fetish priests, thousands of people and the curse of the heaven and the earth since the rebellion of Lucifer follows them. And if they get into you today, then you are guilty of all the rebellions against God in the heaven, against his prophets, Jesus and the Apostles... They are the same demons changing their ministries. If you die, with a pentecostal holy spirit, do not be surprised when at the last judgement you are told that you were there, in the days of Ahab, on the side of the prophets of Baal... Now, I want to broach an important point: You can feel or see as in spirit or vision a scene in one or two seconds. And you feel like you have lived it before but you never saw it or lived before. What is it? It is not reincarnation but before you, the evil spirit that is in you was in somebody who did that.

Well, I hear that one can perform his own deliverance. That's pure falseness. Spend one hundred days fasting; the demon will laugh at you. If it were the case, coffins would not hit some pastors. Recently, newspapers talked about a pastor who was hit by a coffin. Are they really guilty? Yes! As long as the spirits of sorcery have their dwelling place in them. But if the evil spirit gets out of them, they will have never been guilty of sorcery in the eyes of God; there is no remembrance, no track of sorcery on them. But all their sins of sorcery will be imputed to the man in whom that spirit will enter anew. It will be like for all the sins that we commit... Thus, the purification of all those spirits is compulsory and God promised it according to Daniel 12:10.

To each one of us to look at himself through the Message and say: "*Brother, the spirit that I have and that I believed to be the Holy Spirit is not Him at all!*" The person must be convinced that the spirit [he/she] has is not the Holy Spirit and let [him/her] confess it publicly. Demons spoke several times with tongues here while I was chasing them out.

And notice that somebody can take the Message of his time and preach it sincerely and transmit however spirits of divination to people if he is not in the same spirit as the Message.

Do not say: "I have the Holy Spirit but I am possessed by a spirit of divination or sex". No, you do not have Him. Do not say: "I speak with tongues, I feel something... and I believe the midnight Cry, then I have Him!" That's not what I have said. Do not say: "I feel some heat of fire moving within my body". That is straightly the devil even if you had it at a prayer meeting. During a journey, I heard the public confession of a sister who got a holy spirit in a church with a great gift of prophecy. At the midnight Cry, she was in her 4th church with the same spirit and the same gift. But the grace of God made that that day, she prophesied by that spirit for the last time after twenty years. It is to this experience that this Message invites all the earth. I am not saying that your prophecies or dreams are false, they can even have never failed but it is of the spirit that is behind that I want to talk. How can you reject the false church and its false doctrine and keep its holy spirit? Especially when your messages and dreams were concerning the church! Most especially when you spoke with tongues and that another member of that church interpreted, do not wait until somebody tells you that it is a spirit of divination. Do not reject the doctrine to keep the spirit. But if you really want to keep your holy spirit, remain there therefore! But to also have the Spirit of this Message as for any Message of God, you must believe It entirely from one end to another, even what you do not understand; or what you have not heard yet. And you must apply It for both the assembly and the follower. If you think that only one point is false then reject the whole. Because, questioning one single small point, it is over. Remember this: "*We have not heard the words the Lamb pronounced, but we ENTIRELY believe It ...*" Do not believe anything other than this Message and do not doubt this Message in any manner".

Now, let me say this: God is Sovereign. He has given a Message, He will defend It. It is not for me to tell Him to defend It or to confirm It as Mary tried. He alone knows before whom, how, where and when and for whom He will do it. Let me keep quiet so that I should be something. I prefer the defence of God to man's. I prefer the confirmation of God to man's. Let it be two thousand vigorous protesters, let me not be tempted nor troubled of... for if it is what He told me to say that I have said, what more have I got to do? Weren't the clouds of the Heaven that carried this Message here? God does not need my assistance. The angels will descend and ascend on the children of the Kingdom. The Message shall glorify itself, you shall see it, you shall hear it and the whole earth shall proclaim It again. You see? Before this Message, demons hid behind various things: some masks, some... astrology, numerology, books of magic art... And every time the Messages since Paul unveiled them. But at the end of all things, those fallen angels that have got into the churches which are the high places of 2 Kings 17:29 to 31 and hidden behind bibles, called holy spirits today, had never thought they would be unveiled but their hiding-place was revealed and burned; bibles passed through fire. No longer relics only but bibles. But his last retrenchment, they are those so-called christians but as we cannot burn them, God has planned a burning lake of fire and brimstone for those catholics, protestants, evangelicals, branhamists... who will keep those holy spirits until their death. Notice that Rev.20:13 does not talk about people who died in water but they are their holy spirits that were in the depths of the abyss and that had sent them over there when they died. Having been used as coats for those spirits, they will not go into hell without you. And Satan makes them believe that they move up and go somewhere. However no flesh can be delivered from them but by God Himself who has sent this Message which has unveiled them. Meditate on each element of this Message to understand it entirely and my prayer is that the Lord Jesus may reveal Himself to all his children over the world. About 2800 years ago, those holy spirits that are in those churches were called Baal, Baal-Zebub, Hâpi, Osiris, Sabek, Bouto, Dagon, Mammon, Succoth-Benoth, Ashima, Nergal, Nibkhaz, Tharthak, Adrammelech, ... All those fallen angels are called Jesus-Christ today. And the churches write their god with "g" in capital letter. You see? But the unknown language of Daniel 12:8-10 has unveiled them. Do you know the Mormons? What's the name of the man who appeared to Joseph Smith with nail marks on his hands and his feet? [Jesus-Christ] And what's the name of the great master of the Rosicrucian brotherhood who would have received initiations in Egypt? [Jesus-Christ]. This Message is very profound. And high places are called churches. No one can see them distinctly and be delivered from them except by the Message of Matth.25:6 according to Daniel 12: 8 to 10. Now, considering the importance of things, "refined" will be the subject of a preaching like "purified and made white". May Jesus-Christ, my God, bless you! [Followed by questions-answers].
