

## PREACHING No.43: ON 1 KINGS 19:11-13

(Sunday, February 13, 2005 morning in Locodjro, Abidjan – Ivory Coast /[www.matth25v6.org](http://www.matth25v6.org))

...The ten virgins took the torches when Paul betrothed them to Christ. And this same Word, this Torch changed aspect and scope in each age, like the horse of Rev.6. Every messenger comes with the oil but at every sleep, the torches die out because oil, the Spirit moves, leaves them... In v.7, they are not "woke up" but "arose" because the prudent virgins never fell asleep.

Brethren, we want the Pillar of fire because the photograph of fire, no matter how large it may be, will not heat us! We do not want historical testimonies of healings, miracles and resurrection. The world does not need them. I do not have any consideration for experiences of 40 or 2000 years ago. Hebrews 13:8 is still getting fulfilled! The world wants a living Jesus-Christ. You see? And we have already got genuine testimonies of healings and deliverances. We are getting towards greater miracles, up to resurrection. What Jesus-Christ did in flesh, He is supposed to do again if it is Him the Angel and the Lamb and the Message of April 24, 1993...

Let's take our Bibles now in 1 now Kings 19:1-13 and read... because this morning, the prophet that God has sent wants to speak to the world. I would like to preach on verses 9 to 13 but in the middle of... I want to read again verses 11-13: "*And Jehovah said, Go forth, and stand upon the mount before Jehovah. And behold, Jehovah passed by, and a great and strong wind rent the mountains, and broke in pieces the rocks before Jehovah: Jehovah was not in the wind. And after the wind, an earthquake: Jehovah was not in the earthquake. And after the earthquake, a fire: Jehovah was not in the fire. And after the fire, a soft gentle voice. And it came to pass, when Elijah heard it, that he wrapped his face in his mantle, and went out, and stood in the entrance of the cave.*"

Well... Elijah, the prophet of God was at the end of his ministry and like Moses, God made him go up on that same mountain to show him the things coming up. In Deu.34:1-3, Israel was still on the other side of the Jordan when Moses saw in vision Canaan parted among the children of Israel. And Moses, prophet of God saw in vision the battles to come. Moses saw the wars, seductions, wiles and wrongs that Canaanites were going to impose on the Jews. Moses had also seen the seven priests of Joshua 6 during the seven ages and the midnight Cry in verse 5. Moses had seen his God preserving Israel by the prophet Joshua according to Hosea 12:14: "*And by a prophet Jehovah brought Israel out of Egypt, and by a prophet was he preserved.*" Thus, in 1 Kings 19, at the end of the ministry of Elijah, God made him go up on that mountain to show him the seductions, the great army of God that was going to come and try the inhabitants of the earth. After which seduction a soft and secret voice would be heard.

This great seduction had been seen by the Lord Jesus Himself. At the end of Jesus' ministry, in Matth.24, He went up on that mountain and saw the rapture in chapter 25. On top of that mountain, He saw the seven seals and Matthew 24:24 which is 1 Kings 19:11-13. In Acts 20:17-38, at the end of the ministry of Paul, God raised him on top of that mountain and when he saw this seduction, he cried. At the end of the prophetic time of three years and a half assigned to this Message, the mystery is revealed.

And all the true prophets saw this great seduction of the end of times: the prophets of Baal seated in jacket on some kinds of thrones that Ahab had offered to them and in places, the daughters of Jezebel, the posterity of the serpent were seated by them on similar thrones before their congregations, those whose names were not written in the book of life of the Lamb before the founding of the world.

Now, let's come back to this glorious text of 1Kings 19:11-13. You see? Three phases then a secret voice, not a trumpet nor voices but a voice! Moses heard it in the form of a cry and it was a man who was going to indicate it, Joshua. Jesus-Christ heard it in the form of a cry in Matth.25:6 and the ministry of Rev.12:14.

In the Sabino Canyon, William Branham heard that voice talking to somebody else above him [7th Seal, Ref.191-192 or Preaching N.30]. William Branham said: "*I looked, and there was a little box-like, little place over in the side. And I seen that Light was talking to somebody above me, that Light that you see there on the picture*". You see? But he does not know that, it was what this Light said that he heard in the unknown language. In 1993, I heard that voice but I did not see anybody, then I heard it in an unknown language but you are hearing it directly because the promise was for you. What happened through that wind, that earthquake, that fire and that secret voice? The meaning of the word "gentle" is "secret". William Branham said: "*... there'll be a cry, not amongst the unbelieving world; it'll be a secret*" [ref.134 "the uniting time and sign" August 18, 1963, Branham-Tabernacle, Jeffersonville, USA. ]. You see? A secret. What's that? God was revealing to Elijah the great seduction which awaited his spiritual posterity at the end of times. They are also the seven seals. And that voice was contained in the seven thunders and should be sealed until the time of the end to reveal this seduction. The revelation of the seven thunders cannot be over before having revealed branhamists. You see? When Luther was preaching, it was the seven thunders. When William Branham was preaching, it was the seven thunders. And it will always be the seven thunders until the Lord comes.

The three phases refer especially to the seduction between the evening time and midnight. The revelation says that Elijah, in the cave, heard a voice that was talking to somebody else above him as in the 7th seal. [Ed: *the congregation said: Amen!*]. This soft and secret voice is different from the voice which asked Elijah what he was doing there. The first voice is that of Matth.25:6 and Elijah went out. Daniel heard it too! When Elijah heard it, he went forth according to Matth.25:6 but he was not given to understand...

Now, I would like to show these three satanic assaults that come out of the abyss. First an impetuous wind: they are the great spiritual movements that are still shaking the world for the Spirit Himself comes through an impetuous wind. Acts 2:2 says that it

came out of the heaven as the sound of an impetuous wind. And you see how this wind of anointing tore and shook the mountains of this century: country presidents, ministers, rich people, mayors, MPs, magistrates, businessmen, kings, princes, famous people ... breaking thus the greatest hearts of stone. You see? All were carried in this movement of miracles without any Message. Sons of the devil covered with demonic anointings and having the name of Jesus shook nations, they impacted their country without perhaps having a world-wide reputation. But the Bible says that God was not in that wind. You saw at those vigils and conventions, crowds collapse under this wind of anointing. There was here, in Ivory Coast, *the movement of the bulldozers of the Gospel...* No tree could resist them! There were satanic incantations called prophetic prayers or proclamations. And in 1 Kings 19, Elijah could hear them crying authoritatively to Baal, their god and to the gods, demons and idols of water, ground, the sky, mountains, gold, money, bronze, and of stone so that those ones should return their blessings to them. Elijah could hear: "*Baal, bring my angel back! Stone, give my blessings back! Mountains, give my blessings back! Sky, moon, ground, I snatch my marriage from you; I snatch my work from you, give my blessings back in the name of Baal! I write the blessing on my life with the blood of the bullocks! You spirit husband, I pluck your intimate parts... And you spirit wife, I cut off your breasts...Satan, I send the most powerful planes of war against you, I send the most powerful missiles on you and now I send the atomic bomb in your camp!!!... smoke rises out of your camp, it's over!...Amen!*". Elijah said: "*haven't I slaughtered all these [ones] at the torrent of Kishon?*" And Elijah said: "*may your souls rest in peace!*" They cried very aloud. They were clapping their hands, beating the ground with their feet, sweating, snapping their fingers and Elijah could hear: "*I blot out my curses, then I plunge my finger in the blood of the bullock and I write my blessing upon the ground and the sky. I am blessed and I work in the name of Baal, I am in my home with my children in the name of Jes.. in the name of Baal*". You see? That's witchcraft. Nowhere in the Old or New Testament ... Jesus and the apostles did not make any incantation! That's witchcraft. Brotherhoods of sorcerers; sorcerers in jacket, well scented. You see? There were small and great, men and women, poor and rich sweating, beating on the ground with their feet, clapping their hands, crying together vigorously in accordance with the doctrines of Baal; and Elijah remembered that he had told them to cry aloud. Let's read that: "*And it came to pass at noon that Elijah mocked them and said, Cry aloud; for he is a god; for he is meditating, or gone aside, or he is on a journey; perhaps he sleeps, and will awake. And they cried aloud*". After these incantatory proclamations, they took the blood of the bullocks and ... The Bible says in 1 Kings 18:28 that they made blood gush out upon them and Elijah could hear outside: "*I plunge myself in the blood of Jesus, I purge myself with the blood of Jesus, I wash myself in the blood of the bullocks, I drink the blood of Jesus! I put blood on my door, on my bed... Ground, I write my blessing upon you with the blood of the bullocks, I proclaim my success under the blood of the bullocks, I prophesy success on my life*". Elijah said: haven't I slaughtered all these in the torrent of Kishon? And Elijah said: "*Oh mercy! May your souls rest in peace!*" Sometimes, a voice would cry out words like: "*We have prayed and we are answered*", and the multitude answered: "*In the name of Baal!.. In the name of Baal !... In the name of Baal!*". The voice spoke and the multitude answered: "*In the name of Baal!*" in accordance with the doctrines of Baal.

Powerful gifts of magic art, prophecy, tongues, discernment, confirmed this witchcraft. So much so that the Bible says that if that were possible, even some chosen ones would be misled. Who could discern that the spirits that are working in all those churches, missions and ministries were not the Holy Spirit? ...

After that, an earthquake. When? By the time when the earth was crucifying the evening Message. There, the eclipse of April 24, 1993 rises. They are not earthquakes but an earthquake then darkness. As Joel 1:4 says it, all those who had not been seduced by the great wind should be seduced by the earthquake. If the evening Message is Jesus-Christ, the religious world must crucify It and that is what the branhamists do not want to accept. The Message that Luther had presented was crucified. But the Lutherans do not want to accept it. The One Wesley presented, was crucified. But the Methodists do not want to accept it. They only accept the crucifixion of Jesus in flesh that John the Baptist presented. You see?...

Then, after that earthquake, there was fire. Let's read that: "*... And after the earthquake, a fire: Jehovah was not in the fire*". This fire was to consume what the wind and the earthquake left. "*... that which the palmer-worm hath left hath the locust eaten; and that which the locust hath left hath the cankerworm eaten; and that which the cankerworm hath left hath the caterpillar eaten*". Joel 1:4. And Joel 2:25 said that it was God Himself who sent them. 2 Th.2:11-12 says it too. You see?

This third satanic assault rose also out of hell and came... The members of those churches are the bullocks slaughtered by the prophets of Baal. And Elijah could hear: "*fire!!! Fire!!! Fire!!!... I consume you with the fire! The fire of the holy-spirit!... I call fire down! Fire!!! Fire!!! Fire!!!*" And at the head of this demonic invasion, were the champions of faith. Some having spent three or four times forty days fasting, others having made seventy or even a hundred-day fasting, the Goliaths of this century. Giants of antiquity! Goliaths with feet of clay! You see? Seventy or a hundred-day fasting, these are penitences. You see? And from a distance, I could hear in the revelation: "*Hou-ha! Hou-ha! Hou-ha!*" And they beat the ground with their feet. You see? That was like animals!

Elijah was the prophet of fire. He had just caused fire to fall in 1 Kings 18:25-40 but he could not see himself involved in this movement of fire outside. Then Elijah saw that the cries resembled again those of the prophets of Baal that he had just slaughtered. Then God revealed him that at the time when his Spirit was going to minister, on earth, at the end of times, the spirits of the prophets of Baal that he slaughtered would come back on the earth... the Z Taneé Fomum, D. K. Olukoya [president of the ministry of the mountain of fire] passed, the churches of fire passed, the movements of fire passed, the missions and ministries of fire passed, crying aloud: "*the fire of the spirit of Baal! The fire of the holy-spirit! Fire! Fire! Fire! I call fire down! Fire!...* ". Brethren, where are they going? The Bible says that they are going to the place called in Hebrew Armagedon. [Ed: *the congregation says: Amen!*]. If you understand, say: Amen! [Ed: *the congregation says: Amen!*].

The Bible says that the four hundred and fifty prophets of Baal called fire upon the bullocks and prophesied that fire would come down. They no longer say: *the fire of Baal* but *the fire of the holy-spirit*. However they are the same spirits of Baal. The cries of torment of the prophets of Baal that Elijah slaughtered rise from hell up to us. When Elijah heard unceasingly and to the ages and ages... *"fire! I call fire down! Fire! Fire! Fire! The fire consumes you! Fire! ..."*. Elijah said in his heart: *"may your souls rest in peace!"* [Ed: *the congregation says: Amen!*]. They are not obliged to believe me but that is the pure truth. They are all marked with the spirit of Baal. Several people here have been delivered from evil spirits but have I once called fire down? The Lord drove demons out, delivered some madmen, raised some dead people but where have you seen that He called fire down? Even branhamists! Has William Branham once called fire down in his prayer? You see? When the fire of God came down in Genesis, it consumed Sodom and Gomorrah. When Elijah called fire down in 2 Kings 1, it consumed the fifties of king Ahaziah. In 1 Kings 18, it consumed Elijah's holocaust. You see?

This preaching is the pure revelation of Jesus-Christ. I keep on saying that a child of God has already got the seed of God in him. One day when he reads or listens to this Message, he will bless God and say: *"that is the truth! O! I could see that a bit! I was already wondering about these questions ... And when I started reading the Message, something like scales fell out of my mind!"* But when a child of the devil sees that, he will feel indignant, it is not for him! You see? He will go and give that to his pastor. Brethren! Take a child of God, bind his hands and feet and put him at the door of the hell, he will roll, go and fall in the paradise. Take a child of the devil, bind his hands and feet and put him at the door of the paradise and tell him that he is at the door of the paradise but he will turn to you and say: *"But where is the door of the hell?"*... because his depth is in hell! Several came here without being evangelised but through a page of this Message found somewhere. Quite simply! Because it was the Word that created them. Everything depends on what we are to start with... Wherever this Message arrives, there will be converts. God will do it according to Acts 13:48! As for the children of the devil, we do not have power to transform crabs into fish nor vultures into eagles. They are vultures gathered around stinking corpses, full of maggots. But we are the eagles gathered around the fresh flesh that the great Eagle of Rev.12:14 gave us. The children of God believe by faith for the revelation is accepted by faith but the children of the devil accept it after so many questions and reasonings, when their intelligence grasps it. [Ed: *the congregation says: Amen!*]. Like Jews, the children of God believe because the prophet has said it! [Ed: *the congregation says: Amen!*]...

The rapture is at the door. Have your eyes only on the North. God shall use miraculously men having a good knowledge of Islam and it will be the end. When you see the Islam shaken by this Power throughout the world, then it is the curtain of almost 2000 years of the dispensation of nations. As in Act.3, this great number of paralytics, lame, blind and infirm in front of mosques shall be healed and mosques shall become temples. That is the only thing the earth is expecting and the rapture will take place. Then those Roman soldiers shall say of me: *"Truly that Kacou Philip was a true prophet. He had told us these things!"* Matth.27:54. But the churches will continue with the same anointings of magic art as if nothing happened. They will keep on evangelising ...Brethren, like Paul, I have preached the revelation of Jesus-Christ. It is for these mysteries that I received that mysterious call in 1993. If somebody believes that I am so intelligent that I understand that, that's his problem ...

Then, we shall be the judges of those to whom we will have preached this Message. The great number of churches of before the Flood will come before Noah for the judgement. And the same way they were swallowed up in the Flood, thus will they go into hell. Those who cut Isaiah in pieces will be surprised at seeing that Isaiah is their judge. Those who burned Jan Huss and Wycliff while claiming themselves of Jesus will be surprised at having them as their judges. When the prophets and priests of Jeremiah 26:7-11 are asked to the bar, they will have opposite them the one they knew well on earth: Jeremiah, the cancer that tormented them. That will be gnashing of teeth...

Yet, when Moses returned after his ministry, the door was shut. But who shut the door? God Himself! It is not the messenger who shuts the door but God Himself! You see? When Noah entered into the arch, God granted a very small time of grace to humanity before shutting Himself the door. Gen.7:16 says: *"And Jehovah shut him in "*. You see? When Moses returned Home, God awaited a few days before shutting Moses and his group in. From Joshua, no one could enter with Moses. This is a particular revelation. All those who came after that, Moses told them to go to him that was selling oil after him, that is, Joshua. God has always had a man on earth with the keys of the Kingdom, a man in whom we must believe according to John 6:28 which says that the work and will of God, it is to believe in him that He sent. You see? One day, a branhamist told me that after Brother Branham's death, his son Joseph or Billy Paul performed the same miracles as his father. I asked him if that continued today, he said: "No!" You see? This branhamist and Joseph Branham himself do not know that it was the small time of grace granted by God... but when the door was shut, that stopped. And Joseph Branham himself cannot be saved in rapture unless he is in expectation of the midnight Cry, while keeping on working in his father's field until that true midnight Cry comes. [Ed: *the congregation says: Amen!*]... because Brother Branham is already shut in. And when Ewald Frank tells his experience of January 3, 1981 on the rapture, I agree with him when... he saw an incalculable crowd of people clad with white garment, in the prime of their young manhood and he was in the first row. But he does not say that he saw Brother Branham or Paul or Neville. that's right! You see? He only saw those who believe in him.

Then at the judgement, Paul came with his group. He presented himself and said: *"Lord, You called me in a vision and I have received from You what I preached... according to Galatians 1:11-12 "*. If God did not recognize Paul, everything was over for those who followed him. And many came up, Martin Luther... Calvin... John Wesley... and we see the Lutherans coming up. They said: *"We also believed in Luther, Thy holy servant!"* But Luther cried out: *"Me!! I never knew you!! Where did you see me? Which did year you believe?"* They said: *"In 1560"*. Luther said: *"In 1560, it is Calvin! Take them to Calvin"* [Amen! ] .

But Calvin said: "They said themselves lutherans when I was preaching" and Calvin sent them back to Luther who condemned them. In Luke 23:7 and 11, Pilate having learned that he was of Herod's jurisdiction, remitted him to Herod. What will happen at the judgment of the white throne? First the pharisees came and instead of Moses, they saw Jesus. They took fright and said: "We are disciples of Moses!" You see? And Jesus said: "In this case, take them to Moses". You see? Moses asked them: "Were you in the desert? When Korah and Dathan revolted, were you on my side? Do you know Aaron and Miriam?" They said: "No!" Moses was astonished and said: "You were then with me in Egypt but you only did not get out?" They said: "No. We've lived on the earth around year 30, year 40! But we were faithful to you!" Moses said: "year 30, there it is Jesus! But! Why do you say you're of me ... Go to Jesus!" [Ed: the congregation says amen]. They remembered that Jesus had told them in John 5:45: "Think not that I will accuse you to the Father: there is [one] who accuses you, Moses, on whom ye trust". ". [Ed: the congregation says: Amen!]. Wesley could say to the Lutherans who refused his Message: " Think not that I will accuse you to the Father: there is [one] who accuses you, Luther, on whom ye trust " [Ed: the congregation says: Amen!]. William Branham could say to the methodists: " Think not that I will accuse you to the Father: there is [one] who accuses you, Wesley, on whom ye trust ". [Ed: the congregation says: Amen!]. And I could say to the branhamists: " Think not that I will accuse you to the Father: there is [one] who accuses you, Branham, on whom ye trust " [Ed: the congregation says: Amen!]. You see? At the judgement, the branhamists who heard and rejected the midnight Cry came up and it was the same thing. That's prophetic! If you have lived in 2002, you are under the jurisdiction of Matth.25:6. Whether you are catholic, protestant, evangelical or branhamists, know that if it is God who has given me this Message...Like Isaiah and Jeremiah, the one who has been condemning you on earth since 2002 will be your judge before God. The pharisees dragging long parchments to the bar said:"We are of Moses... they would say today: We are of Jesus!" [Ed: the congregation laughs] And Moses condemned them according to John.5:45! When you have rejected the Message of your time, your fasts and prayers are abominations. Your tithes and offerings are abominations. Your zeal, your fruits of Galatians 5:22 are abominations and above of all, your Jesus is Satan.

Brethren, I can't wait to stand before these churches before God. Even if the humblest, holiest or most spiritual of them goes to the Heaven then God did not speak to me. As in the days of Noah, the God they pretend to worship will swallow all of them up. Them, their pastors, presidents, prophets of Baal and their large number of holy spirits...

[The congregation sings: *Until when Lord, will this Word be made flesh in me?* Like this one, the songs are adapted to the Message under the care of the singers]
