

PREACHING No.33: ON THE BOOK OF ESTHER

(Preached in 2004 in Locodjro, Abidjan - Ivory Coast / www.matth25v6)

[...] In the same way that in all countries people rise to say that they are the fulfillment of Rev.11:3 while they are not Jews, it's this way that you will find in every nation, people proclaiming themselves Matth.25:6 but Jesus Christ said: the words I say, they it is which bear witness of me. There will be hundreds of messengers of Matth.25: 6 but the true one will distinguish himself from them! ... The miracles and healings, we all perform, but does their life, including their past bear witness of that of a messenger's? Have they got an authentic call? Have they been mandated and commissioned by God? Did they not drink, smoke or lie with women before their ministry or their marriage? Does the entire Bible confirm their ministry? What does their Message say? You see?

And it's this way that many with diabolical quantities of unction claim to be the midnight Cry. But I have not found yet one among them who has a call, a commission and a Message, announcing what we do not know! They are all serpents and they will never go beyond the limits of their own country. Since they are false prophets, it is only in their homeland that they are recognized as being prophets. And empty people, corrupt in the flesh and in the spirit, people who have sacrificed their souls on the altar of ignorance, of worldliness and hell follow them.

However, there must also be some matth.25:6s to say that we are at midnight and that the true one may distinguish himself! Then that must stretch over the whole world despite the battles for a Message from God has never been approved of men. But we see in 1 Kings 17 that branhamists have believed in William Branham because of miracles. After baptist and pentecostal crows, we find branhamists, this prostitute widow and in v.24, when she saw the miracle, she said: Now by that I see that you're a man of God and the Word of God in your mouth is the whole truth. But in 2 Kings 4, the Shulamite had the revelation of who Elisha was and she received him before the miracle. And we find again this Shulamite in the vision of April 24, 1993: *We have not seen the Angel and the Lamb and we have not heard the words the Lamb pronounced, but we entirely believe It ...* Now I have seen branhamist pastors saying: *"We are expecting vindication to believe."* It is Matth.12:38, great-grandsons of pharisees. And I told you that the earth being in Satan's hand, it is difficult even impossible that some sons of God may lead assemblies in the absence of the messenger ... or that an assembly may be in the will of God after 40 years.

Well, let's see the book of Ruth before Esther! All the books of the Bible contain symbols as the example of the book of Ruth: Naomi is the Church in the time of the Apostles. When God departed from Israel and that there was a famine of the Word there, she went to the nations. There, her husband, who is a type of the Apostles, died. The seven messengers (her sons) maintained that same widow out of whom will come in the end a wise virgin, Ruth and a foolish virgin, Orpah ...

Let's take the book of Esther now... In the 7th age of the Church of nations, after the work of the seven heavenly angels who are the princes (Carshena, Shethar, Admatha, Tarshish, Meres, Marsena, and Memucan) and the seven chamberlains who are the terrestrial messengers of the seven ages (Paul, Irenaeus, Martin, Columba, Martin Luther, Wesley and Branham). The chamberlains are by women, you see?. So the 7th heavenly angel who is the Spirit of Elijah (Memucan) enters the scene to promulgate an edict, the Midnight Cry. There is therefore no 8th chamberlain (terrestrial messenger) or an 8th Message, but a Cry, an Edict. As in Matth.25:6, the Edict calls all the virgins of all the provinces of the earth. And the wise confine themselves to what the chamberlain says. Brothers, no matter the right revelations and the true mysteries that someone is going to preach outside what has pleased God to give through Hegai, never receive them. The Bible says it because there will be some. Brothers, you won't say you were not warned! The Edict of Memucan is then the Cry of Matthew 25:6 calling the virgins out. It's Thus saith the Lord. The verse 9 says that Vashti is also displaying her wealth, saying: *"We have the Message, we have Ewald Frank, we have Branham's children... we do not need any midnight Cry!"*. Those are the Hamans at the feast of Vashti. The assurance and error of Vashti, it was Haman at her feast. But Memucan [7 letters], the 7th heavenly angel, continues and the wise virgins of Matthew 25:6 will only accept... Esther 2:15. But!... a little Hegai [5 letters as Kacou: the grace] was there for the occasion. The edict was not planned, Esther was not planned, Hegai was not planned but it is the grace that did it. Hegai, an eighth, but not in the number of the seven chamberlains, the same way David, an eighth, was not in the number of the seven. O boneheaded branhamists! Notice that for the purification, Esther is surrounded by seven young virgins of the royal house, as Hegai was surrounded by the seven chamberlains. Those are the seven virgins of the seven ages and seven chamberlains are the seven terrestrial messengers of the seven ages of the Church. Let's see the purification of Esther which is a type of Daniel 12:10. This purification should last twelve months with oil of myrrh, spices and perfumes. And the meaning of its components expresses the depth of this purification. Myrrh and spices. The Magi offered myrrh to Jesus for the purification of the Church.

And when pastor Saul said before his twelve elders *"Given the evolution of things, the elders and I have decided to break that vow!"* it was the hand of the Almighty God in accordance with this Message! For it is inevitable that, sometimes, the life of the prophet-messenger manifests the Word of God at the great risk of carnal men. And how will the life of a prophet-messenger not manifest once the Word of God? When Moses took an Ethiopian woman as wife, it was spiritually God who took an *"Egyptian woman"* but the Jews were offended in it and even Miriam and Aaron spoke against it. You see? Yet the life of the prophet-messenger must be the interpretation of the Word! But if you do not understand what he says, how will you understand his life? You see? When the prophet Hosea went to take a prostitute, no matter what he said, the devil's sons said: *"God told us through Moses, that a prophet-messenger who is chief priest should take a virgin! Do you want to tell us that God contradicts Himself?"* Hosea told them: *If you do not believe that this act comes from God, what do you think of the Message that I preach?* Certainly, in a spirit of settling scores, the so-called priests must have delivered the prophet Hosea to Satan to silence that voice that bothered them so much. But they were ignorant, not understanding anything of what God was doing. You see? But that act itself referred to them! ... And before the Edict of Memucan Jesus Christ should reject Vashti, this branhamist stinking worldliness, stinking the glories of this world, without any shame! This immoral, rebellious and

senseless prostitute... If it is really that, I do not know but this act is as spiritual as the Word I have preached. And Ahasuerus should promulgate an Edict in order that Esther, a young virgin may be aroused under the supervision of Hegai. God bless you!
