

PREACHING N°77: ON THE SEVEN MOUNTAINS OF REV. 17

(Preached on Wednesday July 30, 2008 evening in Yopougon-Kuwait, Abidjan–Ivory Coast / www.matth25v6.org)

... It is a right for the whole world to know about the midnight Cry! It is a gift from God to every inhabitant of the earth so that even if you do not come here, you may not let yourself be laid hands upon here and there, even by pastors, apostles and prophets and that during those common prayers, you may not catch hold of hands to receive demons through the transfer of spirits! You see? The midnight Cry is the right to see according to Rev.3:18. Even if somebody does not believe because that has not been given to him from heaven, it is nevertheless his right to know about the midnight Cry!

Just as the words of the prophets were read in synagogues, we read the preachings at the evening meetings. Now, I request that they may not be read this way any more but I also want us to do as we formerly did, reading or quoting some passages of the Message as well as those of the Bible when preaching! It is in order!

Well, as for engagements, when a brother has at least a house and is financially independent, if he has seen a sister and wants to get married, he will see his pastor in order to check if that sister is not already engaged, then, if she is not already engaged and if the pastor agrees, he will propose to that sister. If she agrees, both of them will come and let the pastor know about it. If the pastor does not see any problem in it, then they have one week for the mutual confession and after that, they will come back and confirm their desire to live together or not. And if they are willing to live together, the pastor will announce it at the next service! After seven months if the marriage has not taken place, the pastor will renew their engagement and after seven months again, if the marriage has not taken place, the pastor can announce their separation! The fiancés must not meet in some hidden place. That is it! And a brother can propose to a sister who is in another assembly. But I want to specify that an important thing concealed expressly during the mutual confession can cancel or call the union into question.

I am also getting little by little ready for the trip. I am simply going to Europe so that those who believe there may also receive the baptism like you and so that those who need to be consecrated may receive the consecration in order to baptise and consecrate all those who will believe later on in Europe and so that everything may be in order there as it is here! So, after that we will turn to other countries!

Well, you have heard of how ignoble the way in which brother Abu has just acted is! We feel indignant about that and I entirely agree with the decision you have taken! The other times, I pardoned him because as the oldest brother in the Message, he was there when misery caused me to brush my teeth with soap. But last Sunday, he got cast out! If he is to be reprieved one day, that will not come from me! How can a brother and moreover the oldest brother rape and destroy the virginity of a baby, a six-year-old young girl? I felt an enormous pain when I heard the medical report. He simply wanted to destroy the reputation of the Message! And it is also the result of all his actions in this Message! I have decided that brother Bitty take on the servant place he had! And brother Abu's act reminds me of sister Francine's! I am now convinced that that gunpowder was indeed designed for a mystical action against me! And given that sister Francine concealed this plot from me and has herself been the central piece, we will let her off and she remains a sister but she can no longer return where I live! And it is still a satanic power which made that that brother who is a soldier could so easily give the gunpowder to sister Francine! But we all bless the name of our Lord Jesus-Christ for having revealed this plan at the appointed time! You see? To defeat Samson, the devil could not find a better weapon than Delilah! Brethren, be strengthened! Before my mission is completed, neither some gunpowder nor all the power of Satan gathered will be able to defeat me! [Ed: *The congregation says, Amen!*].

Now, as for some sisters who... I would like to say this... following the trajectory of the eclipse, at midnight, in the phase of the restitution of the seven ages, Jesus-Christ leaves America with the branhamist Zipporah and comes with the beginning of the Church of Africa for the purification. And for us who know Africa, it is completely normal that she that God takes out of Her first should not be virgin. But after that, the Message says that it is impossible that the Church of Africa should appear under the form of a woman who is not virgin! So when a prophet— myself included— rises in another phase of the restitution, he cannot take a bride who is not virgin! You must understand that then! Now, you can love the prophet and consider him your father! He certainly manifested Solomon, but he is Elijah and he can't drink, smoke, run after women or do similar things at all! Forget about that! The Spirit of Elijah is not a spirit of sex! Now despite all I have said, if it happens that a sister behaves this way, saying: *"I love the prophet!"* we will call her before the congregation and we will ask whether there is a brother who is willing to marry her and if a brother is willing to, their engagement will be blessed right away! [Ed: *the congregation says, Amen!*].

Now, I am going to answer three questions quickly... the first is: *"Brother Philip, when can we be baptised with the Holy Spirit?"*

Well, at any rate, you will receive the baptism of the Holy Spirit which is the Spirit of the Message but at the end of the Message. The Message then the Spirit of the Message because the spirit of prophet is subject to the prophet! You need to finish listening to the prophet before the Spirit comes to send you to proclaim what the prophet said! It would be odd that you should start gesticulating and shouting and running while I have not finished talking to you, I will be myself frightened! The Cry and the oil then the oil, do not worry!

The second question is: *"Brother Philip, you talk of the woman who had a flux of blood and who did not fall but we can also see in Luke 9:37-43 an epileptic who fell!"*

Don't you know that epilepsy causes people to fall? Before this epileptic got before Jesus, didn't he fall already? And in Mark 5, was it the power of God that stripped off that madman or the demons of madness that did so? You see? It can happen that somebody falls and I am not saying that nobody ever fell before me in my ministry but when they want us to believe that those diabolic anointings that make people fall or spew in those vigils are of God, I say: no!

And finally the third question is: *"Brother Philip, does the Bible say that we must not drink, smoke, run after women..."*

In Judges 13, God said to Samson's mother that she should not drink because the Spirit would rest upon Samson and in Luke 1 God said of John: *"For he shall be great before the Lord, and he shall drink no wine ..."* And we know that the Spirit that was upon John the Baptist was the Spirit of Elijah. And in the same way God said to William Branham: *"do not ever drink, do not ever smoke, do not ever defile your body with women..."* Why? Because the Spirit of Elijah would rest upon him and thus if somebody believes William Branham's Message, that is Elijah's Message and says that we can drink, smoke or run after women, know that you have a demon in front of you! The Spirit of Elijah is not a Spirit of drinking, sex or cigarette. [Ed: *The congregation says, Amen!*]. This is what I expected [to see] in the account of Léonard Lifesé's call! You see? Somebody who wallowed himself in sin up to curling his hair like a woman must simply keep quiet! The call and commission are neither some pentecostal experiences nor a matter of having been brilliant at school, having always been the class top or delegate, not having ever stayed down... but you must be able to say: *"God called me and commissioned me on such a day to fulfill this!"*. And if you are to talk about your life, it is to say: I have never known any woman, I have never drunk, never smoked, never brawled with anyone... you must even go further ... God said to Samson's mother ... to John the Baptist's mother not to defile herself because of John! And I can go further to say that even my mother once bragged before me about not having known any man until she could get married and I grew up between a poor father and mother but full of morality who only death could separate! And Léonard Lifesé... when I read through Léonard Lifesé's long account, I rather saw a confession hidden behind a testimony! He showed how he got touched by the holy spirit in a catholic church, then later on, how he was baptised with the holy spirit in a pentecostal church between 79-80, while the Message of Branham had already spread in Belgium where he was! The problem is that branhamists still think that the spirits of divination that work in catholic, protestant and evangelical churches are the true Holy Spirit but they are themselves children of the devil! And Ewald Frank even says that the spirit that works in the catholic charismatic renewal is the Holy Spirit! You see!

After these questions, I would like to make two points as well. First, many were scandalised after the face to face with the branhamist prophet Zakpa Dadié, and another branhamist pretending himself an apostle tried to let me know that a servant of God must not be humiliated! I agree that a servant of God must not be humiliated but apart from the midnight Cry that I preach, all the remainder, including branhamists are servants of Baal! And while I am alive, if somebody provokes me or challenges me like that prophet Zakpa Dadié, I will answer and I will humiliate him with all my strength! [Ed: *The congregation says, Amen!*]. And I felt satisfied at seeing the newspaper putting on its headline: *"Kacou Philip Demystifies Zakpa Dadié"*. Journalists are God's scribes! I have the Spirit of Elijah and the Spirit of Elijah is a spirit of challenge! Not only did Elijah defy the prophets of Baal but William Branham also defied some muslims, some... and even three hundred pastors down there in Chicago! Why? Because it is the Spirit of Elijah! While I am alive, I must remain the leader because I have been sent as a leader on earth! [Ed: *The congregation says, Amen!*]

The second point: in 2006, a branhamist assembly that had received the Message in Dabou had wanted to hear me, I went to expose the Message to them but they were not convinced. Thereafter, an evangelical mission led by a certain Martin believed in Dabou. And later on, the branhamist assembly that had not been convinced also believed with its pastor, brother Adou Jerome. And since they had a good spirit, they did not state any precondition and having a larger temple to better learn, they even asked the evangelical assembly that had believed the midnight Cry before them to join with them and have brother Aman Martin as the pastor! And it was brother Martin who baptised them! This is called humility! I am not saying that it must absolutely turn this way but when you heard of the midnight Cry and you were slow to believe, you must be humble! There is currently an assembly of the evening time that seems not to accept that before another assembly which was also of the evening time and which believed in the midnight Cry a year earlier! They are close and knew each other before! I have sent brethren Martin and Jerome there! You see? Branhamists are divided and the only Thing that can gather them, it is a prophet with a Message!

This evening, I just want to talk about the seven mountains of Rev 17. If somebody has ever given this revelation somewhere, I don't know! And God permitting, I will talk about several other elements of Revelation but this evening, I just want to talk of those seven mountains which are the seven heads. I will not have much time to go and show all that in the Old Testament and throughout history but God will allow us to grasp what it is! [Ed: *The congregation says, Amen!*]

Not long ago, a branhamist wrote to me saying that there will be no more prophets, I said to him: Dear Sir, know that the midnight Cry is to eagles, that is to say to the elect. And we are not asking a crow to become an eagle or a crab to become fish! [Ed: *The congregation says, Amen!*] And it is already decreed in Heaven that I shall walk on the lands of Africa and the whole world to announce the midnight Cry without me having to associate or to collaborate with anyone! I said: How can a lutheran believe that after Luther there will be a messenger while there is to be a lutheran deserted and who is to produce and maintain a lutheran posterity forever? How can a methodist believe that after Wesley there will be a messenger while there is to be a methodist prostitute who is to produce and maintain a methodist posterity forever? And you branhamists how can you believe that after William Branham there will be a messenger while you are to be the nameless beast of Daniel 7 and the prostitute of mixed race in the vision of April 24, 1993?

Well, I am going to talk now about the seven mountains of Rev. 17 on the basis of the fact that muslims, catholics, protestants, evangelicals and branhamists have never believed that God might send a prophet on earth again! I am going to read Rev17:1-3: *"And one of the seven angels, which had the seven bowls, came and spoke with me, saying, Come here, I will shew thee the sentence of the great harlot who sits upon the many waters; with whom the kings of the earth have committed fornication; and they that dwell on the earth have been made drunk with the wine of her fornication. And he carried me away in spirit to a desert; and I saw a woman sitting upon a scarlet beast, full of names of blasphemy, having seven heads and ten horns."*

Very well, Mat.25:6 is a mystery and none of those who are out of the revelation can understand that. If you are out of the revelation, it is folly for you! But as for those who are inside, it is wisdom! You see? When Jesus-Christ finished his ministry, the children of the devil said: *"That's the apotheosis! It is over! It is locked up! There will be no more prophets!"* They had

not even finished propagating this that God sent Paul! They said to Paul: "God having spoken in many parts and in many ways formerly to the fathers in the prophets, at the end of these days has spoken to us in the person of the Son ...! It is over! The Bible is locked up, him that all the prophets announced has come, it is over! The sacrifice is done; the veil of the temple got rent! We no more need any mediator, the last messenger, it is Jesus! He is the Omega, it is over!" Judaism sees one man, Moses, the man who laid the foundations of Judaism. Christianity also sees one man, Jesus-Christ, the man who laid the foundations of Christianity. But while saying that, they can quote Corinthians, Romans, Galatians... Revelation. You see? When Paul showed them Isa.49:6, they said: "No, Paul! This verse is about Jesus! The light of the nations, it is Jesus! ". You see? And they mocked at Timothy, Titus, Silvanus... saying: "You are disciples of a man; as for us, we are disciples of Jesus! You are mandated and led by Paul, a man; we are led by Jesus! We cannot believe in a man!" The same people who said yesterday that they were disciples of Moses, were now saying: "We are disciples of Jesus!" And many of those who had believed in the Upper Room during the outpouring of the Holy Spirit were not but children of the devil! When Paul said that his letters and epistles were to be read in the synagogues, they were indignant about that! The fact of saying that there will be no more messengers even if there is any, is the most solid basis of the catholic demon. And recently, I asked an old branhamist: Dear Sir, if you understand through the Bible that it shall no more rain on earth and if the following day it starts raining, then, is it the Bible that has told a lie or is it your understanding of the Bible that is wrong? And he could not answer! You see? Sadducees had said that there were no more resurrections while there are resurrections! Others say that there is no more divine healing while there is divine healing! That is what shows that there is a mystery in that old behaviour. According to your understanding, there will be no more prophets; what if somebody rises with a call and commission of a prophet, with a prophetic Message, the whole thing in accordance with the Bible and the prophecies of the Bible? Is it then the Bible that has told a lie or is it your understanding of the Bible that is wrong? It's a mystery; they have to behave this way! And when Paul died, his disciples acted and behaved exactly like these people saying that after Paul, there were no more messengers and later on they became the paulicians! You see? Paul aroused a pure wise virgin for Christ, but the paulicians were there, cast away by God! Those paulicians were under the wings of Christ, with Christ's imprints, led by Paul's God but when Paul died, they said: "Paul is the last messenger, it is over! There will be no more messengers ". It wasn't the fact that they had not understood Paul's Message but they had to behave that way! You see? It was impossible for them not to behave that way! If the paulicians had not behaved that way, they would all believe in Irenaeus and there would be no paulician! And all those of Irenaeus would also believe in Colomban... And there would be no lutherans, zwinglians, methodists, calvinists and branhamists today! ...

You see? "After Jesus, there are no more prophets! After Paul, there are no more prophets! After Mohammad, there are no more prophets! After Branham, there are no more prophets! ... " You can understand why I always tell you to keep far away when muslims and these ones are discussing. [Ed: *The congregation says, Amen*]. Either all of them are right or they are all wrong then! But we believe that there will always be prophets until He comes! And even on the day of rapture, there will be a prophet on earth! [Ed: *The congregation says, Amen!*]. You catholics, protestants, evangelicals, muslims and branhamists, your gods are dead or sleeping or are in deep comas but our God is still speaking! And as long as our God is alive and speaks, there will be prophets! Because the prophet is the mouth and spokesman of God!

Now, observe another thing... Israel means: "married to God ", God's wife and God Himself said that even if a woman can forget her sucking child, that she should not have compassion on the son of her womb, He, God will never forget Israel graven in the palm of His hand! And how does it come that God takes a Bride of the nations while Israel is there? How does it come that God takes a methodist while lutherans are there? How does it come that God takes a branhamist while methodists are there? You can understand that God is not and has never been polygamous! It is question of understanding what *Message of restitution* is! You see? In Joshua 6, on the seventh day, when the priests repeated the seven sounds, actually that was not an eighth age! When Naaman threw himself seven times into the Jordan, that was no more no less but a baptism of restitution! You see? We have got to it now! Let's consider Rev: 17 again, the mark of the beast, the spirit of the catholicism, the three unclean spirits as frogs have seven heads and ten horns. What are these seven heads? These seven heads are seven images, seven aspects, seven identifications of the catholic church! We can see the image of the true Church through the seven lamps of the candlestick which are the seven ages and we can see the image of the beast through these seven heads. These seven heads are physically represented by seven historical mountains of Rome! The age of Ephesus, one mountain and one head! The age of Smyrna, one mountain and one head! The age of Pergamos, one mountain and one head! The age of Thyatira, one mountain and one head! The age of Sardis, one mountain and one head! The age of Philadelphia, one mountain and one head! The age of Laodicea, one mountain and one head! Which makes seven mountains, seven heads; so seven images and seven forms of the roman catholic church! You see? The seven mountains of the Vatican! According to the revelation which is granted to us this evening and according to Rev.16:13, all Christianity as a religion is in the spirit of the roman catholicism. They are seven metamorphoses of the catholicism, seven identifications of the catholicism. Another table could show Rev.17 under the form of seven mountains with a prostitute sitting upon each mountain and upon the seventh mountain, an enchanting branhamist of mixed race! In the eyes of God, all the churches of the earth are grouped into seven families having each the identity and spirit of the catholicism! William Branham could not know that because only the mystery of the beast was revealed to him and not the mystery of its image because his wild posterity would be part of it! As he was a prophet, he saw that but in the form of a white stone! He heard that but in the form of an unknown language! [Ed: *congregation says, Amen!*].

The Vatican is represented in almost every nation on earth by apostolic nuncios! The Bible says that it is the small city which has kingship over the inhabitants of the earth! It has kingship over all that is on earth: politics, economics, religions with christianity ranked first! Of all the religions, christianity is the most satanic compared to islam, buddhism and others! That is why the old Roman paganism could find its coloration in it! Of all the mystical orders, christianity is the most satanic compared to the freemasons, the rosicrucians and others! When God finishes a work with a messenger, the devil takes that

work because the seven mountains of Rome show that God gave him this right before the founding of the world! Apart from what God is doing, if you preach all the truth, then you are an angel of light or a minister of justice in the hands of Satan! [Ed: *the congregation says, Amen!*].

The Bible talks about four living creatures in the Heaven that have their representation in perdition! You remember the four beasts and the four empires of the nations in the hands of Satan! Ezekiel and Zechariah could see four horses there and John could see four horses on this side in the hands of Satan! And in the revelation, you saw that the four living creatures manifested the seven Spirits of God and the seven ages of the church. Beginning with the lion, the Spirit of the first age up to the eagle! Since there are four living creatures, there should be four ages of the Church, four heavenly angels and four messengers on earth; since it's branhamists' wish that there be seven, only seven messengers on earth because there are seven heavenly angels!

Well, all Rome is the body of the Vatican. And Rome is the Vatican as the whole earth is the Vatican and the throne of the pope is the throne of all the kingships of the earth as Rev.17 shows it. In the pagan Rome, a significant cult was celebrated upon each of these seven hills! In the roman paganism, each hill was dedicated to a great god! You see? Just as on the carnal level the seven mountains: the Capitoline, Palatine, Caelian, Esquiline, Aventine, Quirinal and Viminal are within the Vatican city, thus are spiritually the seven mountains of the seven ages of the Church within the roman catholicism with the same catholic conceptions, images and reasonings! It is all christianity that is represented there! Seven groups of the nations in heaven, in Abraham's bosom! Seven groups on earth in the pope's bosom! [Ed: *The congregation says, Amen!*]. All those so-called sanctifications, all those catholic, evangelical, branhamist churches are not but purgatories! When a messenger leaves the earth and the door is shut here, he goes with his group in the heavenly dimension, in heaven whereas on earth, the devil seizes his wild posterity and makes it believe that there will be no more messengers on earth, then fashions it to his taste to put it in the spirit of its mother, the roman catholic church! These seven are the seven antichrist spirits. And God put in the heart of the children of the devil not to progress in order to fulfill Rev.17 and to reveal the seven spirits! Thus, there are seven Spirits of God in heaven and seven spirits of the devil on earth. A Christ in the Heaven with seven stars, an antichrist on earth with seven mountains in his right hand.

Well, what does Daniel 2:44 say: "*And in the days of these kings shall the God of the heavens set up a kingdom which shall never be destroyed; and the sovereignty thereof shall not be left to another people: it shall break in pieces and consume all these kingdoms, but itself shall stand for ever*". Why is this prophecy fulfilled? It is because we are the people that believes in the prophet. We are the people that believes that there was and there will be prophets as those of the Bible with Messages until rapture comes! And since we have this good intention, when there is a prophet, God will make us recognize him! [Ed: *The congregation says, Amen!*]. If tens of branhamist assemblies believe entirely the midnight Cry in spite of what the Bible says of them, the assemblies of the midnight Cry will all believe! For it is a new Spirit that has started to blow on earth since 2002!

Last Sunday, for example, pastor Djoué Pascal who was from the evening time got baptised, it is another assembly that passes from the evening time to midnight! In so few a time, about thirty churches have believed the midnight Cry with their pastors! A whole church that believes, it is more than a miracle! You see? If I resurrected a dead man, there would not be as much joy in the Heaven. We can see that only at the beginning of Christianity. No man of God, no messenger, no prophet ever did that. That occurred in none of the ages! We do not only baptise politicians, drunkards and cigarette smokers, but we baptise pastors, evangelists, apostles, doctors and prophets without any exception. Only God can do that! And though I am alive, the littlest among us knows what a prophet is and knows that the Word of God comes only to the prophet and if the Lord tarries, after me, there will be prophets! It is a new Spirit! From the catholic mom to the branhamists, that never existed! That could not exist! When God was creating Lucifer, He knew that he would be Satan! When God was creating Cain and Judas Iscariote, He knew that they would be what they are! And when God was creating those pious catholics, protestants, evangelicals and branhamists, He knew that they would do what they are doing! And in order to fulfill the prophecy, He has put an anointing similar to the Holy Spirit upon them and He gave a rough interpretation of certain mysteries like the seven heads of Rev17, placing seven mountains there as a physical type within the Vatican city so they would not try to know what it is until they fulfilled what the Bible said they shall do!
May God bless you! If we will stand up for the prayer!
