

N°56: YOU SHALL OVERCOME THE GRAVEN IMAGES OF GOLD COVERING

(Preached on Sunday October 22, 2006 in Adjamé, Abidjan – Ivory Coast/www.matth25v6.org)

... The Bible says that Jesus-Christ is the same yesterday, today and to the ages to come. God and the prophets, the Church and the world; history is not but repeating itself. Israel returns to God by the prophet and returns to worldliness under the eyes of priests, being themselves powerless before an infernal cycle, as old as the world. And on the other side, we can see the Church before the same fate, from father to son, from age to age... That is as old as the world... A generation comes with a new wave of seduction and God sends a prophet to reveal and overcome that seduction, and the prophet and the generation goes past; then in the long run, a new generation of men rises on earth and the same Satan comes back with a new system of seduction. Satan goes forth conquering and that he might conquer. And an angel goes out of the presence of God and comes against the attack of Satan. Exactly as we can see it in the seals. Amen! A horseman goes out of the presence of Satan, a living creature goes out of the presence of God! On one side the instrument on earth, they are priests, scribes, rabbis, pastors, pastoral schools, theological institutes, mission and ministry churches and on the other side, an angel goes out of the presence of God and uses only one man, a prophet and his Message is the weapon of God's children so as to overcome in their age, in that generation. And our generation came up with the Internet that William Branham did not know and did not mention only once. And you can see that when Satan came in the Internet, branhamists knew nothing about it and Satan seduced them so much so that, like David, they placed the Message of the evening time on that. But Mat.25:6 revealed that and in accordance with the grace I have received, I tell you that if William Branham were alive today, he would not do that. Never! ...

Well, let's take Gen.31 now, I wish to read verses 22 to 32 and then I will read or then a brother will read verses 16 to 20 of chapter 35... I read: *" And it was told Laban on the third day that Jacob had fled. And he took his brethren with him, and pursued after him seven days' journey, and overtook him on mount Gilead. And God came to Laban the Syrian in a dream by night, and said to him, Take care thou speak not to Jacob either good or bad. And Laban came up with Jacob;... And Laban said to Jacob, What hast thou done, that thou hast deceived me, and hast carried away my daughters as captives of war? Why didst thou flee away covertly, and steal away from me, and didst not tell me, that I might have conducted thee with mirth and with songs, with tambour and with harp; and hast not suffered me to kiss my sons and my daughters? Now thou hast acted foolishly. It would be in the power of my hand to do you hurt; but the God of your father spoke to me last night, saying, Take care that thou speak not to Jacob either good or bad. And now that thou must needs be gone, because thou greatly longedst after thy father's house, why hast thou stolen my gods? And Jacob answered and said to Laban,... With whomsoever thou findest thy gods, he shall not live. Before our brethren discern what is thine with me, and take it to thee. But Jacob did not know that Rachel had stolen them. "*

Very well... Gen.31... Now notice Rachel, this enchanting [woman], she that Jacob loved... Sin is propitious where it is man's love that expresses itself because the bases of that love will be fleshly. But there where God has united or that the father has given in marriage of his own authority, there will be less defilement. What people call *"forced marriage"* in Africa was a good morality, a gift of God and a good sense that only the Word of God should cancel. You see? Well, and the spirit of the forced marriage proposed Leah and man's passion, behind which the will of God hid this time, proposed the enchanting Rachel.

Up to this day, Rachel has remained a reference in Israel and even Rachel's tomb has remained a reference in Israel. She was buried before David and the kings at the place which would be little Bethlehem one day, whence the Messiah would come out. She is not the mother of all the Jews and yet thus is she considered and by the time of the massacres of children under Caesar Augustus the Bible could say in Mat.2:17-18: *" Then was fulfilled that which was spoken through Jeremias the prophet, saying, A voice has been heard in Rama, weeping, and great lamentation: Rachel weeping for her children, and would not be comforted, because they are not."* But the mystery is that it is out of this union apparently based on man's passion that Joseph will come, the saviour of Israel as also out of Bathsheba, the woman took away from Urijah, Solomon, the right hand David, will come. It is thus the living Church. And Leah is this Church who went forth after the seven prophetic times and Rachel is the continuation out of which Joseph, the male son before the pains of childbearing is to come. Of Rachel comes out he that was beaten and killed by his brothers. You see? Joseph is Jesus-Christ and the male son and Joseph was sold as Judas was going to sell Jesus to the Egyptians of his time. While Joseph was in prison, in Gen.40, the chief of the cup-bearers on Joseph's right was saved and the chief of the bakers on his left was killed as on the cross, the robber on Jesus' right was saved and he that was on his left was condemned. Always on the right! You see? As in Luke 1:11, Gabriel appeared to Zacharias on the right side of the altar. And in the vision of April 24, 1993, the great crowd came from the right side. Amen!

Well, I would like to read Gen.31:22 to 32 again ... we can see here that, the Message of Jacob was preached, Leah and Rachel who were in fact the living Church, went forth. This church loved the God of Jacob more than her kindred and her homeland and she went out of there! You see? Jacob came from far away to seek this Church... You see? Rachel found that the Message was true, she left her kindred, she left her church, her acquaintances, her passions but these gods, she could not get rid of them. She came with that in the desert of Rev.12:14 and died on the way but out of her came Joseph, this male son. And notice that the foolish virgins, the other part, could not really triumph over these gods who were first and also television and the Internet. And that is what happened in Gen.31.

You say: *"Brother Philip how could Rachel hide television or the Internet in her stuff?"* Be patient, I have learnt that there are mobile phones equipped with television. You see? It is question of television and the Internet! These are the two things that

influenced that living Church over there and that will influence her here. In the presence of Joshua, that great prophet, it was not a false prophet or false doctrine but television and the Internet that influenced that Church.

Now, I would like to say that before 2002, I had bought a new television set at a Lebanese shop. We would only watch the news and magazines with some reports and documentaries. We never watched a movie. I never allowed that. And in 2002, when I started to preach this Message, one evening just before dark, a strong thought struck my mind like a word: "that thing, remove it from here!" Then, a battle started. I said: I will give it to a repairman to resell it for me at such a price. And I said: no! At any price! And minute after minute, I could feel that pressure and I said: If I do so, I will give an easy opportunity to somebody to sin. And the Bible says: you shall love your neighbour as yourself. I saw that the pressure multiplied and I said: O God! I will do it when everyone is sleeping. But the pressure so strong that I set to open it and cut out all that was therein so that nobody could recover it in the dustbin. And I lifted it up with all my strength and I went to throw it into the dustbin. And I felt relieved and a great peace was in my heart over several days. You see? After having won the fight of the mind, brother Coulibaly had the idea to set fire on his much to the surprise of his neighbours; and several brethren did so. May God bless you!

You see? The Bible shows in Exo.23:20-24 that the angel of April 24, 1993 is walking with us...

"Here Behold, I send an Angel before thee, to keep thee in the way, and to bring thee to the place that I have prepared. Be careful in his presence, and hearken unto his voice: do not provoke him, for he will not forgive your transgressions; for my name is in him. But if thou shalt diligently hearken unto his voice, and do all that I shall say, then I will be an enemy to thine enemies, and an adversary to thine adversaries. For mine Angel shall go before thee, and bring thee in unto the Amorites and the Hittites and the Perizzites and the Canaanites, the Hivites and the Jebusites; and I will cut them off. Thou shalt not bow down to their gods ..." You see? And whoever watches that bad thing bows down to the gods of the nations. O God! Send us the Spirit of Josiah, Asa and Jehu to purify your people of these graven images of gold covering! Isaiah 30:21-22 says... I am going to read that: ... *"And when ye turn to the right hand or when ye turn to the left, thine ears shall hear a word behind thee, saying, This is the way, walk ye in it."* Not a way but THE way. Which way? That of Isaiah 35:8! Well, I keep on ... *"And ye shall defile the silver covering of your graven images, and the gold overlaying of your molten images; thou shalt cast them away as a menstruous cloth: Out! shalt thou say unto it."* Brethren, throw them out! Throw television out! Throw the Internet out! If your computer is not for work then throw it out! You say: *"I'm going to watch a film on Brother Philip preaching ..."*. Then throw it out! You say: *"I'm going to watch a documentary on..."*. Then throw it out! If it is not for work or to read or listen to a preaching, then throw it out! Do not take it into your bedroom but throw it out! Do not say: *"All depends on the use that one makes of it!"* Throw it out! Because, as the serpent was in the garden of Eden, in Genesis, television and the Internet are coming back today as the tree of the knowledge of good and evil in this new Eden of Satan. Put television in a village and you will see the behaviour and mentalities changing in almost no time!

God wants to bless us. God wants to multiply our blessings but not to buy graven images of gold covering that we will erect in our houses. We do not want for this world, that's why the millennium has been prepared for us.

Now let's take Joshua 24; See God's wisdom! If Joshua told Jews directly to get rid of the graven images of those gods, they were going to tell him: "Why don't you also talk about radio and newspapers?" but Joshua said: You cannot follow Jehovah! It was the last and the greatest piece of advice that he left to his people before dying and it was there, in Joshua 24, that I saw the prophet Joshua using the *"Thus saith the Lord"*. He fought wars, he took possession of Canaan, he stopped the sun, but it is there in Joshua 24 that he uses the *"Thus saith the Lord"*. It is here question of Israel, of the holiest people on the earth. The people that walk with God by the prophet. The people that was born under the direction of Moses, the Pillar of fire and the Pillar of cloud. People to whom Moses had said in Deu.7 that if he had one of those graven images, he would blow it with his shotgun. Amen! I believe that it is in the brochure: *God's power to transform* ref.169 and 242, he said: *"We do not have any television set. There will be none in my house, never... God told me not to do it"*. In the same brochure, he said: *"I never intend to have one [television] in my house. No, sir. I do not want that in my house. I would blow it my shotgun. I don't want nothing to have to do with that evil thing. No, sir"*. But in spite of that, those gods never left the branhamist homes! They keep silent over that! This is why despite all their advantages, they do not understand the midnight Cry. It is God who does not allow them to understand according to Daniel 12:10. You see? And why doesn't man want to obey? Because that comes from God! If the devil had told him to walk barefoot or spend three days of dry fasting or forty days or even fifty days of fasting, he would have done it, committing their bodies to useless sufferings. And in that, they are the rich ones who suffer from it. David could tell God not to give him much riches which would take him away from Him like that rich young man in Mark 10. You see? A poor worries about his daily bread. If he has too much, it is just a radio, like me, to listen to the news. I listen to the news every day on radio as soon as I can... The rebellious one will say like Cain: "Why doesn't he prohibit radio too?" But know that I have said what I have received! I did not see any radio in the revelation but make good use of it! Have your CD players and others and be simply obedient to the heavenly vision. And may the Lord bless you in this age and the age to come. Amen!

Now when we see Israel and Joshua and Moses' rigorous law, what gods can be amongst them apart from television and the Internet? The devil will tell you that they are jewels and other but reject that! Amen! Reject that! They are the same gods today! When you see the Jewish people, what is thus that so strong god before whom Joshua will acknowledge the limits and weaknesses and impossibility of Israel to follow Jehovah? They are television and the Internet! They are the same gods today, and they are these same graven images of gods that make that today that you cannot follow Jesus-Christ, the midnight Cry, the Message promised for this generation! You see? At the end of each age, it is written: *"To him that overcomes..."* Overcoming

what? Overcoming the gods of his time! The reward of God in this age is to those ones! And they are the winners of the age who inherit the Kingdom.

What are the gods of the nations today? What are the graven images of gold covering to which the whole earth bows down? They are television and the Internet! What are the pagans' gods today? They are television and the Internet! What are the gods of politicians, football players, musicians? ... They are television and the Internet! What are the gods of catholics, protestants, evangelicals today? They are television and the Internet! What are the branhamists' gods? They are television and the Internet! What are the gods whose graven images are in our hands, in our houses and even in our hearts? They are television and the Internet! And when the devil removes this revealed hiding-place towards telephones... the temptation will lie down at your doorways but dominate over it. O God! May the only Church that is not on the Internet be that of the midnight Cry! [Ed: *the congregation says, Amen!*] . May the Only Message that is not on the Internet be that of the midnight Cry! [Ed: *the congregation says: Amen!*] .

What are television and Internet? They are the graven images of the gods of the nations, it's the depth of Satan! In the same way that the earth is the centre of execution of our galaxy as God showed it in the preaching: *the seven dimensions*, thus are television and the Internet the centres of execution of the fifth dimension, the abyss, the purgatory place and all the depth of Satan. What is this? Television and the Internet are the mouth of Satan and the order of the fallen angels. By getting rid of those graven images of gold covering, get rid of it all! And we are obliged to do it because we are in the world but we are not of the world. We know that all that is bad comes from hell through television and the Internet. When you see those evil hairstyles, men with earrings, mini-skirts, women in trousers, women with eccentric clothes, some... all that, the channel, they are television and the Internet.

A man who has a television set home, Paul said not to have communion with such a brother, he is a false brother, you shall look upon him as a pagan. The difference between the foolish virgins and the wise virgins is in the application of the Word. You see? At the time when some not feeling the blessing of the Spirit go to throw their television set, just for them to get purified of all those demons of television to receive the Spirit, the rapture will have taken place. You see? At the time when he tries to be radical so as to no longer have any portion with a catholic, protestant, evangelical or branhamist... the rapture will have taken place or then death will have overtaken him. Brethren, do not play with the Word! At a certain moment, the foolish will recognize themselves by their own remarks; they will see that they are those things that cause them to be powerless. And they will not be able to carry out [the Word] and have the blessing on the same day as the wise! And I said that a wise virgin in Branham's days did not have any television set in his house. All the remainder, it is the woman of mixed race, the prostitute of mixed race in the military cargo truck of April 24, 1993.

And I could see God's people in spirit walking in the desert and several at the back, bent under the weight of large televisions on their head. Where are they going? To the paradise! They think about what can be a paradise without any television. As soon as the Word of God has come forth as a commandment against that, if you die with that, your place is in hell for you have been an instrument of Satan to trouble the people of God. You joined your voice of prostitution, adultery and rebellion to the prayer and praise song of the saints.

God let Rachel out of her fatherland with her gods. And God's grace and power were with them in spite of those gods' presence in the camp. But God did not allow Rachel to reach the end with her gods. You see? Let's read that in Gen.35: 16 to 20 *"And they journeyed from Bethel. And there was yet a certain distance to come to Ephrath, when Rachel travailed in childbirth; and it went hard with her in her childbearing. And it came to pass when it went hard with her in her childbearing, that the midwife said to her, Fear not; for this also is a son for thee. And it came to pass as her soul was departing--for she died--that she called his name Benoni; but his father called him Benjamin.. And Rachel died, and was buried on the way to Ephrath, which is Bethlehem. And Jacob erected a pillar upon her grave: that is the pillar of Rachel's grave to this day."* Rachel remained on the way because of those gods but she reached the Promised Land and the city of the redemption; she reached Bethlehem. Likewise, God let Israel out of Egypt with the gods of the nations and this is why they fell on the way, in the desert. Likewise, in the evening time, the same God of Rachel and Israel let our fathers out of Egypt with all those gods whose graven images of gold covering are television. And now, as in Joshua 24, at the end of this Message, more than a mere *"thus saith the Lord"* comes out to say: *"With whomsoever thou findest thy gods, he shall not live!"*. You see? Jacob could not conceive that after so powerful a Message and some people who loved him more than their father, their mother, their brothers, their sisters and their fatherland and who loved his God could have television and the Internet in their homes, those graven images of gold covering, those gods of the nations! And he did not hesitate only one moment to say: *"With whomsoever thou findest thy gods, he shall not live "*. And I cannot conceive that somebody who has believed in the midnight Cry and who has left his fatherland to go towards the millennium can have television and the Internet, those graven images of gold covering in his house. Such a person will perish on the way for television and the Internet cannot enter into the millennium. And he that hath ears to hear let him hear.
