

PREACHING No 78: THE SIGNS OF HIS COMING

(Preached in Adjamé then on Thursday, August 21, 2008 evening in Anyama, near Abidjan - Ivory Coast / www.matth25v6.org)

... Well, God bless you! I have here a series of questions that I wish to answer. The first one is: *Brother Philip, we know that the angel of April 24, 1993 is the one of Rev. 19 but this angel is he with the prophet or in the prophet?*

Yes, exactly, the angel of April 24 1993 is the one of Rev.19 and this angel is the showing of Jesus Christ. The good understanding is that this angel is with the prophet as it was with Moses, Branham and many other prophets. He can be far from them, right by them or sometimes, established physically in them if necessary, for a precise purpose. The most important thing is to know when it is the angel and when it is the brother! When they are two different persons and when it is the same person! And in the ministry of restitution, when it is the dispensation of lion, the dispensation of calf, the dispensation of eagle or dispensation of man? That's what Ezekiel saw!

The second question is: *Brother Philip, how can we account for the fact that the Message is on websites while the Internet is not a good thing?* First, I said that the Message had no restriction! Everybody has the right to receive It like Pilate and Herod and to do what he likes with it, the way he is led to! And somebody who is of the midnight Cry does not go on the Internet just as the rest of the world does! We are in the world but we are not of the world! And I inform you that Europe, starting by France, is in search of restrictive measures regarding the Internet. It serves us as a telephone and as a post office box, there are hundreds of people who believe in the midnight Cry all over the world and it is through it that they receive the preachings at the same time as those who are here!

The third question is: *Brother Philip, if a man asks us for a strong drink for the dowry of his daughter, can we give that?* Brethren, the Bible says to pay to Caesar what is Caesar's and to God what is God's! And every man has the right to ask for what he wants for the dowry of his daughter and that is what you must give! When Saul asked for a hundred foreskins of men for the dowry of his daughter Michal, David did not pay that with money! Concerning drinks, I will talk about it in just a moment.

The fourth question is: *Brother Philip, I still have many dreams, what should I do?* Well, if you have just become a believer, it is possible for it to take a little long to disappear! Only, when you have become a believer, you have certainly burnt all the documents of churches and theology but you still have within you what you learnt in these books or from these pastors and prophets! It is a snare in your mind but do not mention it! And the catholics, the protestants, the evangelicals and the branhamists are still around us, even in the same houses with us. Exo. 23 and Judges 2 say that ... Judges 2:3 ... "Wherefore I also said, I will not drive them out from before you; but they shall be scourges in your sides, and their gods shall be a snare unto you." You see, them, their gods, their holy-spirits, their bibles, their books, their practices, shall be a snare unto you! They are will invite you to pray, they will say to you: "god bless you!" So, you must not keep old practices! When you were in those churches, if you had dreams that did always come true, fasting and prayer rules, if you prayed every day at such an hour or from such an hour to such an hour every night, stop that all! They are occult and divinatory practices! Now, if you see a dream and you have not forgotten it, pay attention to it! If it results with pollution for example, do not reject it straight away because the sin or the demon can be identified in it. It can be a sin committed long ago, even before your baptism, which demon is still present. In that case, you re-confess it!

A fifth question which was put to me by brother Rodrigue of Akradjo. He said: *Brother Philip, can we say that there was intimacy between Jesus Christ and Mary of Magdala?* No! I think: no, in the literal sense! But Jesus Christ was the showing of the invisible God on earth and Mary of Magdala was on the one hand the manifestation of Israel brought out of Egypt and on the other hand the manifestation of the Church of nations for which Church, Jesus Christ through seven heavenly angels would come to defeat seven manifestations of Satan. In the first age with Paul, a demon is driven out of Mary of Magdala! In the second age with Irenaeus, a demon is driven out of Mary of Magdala! In the third age with Saint Martin, a demon is driven out of Mary of Magdala! In the fourth age with Colomban, a demon is driven out! In the fifth age with Luther, a demon is driven out! In the sixth age with Wesley, a demon is driven out! And finally in the seventh age with William Branham, the last demon is driven out of her! [Ed: the congregation says: Amen!]. And after that, like Naaman, she needs to be purified, be made white and be refined to go forth and meet the Bridegroom as Matth.25:6 points it out! You see? Israel fulfilled seven stages and seven phases with Moses but Joshua just came with his baptism for the restitution! Secondly, seven other stages with the prophets up to John the Baptist. Thirdly, seven other stages with the Church of nations! And Mary of Magdala is the pure and perfect physical manifestation of it! You have got the impression that they are three different things! You see? If the roman catholic church were spiritual, it is Mary of Magdala that it would magnify instead of Mary, Jesus' mother! [Ed: the congregation says: Amen!].

A sixth: *Brother Philip, what behaviour should have with regard to hairstyles?* I have no particular doctrine on it but it is not good for a sister to have her hair cut or for the razor to pass upon the head of a brother! A pair of scissors, it's all right! But don't let the razor pass upon your whole body! Moreover, the sisters can have their natural hair braided. 1 Tim. 2 is about false hair which is a sign of prostitution; to adorn oneself, it is to put something on just like the clothes that we are wearing.

Another question: *Brother Philip, who can be the author of the book of Hebrews, Paul, Apollos or somebody else?* I said that the author of the book of Hebrews was Paul. A theologian can talk of style, of those who are greeted but I say to you that it is Paul! We see even doctrines therein thus that cannot be but Paul! Apollos was a disciple of John the Baptist but when he believed in Paul, he became a disciple of Paul just like Timothy, Titus and Silvanus. He is then an Ephesian, so he cannot write!

Another one: *Brother Philip, in the preaching on the seven mountains, what does "the Message and the oil then the oil" mean?* The oil, it is the Holy Spirit and it is by the Holy Spirit that you can preach and be in the Spirit of the Message but there is a baptism of the Holy Spirit to come! You see? Jesus Christ could breathe into his followers saying: receive the Holy Spirit! A kind of consecration and he sent them to preach but there was a baptism of the Holy Spirit to come!

Another question: *Brother Philip, apart from Saturday night when a man must not approach to his wife, is there any other behaviour to have?* I think that the good period when every man has to approach to his partner, it is the 13th, 14th and 15th day of the month! All the rest, it is by weakness although it does not need to be confessed!

I heard that pastor Paul Onandjeka, the representative of Joseph Coleman in Ivory Coast, denies what is said about him in the preaching on Matth.25:6 (3)... I know that these pastors, who are crooks, do not fear to lie that is why, he called me afterwards to exhort me into involving those who believe in the midnight Cry in his social money networking, I phoned him back the following day with a mobile phone that can record calls! And I will send you the little he added! The Almighty God who sent me has already preserved me from these tempters! And I love my believers too much to get them involved in politics or in a network of money interest! A wolf can do that but I, never! [Ed: *the congregation says: Amen!*]. A man of God cannot implicate or push his believers into businesses such as FLP ALOES, FFI, TIANSHI, GREEN VALLEY and others. What I did not do when I had nothing, it's not today that I will! How many brethren and sisters nearly begged me to address them if I had a financial problem! And how many times did I harvest there where I did not sow! Do you remember that one day, a man who came here for the first time and even not being a brother, he gave money to cover up the rent of this place of prayer over two years! [Ed: *the place of prayer of Adjame*]. A certain Emmanuel! I have passed over these things!

I would also like to make something clear: I have heard that I have three books and that the third rectifies the first two! Well, I haven't got three books but only one book which is the compilation of the preachings that I give and which are transcribed! When the papers containing the preachings became numerous, the brethren, supervised by Fofana who has a systems analyst diploma and brother André who is a printer, made a compilation and it gave a first edition containing forty preachings! Then a second one with ten preachings more then this third one with ten preachings more, which gives sixty preachings! And there is no rectification!

Well, now my preaching is extracted from Rev.11 to talk about the precursory signs of the coming of Elijah and Moses. But first of all, I wish to read a passage again, on page 246 of the green book ... *"Thousands of homosexuals are preparing a parade on this Friday, 10 Nov. 2006 in Jerusalem ... The Attorney General of the State of Israel, Menahem Mazouz, authorized this procession on Sunday evening " so that the principle of the freedom of expression may be respected ". It is a victory for the Israeli democracy and tolerance "the representatives of the Jerusalem Open House — the Israeli organisation of lesbians and homosexuals— claimed immediately. "We are determined to take action for this parade to take place. It will not be provocative. There will be neither carnival tanks nor naked men in the parade. And it will not take place in the neighbourhood of the churches, synagogues or mosques "the president of the lesbians, Elena Canetti told the AFP. " We are going to deploy more than twelve thousand policemen on this Friday in Jerusalem to protect the participants of this parade of homosexuals ", declared the commander-in-chief of the Israeli police Moshe Karadi to the military radio. A few months ago, during the preparations of the parade, the Sephardic Chief Rabbi of Israel, Moshe Amar, sent a letter to Pope Benedict XVI to ask him for support against this parade.*

Later These months, flyers have been distributed throughout Jerusalem, with the promise of a 4,500-dollar reward to any person who will kill a sodomite. In 2005, during the fourth procession of homosexuals in Jerusalem, an ultra-orthodox and fanatical Jew had stabbed three parade participants and was given a twelve-year jail sentence. Paradoxically, the "Gay Pride", [the parade of homosexuals and lesbians] takes place nevertheless every year in Tel Aviv without any incident, in an atmosphere of carnival. Israel legalised homosexuality in 1988 and the rights of the homosexual couples are recognized there by its courts "...

These are the precursory signs of Elijah and Moses. Jesus could say to the 144, 000 of Rev.7: *"when you see the homosexuals and lesbians parading in the streets of Jerusalem, know that your redemption is at hand for this place shall become Sodom first! When you see these catholic, protestant, evangelical and branhamist gods come to enshrine to Jerusalem, know that your redemption is at hand for this place shall become Egypt first! "* You see? There are several subjects of preaching are in this text but I wish to focus this evening on a sentence that I will read again: *"A few months ago, during the preparations of the parade, the Sephardic Chief Rabbi of Israel, Moshe Amar, sent a letter to Pope Benedict XVI to ask him for support against this parade."* I want to speak about the subject: God's help! You see? Like every year, even before 1988, in that November 2006, thousands of Jews were troubled because of this parade of homosexuals and lesbians on the so-called holy land! Not in an insignificant city but the historical city of Christianity! And among these Jews, the sephardic chief rabbi of Israel! Jerusalem, it is the city of David, it is the homeland of the prophets and of the Christ! Jerusalem did not deserve so big an evil! I could imagine this chief rabbi troubled and restless! He could not accept demons roving here and there, throwing their arms forward, twisting their bodies in all sides! Jerusalem did not deserve it! Brethren, fifty years ago nobody could imagine that those lambs that returned to their old homeland could tolerate that on their land Look at them, the entire atmosphere was spiritual and the oldest flag in the world, struck with the Star of David floated again! Every Christian, wherever he was, was joyful! You see? The Israel about which the Bible talks was up anew! And on that May 14, 1948, when David Ben Gourion declared the renaissance of the State of Israel saying that Israel would be *" established on freedom, justice and peace in accordance with the ideal of the prophets of Israel "*, he did not know that this nation would be Sodom, the place of exhibition of the homosexuals and lesbians of the earth. He did not know that this nation would be Egypt: place of pilgrimage of all the gods of the churches of the earth! You see? The more the Palestinian bombs blast on them, the wicked they are. Neither the deportation, nor the Shoah and the concentration camps changed them! That is why God sends to them the two greatest prophets who see continually God's

face! Because as it is said: the Jews believe in prophets and "*Oh God! Leave the Palestinians ... If from among us, your holy prophets, somebody goes to speak to them, they will believe*". God said: "*Okay! Not only Moses but will I also send Elijah to them!*". And every creature which is in the heaven, and upon the earth, and under the earth, and upon the sea, and all the things therein shouted aloud: "*To him that sits upon the throne, and to the Lamb, blessing, and honour, and glory, and might, to the ages of ages.*" And they fell down and worshipped! ...

Well, let us come a little back, to the announcement of that parade! In the beginning it was a sacrilege! Even sons of the devil rose up against it then little by little they began get used to it and to tolerate it. But when there remain only sons of God against it, God will send Elijah and Moses! [*Ed: the congregation says: Amen!*].

You see? This chief rabbi of Israel could not rely on these great Jewish politicians! During the Israeli elections, how many candidates say that when they are elected, there will be no more parade of homosexuals and lesbians in Jerusalem? How many? There is none! They rather come up with how they plan to crush the Palestinians away so that balls, carnivals, fetes, parades of homosexuals and lesbians take place peacefully! And that catholic, protestant, evangelical and branhamist tourists may be protected. This one rises up with a closing plan etc. Look how Ariel Sharon, the most redoubtable opponent of the Palestinians, is plunged into a coma for two years now! He is dead although alive! And if you are not in the revelation, you will be delighted at hearing that the Israeli soldiers killed such and such a number of Palestinian activists! Brethren, remember that they are not Palestinians who will kill Elijah and Moses but Jews! I am strongly for Israel and I do not support the Palestinians but I do believe that these Palestinian activists are servants of God's to calm God's wrath down! [*Ed: the congregation says: Amen!*].

This chief rabbi could not rely on them that is why he drove his thought somewhere else, in search of a help! But we know that God's help, it is the prophet! [*Ed: the congregation says: Amen!*] Names of illustrious kings and presidents came up into his head! The names of the great international institutions such as the UN, the European Union, the African Union came up into his head! Names of big churches and great federations of churches! Names of influential reverends and great presidents of churches popped up into his head! Names like Tommy Osborn, Billy Graham, Morris Cerullo, Reinard Bonnké, Benny Hinn...came up into his head! The names of all those who fast and pray for Israel! He said to himself: if their Master could cast mere sellers out of the temple, how much will they get up when they hear that their Master's city is stormed by homosexuals and lesbians coming from all over world? He was walking to and fro and suddenly the name of the pope He must have shouted: glory to God! "*The holy father, the prince of the Apostles, the vicariv's filii dei!*" This chief rabbi could formulate and reformulate his letter on behalf of the Jewish rabbinate with the noblest terms and the greatest respect that the papacy deserves and then delegate a special emissary to go and give this letter to his holiness pope Benedict XVI in person! He sent this letter not only to the pope but also to several important personalities both political and religious but the parade did take place in an atmosphere of carnival and fête! Brethren, it was an abominable thing that was being prepared and the pope and the whole religious world did not need a letter from the chief rabbi to react!

But they could not react because the same thing takes place here every year; they call it beautiful girls casting, miss such and such a country but actually pageant of young prostitutes! Now, there is all kind of it: Miss internet, Miss this, Miss that! And pastors watch it on their TV! Girls roaming wearing undies in front of men having their eyes full of adultery! I do not think that it is bad to look for the most beautiful girl of a country but the very first criterion, it is virginity! They must be virgin! You see? Making prostitutes and young mothers parade in undies, it is an abomination! Some of them being immoral, lesbians and sodomites! It is the same as parades of homosexuals and lesbians!

The whole world could indeed hinder this parade of homosexuals and lesbians but that it will not! Being itself corrupted and engrossed in similar things! The United States could indeed hinder that, the Vatican that cannot accept such a thing on its land could indeed hinder it, the world council of churches could indeed hinder it, these thousands of thousand federations and associations of churches could indeed hinder it but they did not! That is what this chief rabbi did not understand! Before turning to Christians, he had to wonder how many Christians in the whole world are asking for the release or are bringing their support to this orthodox Jew who was given a twelve-year jail sentence!

In a so-called secular country such as ours, the civic and moral education should be the main subject in schools and every pupil would know that virginity was his first and divine diploma and symbol of morality. You can see some pupils sad or crying aloud because they failed an exam or competitive test that they have the opportunity to pass the next year! But how many of them did so for having lost their virginity that they will never find back? You see? Before this rabbi sent letters to people, he had to see not their influence or their political weight but their morality in their own country! You see? I am often inspired to talk about these things because I am sent as the messenger of the ten virgins of Matth.25:6! Every messenger acts according to the dispensation of his Spirit! That is why the two messengers of Rev.11 have been identified as being Elijah and Moses. Well, let us take Rev.11! "*... These are the two olive trees and the two lamps which stand before the Lord of the earth; and if any one wills to injure them, fire goes out of their mouth, and devours their enemies. And if any one wills to injure them, thus must he be killed. These have power to shut the heaven that no rain may fall during the days of their prophecy; and they have power over the waters to turn them into blood, and to smite the earth as often as they will with every plague.*" Amen! First Elijah then Moses is identified through these two! Now we see today that the sons of the devil rise up to say: "*you can drink strong drinks because Jesus drank some*"! But do they know that Jesus Christ is the God of the spirits of the prophets and that the Spirit of God who is acting in this hour is still the Spirit of Elijah who prepares the return of Jesus Christ? You see? If somebody is possessed by a demon of consumption of strong drinks and that he wants to consume strong drinks, let him consume but let he not say: "*Jesus consume strong drinks or transformed water into wine*". In the Old Testament, it has been said of a man named John the Baptist: "*For he shall be great before the Lord, and he shall drink no wine nor strong drink; and he shall be filled with the Holy Spirit, even from his mother's womb.*" [*Ed: the congregation says: Amen!*]. And it is completely normal for John the Baptist and his followers not to consume strong drinks even if a son of the devil came to prove that they could consume like Noah and Jesus Christ.

William Branham was also said: *"never smoke, never drink, and never defile your body with the women. You will have a work to be carried out when you grow up "*. Yet the seventh angel, the Spirit of the age of Laodicea is the Spirit of Elijah preparing the return of the Lord! And the Spirit of Elijah is neither a spirit of sex, nor a spirit of consumption of strong drinks but the Spirit of holiness with the aim of the rapture as Enoch who is the Elijah of before the Flood was enraptured and that Elijah the Tishbite was enraptured and that the Elijah in Rev.11 will be enraptured! And thus the Spirit of God who prepares the Bride for the rapture can only be the Spirit of Elijah! [*Ed: the congregation says: Amen!*]. It is the Spirit of Elijah who is acting and it will always be the Spirit of Elijah until He comes! Enoch and his followers did not consume strong drinks! Elijah the Tishbite and his followers did not consume strong drinks! John the Baptist and his followers did not consume strong drinks! William Branham and his followers did not consume strong drinks because it is always the Spirit of Elijah! And in Gen.18, when Abraham offered this feast, the Bible does not say that they ate and drank strong drinks but: *"and they ate. "*! Gen.18 6-8 says: *"And Abraham hastened into the tent to Sarah, and said, Knead quickly three seahs of wheaten flour, and make cakes. And Abraham ran to the herd, and took a calf tender and good, and gave it to the attendant; and he hastened to dress it. And he took thick and sweet milk, and the calf that he had dressed, and set it before them; and he stood before them under the tree, and they ate. "*! [*Ed: the congregation says: Amen!*]. Similarly, at the feast Lot offered to the two angels in Sodom, the Bible does not say that they ate and drank strong drinks but they ate! Why? Because the two angels were Elijah and Moses! You see? Look at the pentecostals and the evangelicals, although they have no notion of these things, they do not consume strong drinks but they are species of branhamists who teach such things, they who claim to be of the Spirit of Elijah! It is miserable! Every prophet and his generation act according to the characteristics of the Spirit of God who is in action in this generation! [*Ed: the congregation says: Amen!*].
