

## PREACHING No.68: THE NEW ORDER

(Preached on Sunday, January 13, 2008 morning in Adjamé, Abidjan - Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

Like every Sunday morning, I have some notes here, four in total. At first, I have just met for the second time the preacher Pacôme who is well-known to the Sorbonne of Abidjan-Plateau. For twenty three years, he has preached and baptised Ivorians of any side but many of all those whom he baptised are here, in the midnight Cry. Ancient Germain, Leba, Joël, Coulibaly, Okobé Richmond, Wawa Sylvain who was his singer, Bénié Laurent, Mahan Patrice, Blé M oise, Dayoro etc. not counting the women. Brother Goupi Noël was his reader during his field-preachings. This Pacôme has not yet understood that it was the Almighty God who had left the Jews under Pharaoh's domination who sent Moses. The first time, he came against me with a politician but this time, he came with limoudims [*Ed: limoudims: an ivorian branhamist branch or trend*] and one of them is sitting here this morning. I believe with all my heart that I have no adversary. No matter the experiences, the colour, the social rank, the popularity, the wealth, the knowledge and influence of an adversary, he will be short of words before me because of the Angel of April 24, 1993. And he will become little like Pacôme, this old branhamist Pharaoh [*Ed: the congregation says: Amen!*]. He has so seduced, blinded, slaughtered and sent souls into hell that his hell also, has already started on the earth! As if struck by an angel, he is losing pitifully the use of his two legs. He is finished! And that is the salary of more than twenty years of witchcraft slaughtering souls seduced by his recitations of verses in this Ebrié lagoon which he had transformed into Torrent Cedron. All those who were seduced by his recitations of verses, he led them to a so-called baptism to slaughter them in the Torrent Cedron.

The second point, it is about myself. I wish that nobody puts a photo of me on the screen of his computer or his mobile phone. And let some songs such as: "*I love, I love the man of ...*" be deleted ...

The third point is a gratitude to God for the restitution of the bride, making I forget a lot of things. For, in Ex. 5, when Zipporah cast the foreskin before Moses saying: "*bloody husband indeed art thou to me*", this had to be seen as a behaviour. One could be say to me for example: "*when it is I, you complain! But when it is Prisca or Cécile, you cannot complain because you know that if you do that, you will have no more 500, 500 francs!*". One could behave badly and throw at me: "*if you mention my behaviour in the pulpit, I will reply before the congregation*". Laughing when hearing "*God of Brother Philip*" or that her husband is a prophet. And it is this behavior that had to be seen behind these words of Zipporah. And that in the very course of my ministry. But may my servant, the Ethiopian, be blessed! May she be a subject of blessing and that her adversaries be God's! I say it for a gratitude to God certainly but also to tell my brethren to trust God and to bear everything like me because of the Word. If it pleases a sister to be rebellious to her husband, let her be rebellious!

And finally, the last point, there are also the preachers E. Kadio, Okobé Richmond, Bitty and Aman Martin to whom I gave mandate outside of their positions as ministers in the Message that has been entrusted to me in order that they pay visits to the assemblies and solve assemblies problems. They will depose or position pastors according to their will, as they please. Somewhere else, even with branhamists, the pastor holds an insignificant position on administrative papers but in the field, he is a pharaoh. In the midnight Cry, it will not be so at all. Any form of kingship and colonisation is banished at midnight. At least two of them will be sent for themselves and on their behalf for any similar task. And it has been decided that the missionary offerings should be given to them directly. Also, for my meetings or to prepare my meetings, I gave mandate to brethren Benié Laurent, B. Darius and Zadi Robert who believed the Evening message from 1974.

Well, God bless you! The subject of this morning is: "*the new order*"! I would like to read Matth.25:6 then a passage in the preaching: "*God is visiting Africa*". [*Ed: Bro. Philip reads Matth.25:6 and the passage: "recently again, I saw in a dream that I was setting things and above me, approximately three meters above the ground, was that cloud and that cloud was influencing me into setting things in a certain way and it was my spirit that was in the cloud. My body did not obey the will of the cloud as my arm obeys me but as a slave would obey his master"*]. Extracted from the preaching: "*God is visiting Africa*".

Well, in the beginning was God existing by Himself and God wanted a new order to be. He created therefore the different classes of angels and there was a new order. After that, God wanted another order to be, then another order, then another one, then another one until He created heavens and the earth and the waters and the trees and the dimensions and man. And there was a new order. And in the plan of salvation also, this work continued on the earth. When a new generation rose on the earth, a new order of things had to be expected, with a new vision and even a new definition of sin and God's will. [*Ed: The congregation says: Amen!*]. Abraham could marry his own sister but Moses could not. Jesus could say Moses said that to you but I say this to you. Hezekiah, servant of God, could break to pieces the snake of brass that Moses, servant of God, had made. So that the salvation may not be based on a religion or on an already-established order but on God's revelation by a prophet in every generation. You see? When Jesus said: *every one who looks upon a woman to lust after her has already committed adultery with her in his heart*, a child of the devil could say: "*where is it written in the rolls?*". But a child of God knows that Jesus Christ was sent on the earth as the chief of a new order. You see? What you must know, it is that any authentic prophetic ministry ends an order and introduces a new order on the earth so that even all the synagogues, priesthoods, doctrines and all the ministries of Eph.4:11 which were on the earth become worthless, expecting what that prophet is going to say. Any apostle, prophet, evangelist or doctor who is on the earth at the arrival of this prophet-messenger, whether he is from God or not, he

becomes worthless and does not exist but in name until this prophet-messenger recognizes him and consecrates him anew. But if they do not join the new order, they are dead, walking now as enemies of God. You see? They can be in God's perfect will like Apollos and his disciples but if they do not recognize that Paul is sent on the earth as the chief of a new order to which all of them have to come then they are dead in God's eyes. They deserve to be wiped out of the earth! [Ed: *The congregation says: Amen!*].

In principle after the ministry of a prophet, God had to destroy all those who did not believe in him as in the time of Noah. If the world had to continue, without a last judgment or hell to come, that is what God would do. After the ministry of a prophet, God destroys all those who did not believe in him. After Noah's ministry, all the catholic, protestant, evangelical churches and of Enoch were destroyed. [Ed: *The congregation says: Amen!*]. Drunkards, prostitutes, nightclubs managers and Tommy Osborn struggled in the same rotten waters of gutters. [Ed: *The congregation says: Amen!*]. Others were praising and worshipping in Jesus of Nazareth when the flood invaded them. Others were in full unction or evangelisation! Others were in their fortieth day fasting and praying! You see? And this is how things should occur when a prophet completes his mission! Do you remember Sodom and Gomorrah? While Lot and his group were getting out, fire was falling on great politicians and religious people of Sodom and Gomorrah. [Ed: *The congregation says: Amen!*]. And if it does not occur physically any longer, know that it occurs spiritually. An extension of life is granted to their body but spiritually, they are dead. [Ed: *The congregation says: Amen!*]. When Moses went out of Egypt, whoever went out with him, whether he was Egyptian by birth or not, was a Jew and alive before God. Outside that, everybody including Pharaoh and his army and all the inhabitants of the earth who were not in the same spirit as Moses were sons and daughters of the devil or were in the skin of sons and daughters of the devil. [Ed: *The congregation says: Amen!*]. This is what happens spiritually whenever a prophet of God leaves the earth, giving rise to a new order. Amen! You see? When Moses began his ministry, it was a new order that was taking place on earth. It was Judaism and it was in this order that people had to seek the true God. [Ed: *The congregation says: Amen!*]. When Isaiah began his ministry, it was a new order and it was only in this order that people had to seek the true God. If the Message of John the Baptist was written, it would not even equal that of Habakkuk's but God had sent him on the earth as the chief of a new order and whoever was of God had to come to him. It was he who was the way of the eternal life.

And if I am a child of God, I will prefer to listen to and to believe the tough, insulting, complex and ambiguous revelations of a prophet that I do not understand compared to the clear demonstrations of an apostle, a doctor or an evangelist that I understand. Because God's word does not come to a priest but to a prophet. I am not concerned with the revelation of a priest! [Ed: *The congregation says: Amen!*]. Hosea 12:14 and 2 Chr.20:20 do not tell me to trust a priest. Eph.4:11 is the order of the priesthood of the new covenant. And any true doctor, prophet, evangelist or priest must enlighten the people on what the prophet-messenger of his time said. [Ed: *The congregation says: Amen!*]. And you cannot be born anew but from the baptism and from the Spirit of this prophet-messenger for Rev.22:6 says that He is the God of the spirits of the prophets. Outside that, any other new birth has no sense! We cannot talk of "to be born of water" if there is no prophet-messenger sent on earth with a water baptism! And it is through the reception of the Spirit of the Message that you can understand and carry out what the Message has said. You see? That is simple! And if you are a child of God, you must never be born of a catholic, protestant, evangelical or branhamist baptism or holy spirit. You must not be born of a creed or of a ghost message; no matter how true it is. All that do not come from a prophet-messenger is a passport to hell. Then if somebody announces you something true, ask him: through which prophet-messenger did God reveal it? If he does not succeed in mentioning a name, no matter how much what he says is true, it is the devil. [Ed: *The congregation says: Amen!*]. The new birth is not a feeling or a sensation or even a change of life but at first it consists in being born of the water baptism of a prophet and of the Spirit of the Message that God gave to this prophet. You see? You are simply born in the new order established by God on earth through this prophet. And a prophet always comes with a baptism and a Message preceded by a call and a commission. [Ed: *The congregation says: Amen!*]. The prophet-messenger is the light of the world and nobody can be saved unless by him. When William Branham was preaching, it was a new order and it was only in that order that people had to seek God. And today, when the midnight Cry sounds, it is there that people must seek the God of William Branham. Thousands of thousands of pharisees, sadducees, zealots, hellenists, herodians, essenes were hustling in their synagogues but it was the fifth dimension, the region of nightmares and their joy is similar to the joy and laughter of a madman! They were graftings of graftings intended for fire! Each prophet of the Old Testament announced a new order until Christianity took place, which was itself a new order in lieu of Judaism. And when John the Baptist came, it was a new order and whoever was of God, even the Lord Jesus, had to come to him. And it is said that many from among the rulers of the pharisees and sadducees came to his baptism. You see? Everything depends on your seed! They all had to come to John. If you are a chosen one, something in you, will attract you to him. [Ed: *The congregation says: Amen!*]. It is a thing established by God Himself before the founding of the world. You see? Pharisees and sadducees were serene but God recognized only the order that He had established through John the Baptist. Even when Paul entered the scene, he re-baptised the John's followers of because at that time, Paul was the chief of a new order and we enter it through baptism.

I did all this survey to say that Matthew 25:6 is the new order all over the earth. And it will happen that in a five or ten years time, pastors and prophets will disappear in great number and many of those whom you see on posters today will try to convert into traders or to find job in companies. They will look for job but the Message will become extremely large until the very ends of the earth. [Ed: *The congregation says: Amen!*]. It will happen that whoever does

not confess the midnight Cry will be ashamed at displaying his faith because the Message says that outside the midnight Cry, they are worshippers of Satan. Even churches will rise with Darby version and some doctrines of the midnight Cry such as public confession because it is the new order. And the devil knows that we can survive only through the new order; that is why he is always converting his paganism until now! And you saw, in the Christian era, the Christianisation of all the Roman paganism! Be thus watchful and he that hath ears to hear let him hear!
