

## PREACHING N°51. EPISTLE TO THE BRIDE OF CHRIST

(Preached on Sunday April 24, 2005 morning and the next Sunday in Locodjro, Abidjan – Ivory Coast/www.matth25v6.org)

... On late March 26, two brethren among whom Jean-Marc, coming to see me, run into a group of five armed gangsters, sharing their booty. As those ones ordered them, they remained there until the end of the sharing and twenty thousand francs were given to them. The brethren wanted to give me that sum for the Church. That was a good idea and we are in need of money but it cannot be so; it's blood money. I advised them to give that to an extremely poor person or to the hospital for the care of poor people and that's what has been done.

Well, before starting and for the first time, I would like to say that: Bah Hermann, that baptist evangelist who came to this Message is no more a brother. On Sunday April 03, that was for the second time that he plotted with branhamists and attacked this Message before you. If you meet him, you can greet him but his admission again to this Message is no longer possible. And I see in his letter of repentance a trick after that bitter failure. Let him join with branhamists, they are of the same blood. And yet, in peace times, in 2002, a young Burkinabe man had prophesied to him in my presence that he would be Judas Iscariote at my sides. He got angry but is that not fulfilled today? Thus, let all those who fight this Message, even by living a sinful life, be like him and may God bless his people forever in this age and the age to come! [Amen!].

There are three reasons why I receive those who protest against the Message and my adversaries before all the assembly, even new souls. First, it is because I am against the two-face church. A group that is called *Elders* and that has some meetings apart from the whole assembly. I condemn this practice; it is neither prudence nor wisdom. All that touches the spiritual must take place before everyone. Our souls are equal before God. [Ed: *the congregation says, Amen!*]. Secondly, I do not believe that there can be somebody who will come to show that what I preach is wrong. Thirdly, I want to see the maturity of my assembly and if somebody believes in them and leaves me then he was not in the number of those that God gave me before the founding of the world. It is inevitable that there be storm so that our roots can get deeper [into the ground]. [Ed: *the congregation says, Amen!*]. Yes, God will bless his people but the fate of Achan shall be the fate of our adversaries...

Well, do you remember the experience I had and which is reported in the sermon on the baptism? [See preaching N°34]. It was found after a research in all the area by experts in hydraulics that it is in that place that a layer of water capable of supplying my village and the surrounding villages, including Sikensi has been found. And that is now made. Exactly, where I saw myself twenty meters above the ground, the great water point built by these experts right in every millimetre... Well, this morning I would like to talk about certain things concerning those who have already accepted this Message but I have three questions which I would like to answer first.

The first one is: *Brother Philip Can a man sent from God deviate in his ministry?* The answer is: No! Otherwise that calls the omniscience of God into question. All those who were sent ever since Moses up to this day, completed their ministry entirely. Before they came out on the scene, God had seen them completing the mission which had been assigned to them and Mat.25:15 says that God had chosen them according to their particular ability. I'm especially talking about the prophet-messenger.

The second question is: *Brother Philip, will the pope coming up be the antichrist?* No! How can you believe that a pope will come to exert an influence over the world whereas the Bible says that all might and influence were taken away from him and that his life was only prolonged? No pope can exert the smallest pressure over the smallest country on the earth. The active beast, it's rather the USA and the reason why God broke the USSR down to give might and authority to America is that America is the greatest ally of Israel and as long as this alliance remains, America will remain the supreme power that she is and her enemies will always bow their knees before her. She will be struck but will never be subjugated to another power. The civil power is in the hand of the president of the USA while the most subtle religious power is in the hand of the German pope that is, Ewald Frank, cousin of Benedict XVI And for blind branhamists, God has permitted that Benedict XVI, the pope of Rome should come out of Germany. The sermon on Daniel 11 showed expressly that a pope could come out of Germany so that blind branhamists might be helped. [Preaching on Daniel 11, N°39 in this book]. Which name has cardinal Joseph Ratzinger borne by the time when the public confession re-appears? *Pope Benedict XVI*, in memory of saint Benedict, the founder of the Benedictines' order and propagator of the auricular confession. It is him the first of those Benedicts and it was him who buried the public confession. The hell thought that by bringing his spirit back to the earth by the time of the midnight Cry he would be able to do something. You see? The hell has been disturbed.

Another thing I would like to stress in connection with this glorious revelation on Daniel 11, it is the photograph of Ewald Frank standing beside Joseph and Billy Paul Branham [circular Letter 56]. I have the photograph as well as that of pope John-Paul II, the roman pope who is in Europe with Billy Graham, who is called "*the protestant pope*" and who is in America. Yet an angel of God cannot pose on the same photograph with an angel of Satan. You see? Ewald Frank is the pope of the branhamist catholicism. All the other assemblies are her daughters, all the other assemblies are the branhamist protestantism whose head is in the USA with Joseph and Billy Paul Branham. Some other assemblies may not claim themselves of this protestantism but in the eyes of God, that's what they are. You say: "*Brother Philip is that true?*" Brethren, it's "*thus saith the Lord*", it is God who says it, it's the infallible Word of the prophet-messenger; on the same basis as a verse of the Bible that you carry, on the same basis as a word of Moses, Jeremiah, Ezekiel, Jesus, Paul and William Branham in whom you believe. Have I only once rectified what I have preached since 2002? [Ed: *the congregation says:"No!"*]. Why? ... I say what God tells me and you are right to believe it entirely. [Ed: *the congregation says:"Amen!!!"*].

Well, I was talking about... Israel! Well, at the same time, I say that the Palestinian terrorists alleviate God's wrath against Israel which remains the people of God and a source of blessing for the nations of the earth. Not churches but nations. Today,

Israel has no consideration for... not any slight respect for her past and her fathers. A Jew can't teach decency to an Arab, do you know it? Since 1948, coming back from their deportation, they returned with the gods, customs and traditions of the nations; like their fathers of former times. The Palestinian terrorists are instruments in the hands of God. This is why these Jews should not await any great glory from Elijah and Moses. And today, God sees Israel like Sodom and Gomorrah. And Elijah and Moses are coming like the two angels of Genesis 19 to take Lot, a type of the 144,000 out. Do you remember the interpretation of the two doves? That's it! Israel is not worthy but of some preaching of judgement like the midnight Cry.

Have you read Rev.11? Spiritually Sodom and Egypt, it is today's Jerusalem! O God, send Elijah and Moses now! In the eyes of God, today's Israel is in the image of Sodom and Gomorrah by the sins of sex, traffic... and in the image of Egypt, that is to say the capital, the centre of the spiritual prostitution as it was the case of Babylon and the Roman empire. As God caused His name to reside there and in memory of all He had done there and in memory of David, Asa, Josiah and others, He couldn't have stood that the Vatican might be in Jerusalem but spiritually that's what it is! It is the landmark of the gods of the earth. The holy place is no more and will no more be a physical place on the earth but a spiritual one, a Message like the temple of Solomon, Noah's Ark or the granary of Mat.13:24-30...

The third question is this: *Brother Philip, can there be an evening time assembly in the Truth?* If there is an evening time assembly in the truth, then we are not at midnight. The Bible says clearly that the virgins of the seventh watch also grew heavy and fell asleep. And there was the evening Light. The midnight Cry cannot come up if the evening Light is valid. In confirmation of this Message, Alexis Barilier asks all those who do not want to read Ewald Frank's brochures not to write any more to Switzerland to ask for William Branham's brochures [circular letter 56]. The beast has unveiled itself to the blind but we knew it quite before that by the sermon on Daniel 11. Rev.13:8 says that you cannot receive brochures from Switzerland unless you are in the same spirit as the beast, Ewald Frank. You see?

Well, let's take our Bibles in Mat.25:1 now... [Brother Philip reads Mat.25:1: *Then shall the kingdom of the heavens be made like to ten virgins that having taken their torches, went forth to meet the bridegroom.*] Well, the first point I would like to broach is prostitution. There are three forms of prostitutions. The normal form is when the woman rents a house and easily receives her customers, lovers or boyfriends or if it is a so-and-so who has rented the house for her and she receives him alone. Sometimes, she has a child from him and presents him as her husband but she is a first rank prostitute. It is like for what you can see in university residences. The greatest centres of prostitution are university residences. Yet, in the first case, everybody knows that she is a prostitute. Her sin is like him that lives out of loan with interest. She is an abomination in the eyes of men but she is not in the eyes of God. All the tribe of Judah descends from Tamar, a prostitute of this kind. There is also Rahab and these two prostitutes are great-grandmothers of King David. You see?

But the second form is an abomination in the eyes of God and it is when a girl, a boy or a woman has sexual relations being in the house of his/her parents or at his/her guardian's. Even if it is with only one man, she is a prostitute. In Genesis 38, nobody saw Tamar with a man, but when she got pregnant... here's what is written in verse 24: *"And it came to pass about three months after, that it was told Judah, saying, Tamar thy daughter-in-law has committed fornication, and behold, she is also with child by fornication. And Judah said, Bring her forth, that she may be burned."* [Ed: *committed fornication = prostituted herself*] You see? You say: *Brother Philip my parents know him...* That's very good! But if you have had sexual relations once, then you are prostitutes and the curse of God is upon you. You say: *Brother Philip, he's my... he's serious or she's serious [about our relationship].* That's very good! But if you have had sexual relations once, then you are prostitutes and the curse of God is upon you. You are the cause of all the curses of God upon the earth and you shall give an account of that one day before God. You say: *"Brother Philip, when he laid his hands upon me to pray, I didn't close my eyes!"* You are a prostitute! You say: *"Brother Philip, he had surprised me, so under his influence, I couldn't refuse".* You are a prostitute! ...

And it is sin which lies at the root of any engagement that does not end up with marriage. I am talking about long engagement. Some fiancés who remain together beyond 19 o'clock, do not but prepare the failure of their marriage. And he that after the baptism does not work violence upon himself before any sex desire does not want to be happy. Yet, we must know that he that wants to succeed in any way must absolutely overcome the temptations he will be confronted with. He that does not want any temptation will be the slave of his brothers. And doesn't nature itself teach that to us? At the creation, some plants approached God and said: *"O God! We do not want storms and violent winds and burning sun! ..."* Then God made them grasses. While others approached and said: *"As for us, O God! With your help we can face all those temptations! Make us the big trees of the earth!"* God told them: *"so, know that you will have storms in all your life, you will sometimes lose some branches, fruits and leaves but it is through that that your roots will get deeper [into the ground] and that you will be the big trees of the earth".* They answered and said: *"O God! With your help we can!"* And God made them cedars, sycamores and similar trees. And the earth was created. But after the creation, the grasses shouted out to God: *"O God, there is injustice on the earth, the big trees prevent us from receiving winter's soft sun and spring's soft rains; O God, judge them!"*. You see? You cannot pass from one school form to another without any test. And if you say: *"Oh! I do not want any test!"* you will grow old in preparatory classes. You see? This is a law of God, even having the Holy Spirit, you will be tempted by sex, lie, corruption as Paul says it in Rom.7, but you must resist! What does 1 Co.10:13 say: *"No temptation has taken you but such as is according to man's nature; and God is faithful, who will not suffer you to be tempted above what ye are able to bear..."* The Bible said in Matthew 4 that Jesus Himself overcame the various temptations then the angels came to minister to him. Mat.4:11 says that the devil left him then, and behold, angels came and ministered to him.

And after having heard this this morning, you will take heed if you are children of God. And if this prostitution led to a child, I have nothing against that child. S/he is innocent and is not supposed to behave like his/her mother. S/he can even be a child of

God. That's exact! But be careful not to give any gift and congratulate this prostitute so as not to have any portion in the wages of her prostitution. You see, even the fact of putting her up is a contribution from you to her prostitution but I do not mean that you have to drive them out.

Well, now I would like to specify that the interpretations which are given to "*fornication*" and "*licentiousness*" are false. These acts do not imply necessarily sexual acts. First, licentiousness, it is all that is away from modesty and decency, whether in word or clothing or sexual act. Whereas fornication, according to the Larousse dictionary, it is the fact of being infatuated with covetousness, luxury and immorality which can include corruption, prostitution, quarrels, and similar things. The dictionary calls it: *lust*. Let's see what the Larousse dictionary says again on... *licentious: lacking decency in act and word*. For example, the Bible does not name the front part of a man or woman, as well as certain things for decency reasons but the words exist in Hebrew: Deu.25:11, Gen.31:35... Thus, any sexual act out of wedlock is prostitution; adultery is the prostitution of a married person. For example in Mat.19:9, it is said: "*But I say unto you, that whosoever shall put away his wife, not for fornication, and shall marry another, commits adultery; ...*", and there are some pastors who think that the Lord means adultery, doesn't the word "*adultery*" exist since the Old Testament? You see? It's a false interpretation.

And a child born out of wedlock is a bastard child. Even if his father recognized him before he was born. It's a fruit of prostitution. His father did not pay the dowry of his mother. But the dispensation of the grace gives him the right to Salvation, thing which was not possible in the Old Testament. You see? "*A bastard shall not come into the congregation of Jehovah; even his tenth generation shall not come into the congregation of Jehovah.*"(Deuteronomy 23:2). But the dispensation of the grace gives him this right directly because the most abominable prostitution today is the spiritual prostitution. Henceforth, it by prostituting yourself with the gods of catholic, protestant, evangelical and branhamist churches that the way to the Heaven will be shut to you. Remember Exodus 23:24: "*thou shalt NOT bow down to their gods ...*" You shall not go up to their high places... because it is the highest form of prostitution. Judges 2:17 says: "... *for they went a whoring after other gods, and bowed themselves to them*". The first two forms of prostitution are in connection with the body while this one is in connection with the spirit.

However, brethren, I also let you know that masturbation is both spiritual and physical. You see? Masturbation is the defilement of the body from one part of this body touching the most intimate part which is the Word. Ewald Frank was the branhamists' masturbating arm. You see? ...

If a brother talks about politics, watch football or those comic scenes or movies on television.... If a brother lying with his wife, make her some *mouth-to-mouth*, putting his tongue in his wife's mouth and eating some spittle of... [Ed: *the congregation laughs*] It's an abomination! He is pagan. If a brother goes to wash with his wife in the shower, he is an effeminate man. Such people have nothing to do with the divine service. Their life will cancel the effort to sanctification of the others.

And when a man takes a girl that a man brought into the world and dishonours her, that is to say he lies with her, whether she wanted it or not, he is a thief and the Bible says that thieves will not go to Heaven. If a wandering chicken has a guardian, it is not a girl who will not have any. I cannot understand how such men repented and they are pastors in churches. The most honourable thing of a woman, it is her virginity. That is more precious than all the diplomas that school can give her. In the Old Testament, if you dishonour a woman, you are obliged to take her as your wife. And when there was marriage, the signs of virginity were given to the elders in testimony. And the day of the marriage, the bride can put on a white garment only if she is virgin. The white, it's purity and virginity. And the bridegroom would raise the veil out of his future wife's face, which means that he will be the first man to discover this woman. Yet, we can now see everywhere an already defiled woman in white dress, it's shameful for us who know what the white dress means. That's a deceit. A prostitute in white dress and even with a veil, it is the image of their church. You see? It's not right. And they are such women who knew many things, insolent and emancipated women, in homes, who want to preach. Instead of trying to educate their children so that those ones may be what they themselves failed to be, they want to preach. You see?

Well, when a woman is dishonoured in the house of her parents, she has defiled the earth and the house of her parents forever. So has the man or boy who did that ... Instead of being a blessing, they have been a curse for them and for herself and God has put a sign on her so that she might not live through the happiness that she would have had. No matter her beauty, the place that had been destined to her before the founding of the world will be another's. She will serve instead of being served. And prostitution lays at the root of all those curses if not God did not create man to suffer or remain alone while he wishes to get married. Up to twenty four years old, a woman is supposed to get married. And if it is not due to consecration to God, she is supposed to get married and it is a blessing. Otherwise she is not a blessing and should have no right to speak in the women's assembly except if she is virgin or a widow. A woman is not called to make her father's house her home. A woman shall not marry her father. You see, that's what the Spirit says and I am only pronouncing it. You my sisters, take that for the better. Do you want me to continue? ... [Ed: *the congregation says, Amen!*] . Very well, the blessing of a woman, it is first her home and her independence is not to go and rent a house or have financial and material means. And I pray that the Almighty God who has sent this Message will grant you His grace if you receive this for the better.

As for the age of marriage, if a brother wants to give his daughter in marriage at 14 years old, that would be a very good thing...

Now, let me say this for the couples: each animal species has only one manner of going together and it is the same for the human. But the manners differ. Here, one gives its back but there, they face each other and it is only this way. Nor a second or third [time] if both of them have once reached it. Nor everyday. And I say to you not to look at the nudity [Ed: *the genitals*] of him with whom you form only one flesh. This is why you say: "*oh! Brother Philip when I close my eyes to pray; I see in spirit*

*some images that disturb me* ". As regards with condoms, pills and family planning, I am against these things. There is no reason in the world why I have to advise them. I believe that you already know it. In the same way, a follower who goes with his own wife on Saturday night knowing that Sunday is the day of the worship, it's an iniquity...

You say: "*Oh, Brother Philip!!!*" Yes brethren, do not say: "*Oh, this word is hard who can hear it?*" But say rather: "*O God, help us!*" Moses said that, lying with the wife of one's neighbour was adultery but Jesus said: Whoever looks upon her and lust after her in his heart has already committed adultery with her. Today, you hear these things but the hour is coming [Ed: not *now* but *the hour is coming* ] when you are told that: lying with one's own wife already pregnant is a sin![... ]. You say: "*Brother Philip, Paul said...*" Yes, Paul said but now I say onto you... You see? Moses said but now I say onto you...

However, brethren and sisters, if you have had only one [sexual] intercourse, will you become virgin again? No, even in ten years that will not happen. And if king Ahasuerus wanted to count the virgins as in the days of Esther, you would not only be listed, but it would be a great humiliation for you. And you would realize the importance of virginity.

Now, if everything on this earth was to be lived again for you, will you live this same life again? Will you sell your virginity for nothing? And I tell you this morning that that, God made it possible spiritually through his Word according to Mat.25:6. Yet, Jesus-Christ wants a spiritual virgin. He had rejuvenated Sarah and had even given her a child but to us, he has made us virgin for the rapture. What will you do? ... Those who have the spiritual prostitution in their body will say: "*I have learnt that there is a vigil of prayer over there, there is a prophet who will come... O! I remember when I was in the evangelical churches, I used to listen to the cassettes of praise songs of... now, nothing ... I am even cut off christian films... what's this Message?*" Let's read Num.11:4-6: *And the mixed multitude that was among them lusted; and the children of Israel also wept again and said, Who will give us flesh to eat? We remember the fish that we ate in Egypt for nothing; the cucumbers, and the melons, and the leeks, and the onions, and the garlic; and now our soul is dried up: there is nothing at all but the manna before our eyes.*" And a little farther, they called the manna a miserable food. You see, a food which descended from Heaven, they call that miserable. They want theology instead of a prophetic revelation! And in the second vision of 1993, you saw this manna coming down from Heaven upon the clouds of Heaven, the angels' food carried by angels to humans. But they preferred the cucumbers, melons and leeks of Ewald Franck ... I wanted to say: Pharaoh. You see? And in Num.14:4, they said: "*And they said one to the other: Let us establish a head and turn over to Egypt*". They said: *let us set pastors over us and let us found branhamist and evangelical churches. See how we are cut off everything! We should only take what he says. And yet there are some people to whom God also speaks, who have great gifts, we are bored whereas in Egypt... whereas in the evangelical churches, we had christian films, religious cassettes, treaties which did not cost us anything, plays, some brethren would come to strengthen us and I prayed much...* You see? In verse 10, the Bible says that they talked about stoning Moses. They wanted Canaan like a Christmas present but, behold a severe wilderness here, fiery snakes there, the same manna here, the same Moses there... They said: *the land is flowing with milk and honey but... you see? The midnight Cry is true but we remember conventions, outing for relaxation to the beach with our evangelical church, we remember the circular letters of Ewald Frank which did not cost us anything. The football matches, fetes, games of invisibility...* And the Bible says that they wept. They wanted to shift Salvation for cucumbers and leeks. They do not want any manna, they want leeks. If Moses had not given great signs before Pharaoh, they would not get out of Egypt.

Brethren, how can one shift the Promised Land for cucumbers? You see? Brethren, they are useless things! And it's a type of the brochures, treaties and cassettes of those churches. You had eaten some so much that your body calls for it. You see? And I tell you that it was for those cucumbers, melons and leeks that we had exchanged our first virginity.

Brethren and sisters, what you will lose by being cut off everything? Do not seek new things, the Bible says that Esther took only what the chamberlain gave her because the chamberlain knows the will and the taste of the king. Do not give yourselves any assistance! If you lose this virginity again, this Message can no more return it to you. Never prostitute yourselves! However small this Message may be, it's what has suited God to give you. All had started with the lust after past things! See this: "*We remember the fish that we ate in Egypt for nothing; the cucumbers, and the melons, and the leeks,...*" But we prefer the manna with God rather than cucumbers with Pharaohs of churches.

And to end, I would like to say this in accordance with the grace that God has granted me to bring this Message, I tell you that the day when you cross the doorway of one of those churches, know that you will have lost your spiritual virginity. It is like a man who crosses the doorway of a prostitute. The day when you read that evangelical book or treaty, know that you have lost your virginity. The day when you are to listen to that cassette of evangelical praise songs, know that you will have lost your virginity. The day when you go to that branhamist or evangelical convention, know that you will have lost your virginity. The Bible says that they are harlots. You say: *Brother Philip, when I am alone, I grow bored!* Then you must know that the desert means also loneliness and isolation. And you know that, like the physical virginity, the spiritual virginity will not be restituted any more if you lose it again. Even if you must spend one year being on some journey, remain at home! If this Word has really touched us, let's get up and commit ourselves to defend this spiritual virginity which this Message has restituted to us. Amen! Let's sing this wonderful hymn: *I want to love the Lord Jesus!* ... [Ed: *Brother Philip preached on "the Epistle to the Shulamite" according to Songs of Songs* ].
