

PREACHING No.3: Revelation 14: 6-10

(Preached on Sunday, November 10, 2002 in Locodjoro, Abidjan - Ivory Coast / www.matth25v6.org)

[Ed: Brother Philip reads Revelation 14:6-10]... You see? The Gospel of the Kingdom of Heaven always comes from the heaven through an angel while there is another gospel that comes from the abyss through seminary and pastoral school. Because God fills the heart whereas the devil fills the head. Remember how on April 24, 1993, the sound of his voice came into my heart and I fell as dead. You see? It's the devil that has instituted the pastoral school. For, if I send someone to call my wife who is travelling to village, this messenger doesn't have to receive any instruction from anyone. I am the only one to tell him what to say to my wife and I know that my wife will believe in him. You see? Let Satan and his children have schools, theological institutes and Internet, me and my house we will stay with the prophetic revelation. [Ed: *The congregation says: "Amen!"*]. And after the pastoral school, seminaries and theological degrees, when those hypocrites, sons of the devil are in the pulpit, they say: "*O God May I be deleted and you speak through me.*" You see? It's confusion! If you know that God can delete you and speak through you, then what did you go to look for in pastoral school?

Pastoral school is nothing but a place where people go to learn the techniques of psychological manipulation. You see? They study the reactions and behaviors of people. All this is called mysticism. That's what they hide from people.

Well, the Bible declares that there is nothing that shall not be revealed in the daylight. God made it because the time of the restoration had come, but unfortunately those for whom it was made were already drunk and could not distinguish between good and evil, the Spirit of God and the spirit of the devil, the Word of God and theology ... It is therefore wrongly that this satanic caricature is called church, becoming then a curse for the country and the subject of all the wrath of God. So that, when a cup of torment is poured on a country by God, the churches are quick to interpret it so as to strengthen the wicked one in his way. I could not imagine what punishment the churches will be found worthy of at the judgment! You should know that if God was the head of those churches, they would not pray at the same time as the buddhists, mahikari, muslims, fetish priests, masks, libations and war dances ... And if they were to do it, they would pronounce about that violent and rotten television, those princess and princely streets [Ed: *The largest street of prostitution in Abidjan (Ivory Coast)*], newspapers exposing naked women, impure rhythms and dances, distribution of condoms, family planning. You see? The place where the sin is legalized, the Church must pronounce. If they distribute condoms to students, soldiers and others and that the churches are silent, they should not pray either, if not, they are the worst enemies of their country. The sin of the one who uses condoms or pills is similar to the one who does abortion. It's especially against churches that punishments are exerted as in the past on the gods of Egypt. You see? I do not discourage you but it's in vain that you pray. God has aroused servants to exercise judgments as He aroused his servant Nebuchadnezzar against Israel in the past. Isn't God who decrees everything that happens on earth?

Like Joseph, Blacks deported from Africa and the lambs fleeing the wolves of the Roman persecution found themselves on a new land, America. God blessed them, and did that their brethren, the whole world prostrates itself before their decisions through the UN because after the pope, it was Joseph. As shown in the book of Genesis and Rev.13. You see? So from the lambs they were, great-grand-son of Christians, swearing on the Bible, they became a dragon crushing, shelling, imposing itself by vetoes and embargoes. Instead of sending gratuitously wheat to his family so as to live, they send weapons to kill one another. They send some Osborns, Morris Cerullo ... to deceive the inhabitants of the earth. And they are proud to say: "*God bless America.*" If God blesses this America that I see so He must repent of having destroyed Sodom and Gomorrah. You see? If God blesses this Ivory Coast that I see then He must repent of having destroyed Sodom and Gomorrah. And at the resurrection, God must apologize to the people of Sodom and Gomorrah. You see? And on September 11th, I said in despair: "*it's done!*" and I said that's what was announced by the messenger of the evening time before seeing the images. Mercy for this nation, what will she do? From now on, the fear and anxiety will live with these men. For, instead of working for good, they rather worked for the loss of the wicked one. The solution is not to try to capture Al-Qaeda or terrorism which are pre-eminently the whips of God but to change their life because God can generate whips from everywhere, cyclones, earthquakes, floods, and don't you know that more terrible diseases than AIDS will come? Don't you know that what could not kill will? And God will raise everything for any man or nation that makes the culture of sin and false prophets. That's what made God destroy the earth in the days of Noah. The churches had Osborn, seducers, men of renown approved by men. And any way of Salvation was corrupt. See Genesis 6:11-12: "*... And the earth was corrupt before God and the earth was full of violence. And God looked upon the earth and behold, it was corrupt; for all flesh had corrupted its way on the earth. " Note this: "...corrupt before God". Not before men but before God! For them, they are in the truth; they see no harm in what they are doing! And it was there that God aroused a little man for them, with no theological training, whose preaching was disturbing them. But Noah preached in a real desert.*

People recognize that we are in the time of Noah. All preachers recognize that we are in the time of Noah. The churches recognize that we are at the time of Noah ... But where is Noah? This simple question they do not ask themselves. But how can one be in the time of Noah without Noah? Oh! You sons of God do not look for great pastors, apostles and prophets but look for Noah! Oh little shepherds! Oh little magi! Do not go toward Jerusalem but go to Bethlehem! Do not go toward the churches of Herod, do not go toward the so-called great men of God, go toward the carpenter Joseph.

And if Noah is approved, I will be approved, it is upon that I rest. And I am surprised that people confessing the name of Jesus Christ dream about visiting one day countries like the United States. Your villages are they no better than Los Angeles and Hollywood? Where do this violence, these snakes and scorpions on the biceps, those bad hairstyles come from? In the same way that you dream of Europe and the West, thus your souls yearn after sin and hell! For, all those in Europe and the United States and who are filled with the Holy Spirit would like to be in your stead here in Africa, far from what they see there.

The first beast of Rev. 13, the Vatican has defiled the earth by the catholic church. [And I tell you to keep your ears on the Vatican. A piece of news will shake the world. That time has now come and the arm, it's the spirit that is in Al Qaeda. And the world will say: Who did that? You see?] The second beast, the United States, itself an image of the Vatican has corrupted the earth by the protestant and evangelical churches which are also the image of catholicism, the whole acting under the mark of the beast, the spirit that once animated Babel and was transmitted to Babylon then to the *Media and Persia* empire then to the Greek world empire then to the Roman empire and the catholic church that comes out of Rome. Hence, this spirit was transmitted to the USA and the protestant and evangelical churches to reach the branhamists.

And saying that Ivory Coast is the New Jerusalem it's to insult God and His throne! And if Ivory Coast is an economical and political elephant, it is also a spiritual bat and that is manifested since a while to the eye of the world. An animal that flies, eats and goes to the stools by mouth, sleeping piled upside down. A bird that flies at night, without feathers, with teeth: a creature of ill omen and it is what these so-called christians are. Catholics, muslims, buddhists, protestants, evangelicals, fetish priests ... gathered to pray their god. The folly of Christians has been demonstrated. His heart and nature have been revealed. Would I accept to be sacrificed in order that a so-called secular country live? ... Is God in search of glory? The God with symbolic language has He not put bats in the heart of Plateau, heart of Abidjan, heart of Ivory Coast? Why? It is the spiritual, religious emblem of this country it is the *Thus saith the Lord*. One day, I was preaching in Plateau and I said that Ivory Coast deserved more than AIDS and someone shouted: "*If AIDS is small, let God send dragons, we're here!*" The days that followed, the country was hit, the blood flowed. Certainly, the dragons descended. If you are a candidate for sins and that you stiffen your necks before the reprimand, God will arouse Bin Ladens invested with prophetic and divine powers for you. The God before whom I stand is the one who executes his designs on the inhabitants of the earth. You have demonstrated to the world that you can do worse than Zaire (DRC) [*Ed: DRC (Democratic Republic of Congo)*] and Shala Muana ... Will I pray therefore in order that these princess streets live? That these churches and their prophets live? If I do so, let my soul not live and let the gates of hell prevail on me. But I pray for the elect so that the waters do not carry them away and they gather for eternal Life and their faith may not fail.

But the world will move from suffering to suffering. And it shall come that, when greeting, a man will not be able to shake the hand of his brother or his best friend for fear of being contaminated by the disease. People shall walk without touching each other. You will hear people saying: "I'm afraid to take the underground or the bus for fear of being contaminated." You see? The righteous one will say to the wicked one: "Go and show off your nudity on the beach!" and the wicked one will say: "I won't!"

Well, what does the Bible say? What does Matth.24:24 say? The Bible says that if times were not shortened, no flesh would be saved, but when we see the work and the proliferation of churches, we feel like if the Lord carries, every flesh will be saved. Do not be seduced to that point! ... And don't look at me as a threat to your church because of your interests but rather like a grace. They call me a false prophet, antichrist, messenger of Satan, heretical, nivaquine preaching... without being able to say what I said wrong. You, who preach theology and others, go to heaven! And Noah, Moses, the prophets, Apostles and I who have preached the Gospel from heaven, we'll go to hell. The sons of perdition leading souls to perdition! ... Call me a false prophet and antichrist but God waits for you at the judgment!

Yet, the Lord promised in Matth.13:24-30 that the children of the devil and their churches will be bound into several bundles to be burnt but that the elect will be gathered in a single granary. There were many beliefs, gods in Egypt and God brought his children out by exercising judgment. Before a multitude of churches in Israel, there were the pharisees, the essenes, the sadducees, hellenists, herodians, zealots ... all of them were in the wrong way and the Lord brought the elect out by exercising judgments on them. And before the rapture, the elect, according to Matt 24:31 and 1 Thess. 4:16, will be gathered by the sound of the trumpet, including Rev.14:6-10. And it's always what Christ is doing. And this preaching is for the fall of some and the rising up of many. The same flood that saved Noah destroyed the world. It's this same Message that will condemn them.

Despite the differences of doctrines, the churches unite in alliances and I said that was beasts, dragons with multiple heads, each head symbolizing a church and having the devil and the language which is the theology of that church. Whoever is in one of those churches has already received the mark, that is to say, the spirit, the demon of the beast. You were brought forth of that spirit and it's by it that you speak other tongues, you prophesy ... as if it was really the Holy Spirit. It controls your body, soul and spirit. And you are exactly in the condition of the pharisees before the Lord or the condition of a catholic who has candles, rosaries, statues, incense, crucifixes and holy water in hand and who believes himself in the Truth. The same mark, same demon of incredulity that possesses the beast [the roman catholic church] it's the same mark that possesses its image, its daughters.

When someone says: "*I'm baptist, brother of the message, lutheran ...*" you must understand: "*I am the antichrist, I am a bastard child, I am ...*". The mark on the hand is to work, to perform acts in that way. And the whole world has received it. There is not a king or a president in the world who has not visited or has not had the intention to visit the Vatican, even Arafat, Arabs and Muslims. For, in Matth.4:8-9, Jesus Christ having refused the throne of the highest jurisdiction on earth, a man received it. And the Bible declares that this small city of the Vatican has kingship over all the inhabitants on the earth and one day an invisible hand will strike it. Rev.17:18...

Every church claims to have the Holy Spirit and each of them has his own idea on the baptism, the divinity of Jesus, the predestination, the original sin, the ministry of woman, the veil, and so on.. A methodist pastor cannot be pastor at the assemblies of gods, baptists ... What's this contradictory holy spirit? And in spite of that you do not seek the Truth but you speak of sanctification and of paradise! What are you doing then with the Bible that is in your hands? Otherwise, is it really for Salvation that you go to church? However if God saves a baptist, pentecostal, revival or assembly of gods how can He condemn the pharisees, Judas, Cain? How can God condemn the teaching of the pharisees and sadducees and approve yours? According to Matth.16:5-12, Jesus says that it's some leaven.

If God gives the Holy Spirit to a baptist, a pentecostal, assembly of gods, ... what will it be of the buddhists and muslims? You see? I beg you on behalf of the Lord Jesus Christ, stop burning incense to demons! Leave the altar and calves of gold. The ministry is not a trade that one must go and learn or improve in seminary. Stop making your pastors in pastoral factories. God gives the ministry from Heaven and ensure its execution without the help of any human hand but by the Holy Spirit. You, my brothers pastors, prophets, reverend, presidents ... I beseech you on behalf of the Lord Jesus! Repent! Escape from hell because it is better to be ashamed before men than hell. I do not preach an imagination but I am speaking on behalf of the Lord Jesus Christ. As Jeremiah 28 and 1 Kings 22, I was given to see the judgment of God and pronounce it. Don't let a church or a man, whoever he is deceive you!

Don't let any responsibility of church retain you. Recognize your day of visitation, because if you miss the trumpet of gathering, what are you then waiting for? Bend then your knees until God speaks to you otherwise at the judgment you will not say you weren't warned! Will you?

If Israel which is from God by birth does not understand the prophetic language, how will you who are children by adoption understand it? But one thing is obvious: two men claiming to be of God cannot hold different languages with different practices. When the Jews returned from the Babylonian deportation, a Benjaminite like Paul could be in the priesthood. We heard new names: Rabbi, Pharisee ... According to 1 Kings 12:31 and 2 Chr.13: 9, if someone has financial resources, he pays for the training and becomes a priest as we see today. 2 Chron.13 says: *"Have ye not cast out the priests of Jehovah, the sons of Aaron, and the Levites, and made you priests as the peoples of the lands? whoever comes to consecrate himself with a young bullock and seven rams, he becomes a priest of what is not God. ... "* You see? It's no longer question of divine election but a matter of intelligence and money. When the churches returned from the deportation of the spiritual Babylon, the catholicism, we heard names like: reverend, presidents, bishops ... blasphemous names. They returned with dogmas, creeds, doctrines and Babylonian gods. The children of Nimrod, sons of Belial forged empires called *"churches"*. They were uncrowned kings, kingdoms without State, beasts with two or three horns according to the Babylonian model. And incited by the same plan, they are currently building towers of Babel, despite the confusion of their languages, doctrines: unions of churches. A challenge to God. Each had three horns: the political, financial and religious power.

If you are prophets, and you do not see the words: *"forerunner of the antichrist"* on the forehead of the presidents of churches then ask yourselves of whom you are prophets. I do not look at myself as a prophet but I know one thing: I saw written in the sky the judgment of God upon you and no one can contradict that. And the sons of the devil stay far away saying: *"What you say is true, God has also revealed that to us!"*. If God has truly revealed that to you, it's not to another church but to his Word and to his Church that you will come...

[In my village, has just died as if struck by an angel, a man of renown of the assemblies of gods: *the ancient Nando*. A severe paralysis that did not yield in spite of various incantations from his lot. This is the salary of so many years of witchcraft in a brotherhood whose name is *assembly of gods* and the cradle of which is Katadji. And I heard that he had set in order before he died. Has he not died, then assembly of gods? If he preserved his body, it's good but what about his soul and the holy spirit in him? Had he abandoned the dogmas, creeds, idols and theologies of the assemblies of gods before he died? If he goes to heaven then Christianity is false! You see? This Nando has so seduced, blinded, killed and sent many souls to hell that his hell had begun here below] * You can disagree with me or fight me because I tell you the truth, but one day you will say like this Roman soldier: *"Truly this man had spoken to us on behalf of God"*.

And one of the reasons why such people cannot accept the Message of their time to be saved is that a lot of those they seduced have already died and are expecting them there in heaven and they must go and answer for these souls before God. God cannot accept then that they change their way here on earth. God would be unjust if Dion Robert goes to the Paradise while many baptists have already died. You see? That's it!

Finally, I want to say this: In 1995, an angel of Satan's showed me revelations and one day I told a sister: *"You have committed fornication on last Monday with a soldier. Your father knows him according to what I have been told"*. She acknowledged it and I thought it was God. Another day, I told a brother named Désiré: *"When we arrive at brother Edward's, he will give us two mangoes, mine will be found rotten and he will replace it with two sweet bananas"*. Things happened exactly in that way. And I remember that by this demoniacal practice, I had shocked two brethren to whom I apologized. For a year, I saw hundreds of revelations of this kind and none of them had ever failed. Some witnesses are still there. Glories, honor and a great prophetic ministry opened before me like Kacou Severin and those prophets but the Lord rescued me and instructed me because of the excellence of the ministry I would perform before his face. And I repented before everybody and I confessed that though these revelations were right they came from the devil. I was ashamed but I preferred the shame before men rather than condemnation before God. But one day, this gift will operate by God Himself.

No man whoever he is can be wise enough to escape by himself otherwise, at least, one of the prophets would have done it. I cannot show-off all the experiences from 1993 up today but I speak as having authority because I stood in the counsel of God. Accept reprimands! Because your taste is not necessarily that of God. The apostle Paul had to go up to the Apostles in order to check what he preached according to Galatians 2:1-2. Ulrich Zwingli did it with Martin Luther and said: *"I thought like Luther before he had listened to him"*. In 1536, the great reformer William Farel asked Calvin to help him restore the Church of Geneva. And you? Which holy spirit do you have? You grab the churches! Pull yourselves together! For, such way may seem right to the human but the end is perdition.
