

## PREACHING N°76: ON 1 KINGS 10:13

(Preached on Sunday June 15, 2008 morning in Anyama near Abidjan – Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

Here, we generally have two services per week; some other assemblies have three. Then, I wish that from henceforth at the evening services or at the one of the evening services for those who have two, a preaching according to choice of the preacher may be read and commented on as he reads it.

Somebody who read or listened to preaching "*We have seen his star!*" said: Brother Philip, the scribes permitted all the same to the magi to know that the King of the Jews was to be born in Bethlehem! I said: No, brother! The magi did not need it! That was just good for Herod and the Jews. The scribes, in spite of this verse, could not know which one of all the children who were born over those two years was the Christ! And no verse could show the house but the star did! The Bible says: "*And they having heard the king went their way; and lo, the star, which they had seen in the east, went before them until it came and stood over the place where the little child was.*" You see? Only the star could do that! And any person, even illiterate, could leave the East up to find the Messiah without addressing anybody or using any book! If you are a chosen one and if you live a good life, you will see that Salvation is the easiest thing to be! You see? The most important thing, it was to find the star! And following the star blindly, it isn't veneration... What was the absolute of the Jews and president Herod, a great-grandson of Ahab? Verses 3 and 4 say this: "*But Herod the king having heard of it, was troubled, and all Jerusalem with him; and, assembling all the chief priests and scribes of the people, he inquired of them where the Christ should be born.*" You see? His absolute is the chief priests and scribes. And the absolute of the chief priests were some rough old scrolls!

Another person wrote to me saying that a certain Marcus Garvey would have said in a church of Kingston in Jamaica: "*Look towards Africa, where a black king is to be crowned*". He also told me: "*When I hear you, dear prophet, I can see the thing that will be seen from all the corners of the world coming in a simple manner not only from Ethiopia but from all Africa! Something greater and holier than Hailey Silesia!*" Brethren, all that is very good! But it is not question of seeing here an African prophet or a pride for Africa but looking for one's Salvation! I am not and I will never be a panafricanist! And the midnight Cry is not a manifesto against the organisations and systems of the earth but the revelation of God for whoever believes it to be saved!

Well, last Sunday, I called for a meeting with all the pastors and preachers! I called them to announce them a piece of news! That is what I want to let you know this morning! And it will belong to each one of you to discern whether what I am going to tell you is in conformity with the Scriptures or not! I will perhaps be able to better explain it within three months or more but for the time being I do know what to say because I acted in accordance with the revelation that I received! It is another gust of wind, another test for some of you!

I want to read a passage in 1 Kings 10:13 first... I read: "*And king Solomon gave to the queen of Sheba all her desire, whatever she asked, besides what he gave her of the bounty of king Solomon. And she turned and went to her own land, she and her servants.*"

Well, may God bless you! This morning, I want to talk about the Ethiopian for the last time for I can say this morning that spiritually the Ethiopian of Moses or Solomon is definitively gone! And the fact that she is gone does not justify Aaron and Miriam who spoke against Moses in Num 12. [Ed: *the congregation says, Amen*].

And now, I want to remain alone; with no wife! I am not speaking to those who said in the vision: "*We have not seen the Angel and the Lamb and we have not heard the words the Lamb pronounced, but we entirely believe It ...*" For whatever happens, the elect will always look upon the vision. When I finished explaining that on Sunday, they all said: "*Amen!*". But after that, a brother said: "*Brother Philip, you did not need to say all that! But you should simply say that, from now on I am no longer married and all would say, Amen!*". You see? If it is another gust of wind, a test, I do not know. But as long as the walk continues, as in the desert, there will be tests again and again! It is even God's presence that produces that as in the age of the lamb when millions of Christians, with songs of triumph, fell under the Roman sword before the Almighty God! You see? As long as we advance in this walk, there will be harder and harder tests, wars, thunders, swirls and gusts of wind against us and our tents in this desert of Rev 12:14 so that those who were not in the vision of April 24 1993 may fall, even if their bodies remain here by hypocrisy. Dry trees and green trees standing together, receiving the same rains!

The two types of virgins receive the preaching of the prophet but only the prudent ones receive the preaching of the prophet's life which is a mystery on the back of his Message. A prophet can announce Christ, speak on behalf of Christ or manifest Christ. Joseph manifested Christ and the Bible says that Joseph was thirty years old when he stood before the Pharaoh and all the kingship was given to him! And like the Lord, Joseph was sold and in the prison cell, he had on his left the chief of the bakers who got killed and on his right, the chief of the cup-bearers who got saved.

But brethren, know that when the lightning goes forth from the east with the branhamist Church and touches Africa, it cannot find but that one, that is what it can find! And it is in this spiritual sense that the Lord Jesus calls her "*the queen of the South*" that is to say the beginning of the Church of Africa having Christ's imprints all the same. And after her, another prophet-messenger cannot rise on earth with a wife who is not physically virgin like him. You see? It is not the work of the lightning but that is what the lightning needs to purify, make white and refine and present without any spot nor wrinkle at the rapture! Thus, Churches will rise and rise and rise again but spiritually it is always this same Church of Africa. And I explained all that in details in the Message for the Church of the nations! It is the very first dispensation for Africa and she could not call but this type. There will be types and types until they appear at the cock-crow, not like this one but like a pure virgin, without any spot nor wrinkle but spiritually it was this one!

Therefore, she will appear and reappear again and again under various forms and appearances up to the perfection, at that step of the cock-crow! Israel in its first aspect, having gone forth from the Egyptian divination, could not inherit the promised land! Physically, a generation fell and another generation rose but spiritually, it was the same Israel through Dan.12:8-10.

Our sister is thus gone but two days later, I proposed her to be my maid as she had wished it on July 8, 2007. And she joyfully accepted it and she has come back to my house as a maid! When you are used to the care of a woman, it is difficult to live alone, with no maid at least! And it is even more wonderful when it is this same woman that you know well! You remember that even before she became my wife, it had been told to me on one Wednesday evening: "*Sarah shall be your maid*" and you all know it. And it is still the greatness of the person that made that she agreed to be a maid without her face displaying sadness at all. A great person who has a good spirit knows to humble herself!

She is a brave sister who is always a blessing for us. And being my maid, I believe that she is always a blessing for you and I! But, I can no longer come near her! And even now, I am ready to recognize the same qualities and virtues to her! And nobody must speak evil or good things about her! I am happy that she agreed to come back and be my maid! And the two great visions which fulfilment is still running are like the pure gold of the queen of Sheba to Solomon and with that pure gold and what she brought, Solomon did works for the house of Jehovah. As she is no more my wife, she must always remain a respected sister and if it ever happens that she is far away, keep good ties with her! I say that because she has the right to get married again if she wants and all that in conformity with the revelation I received.

As for things related to me, I said it all to her without hiding anything so that the Scriptures might be fulfilled. 1 Kings 10:13 says that king Solomon gave to the queen of Sheba all her desire, whatever she asked, besides what he gave her of the bounty of king and she turned and went to own land! That is why I have said you shall keep good ties with her because all I said about her is still running! The praise and blessing she had, that is what Moses and Solomon had granted to their Ethiopians that they took as their wives! And as Africans, how many Europeans passing here didn't we raise to the rank of a queen, king or traditional chief with all the African clothes and ornaments? You see? And if I were asked: What happened for things to turn suddenly this way? I would say: But would it be much more normal if things had not turned this way? Should I be astonished or scandalized because the Ethiopian departed from Moses or Solomon so early? Anyway, I do not see myself saying anything except the example of Christ and the Church, of Moses and the Ethiopian, Solomon and the Ethiopian and even of the Ghanaian women, if somebody thinks that he needs something else, he can address one of the pastors, preachers or elders who were at Sunday evening's meeting. For us, for example the Lord Jesus was born in Bethlehem because it is written: "*And \*thou\* Bethlehem, land of Juda, art in no wise the least among the governors of Juda; for out of thee shall go forth a leader who shall shepherd my people Israel.*" If somebody says that it is because of the census required by Caesar Augustus, that's a business of his! [Ed: *The congregation says, Amen!*] . The history of Moses and the Ethiopian, the history of Solomon and the Ethiopian and the history of Ivory Coast and the Ghanaians and finally of Kacou Philip are four versions of the same fact! They had everything from these people but were never their wives forever! I really wanted her to be my wife forever but things were to turn another way so that the Scriptures may be fulfilled! It is over, the Ethiopian is gone! I regret this departure but God's will must be done! I consider once again that they are things that are to be! I had so loved her that I thought that nothing could separate us! You see? Anyway, man has his will which is not necessarily God's will! But Him God, is watchful over his Word to fulfill It! Consequently, and according to the Bible, the Ethiopian was to go but we did not know how long that was going to take. Anyway, you know that she was much the Ethiopian than a wife! [Ed: *the congregation says, Amen!*] . Everything was in order!

Now what I want, it is to remain this way! I do not know God's will but you will not see me seeking means to get married because her presence as my maid puts an end to all the concerns I could have about the household and about myself and that will not but bring something more to the work! I am so happy that nor Matth.25: 6 (3) nor this wind could shake you. On the contrary I can see that it produced in you a greater attachment to the Message. [Ed: *The congregation says, Amen!*] . Contrarily to Matth25v6 (3), this wind did not distract you at all! It is normal because the other one was the passage from the evening time to midnight! If this faith is not due to the fact that you are attached to my person or that you saw signs or miracles but if that is due to your understanding of the Message, I will say: "Glory to God!" I will be the happiest man! May God bless you! That is the piece of news I wanted to bring to your attention this morning! If we will stand up for the prayer! ...

The whole world must rewrite the history of Salvation with Africa. Not in the way which it wants to, not according to its taste but according to God's will! To those who are out, lightnings of condemnation and to those who are in, the advance through gusts of wind which are specific to the prophets' time! Let's pray together!
