

# PREACH. No.80: DOES A PROPHET SPEAK FOR ANOTHER PROPHET?

(Preached on Thursday October 09, 2008 evening in Anyama, near Abidjan – Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

God bless you! You have the greeting of sister Mireille of Belgium. Yesterday evening, she called me. Brother Fortuné said he has had four shirts sewn for me! When I told him that I only weighed 62 kg, he laughed a bit. You see? I am 1m78 tall for 62 kg! I hope all the same that these shirts will fit me! [Ed: *The congregation says: Amen!*].

Now, considering the fact that perhaps I will not have the possibility to travel, I wish the brethren who are at work in each nation to come here in Ivory Coast for their baptism and consecration as it is also said that those who believed went down to John the Baptist to be baptised in the Jordan! And if somebody wants to come here, we think that it is for the baptism and the consecration and his faith in this Message. We do not want tourists and adventurers here! And I think that the coming April 24, 25 and 26 will be well chosen for that! Amen! So I have decided that if somebody really believes and wishes to be a torchbearer of the Message in Europe, in America or elsewhere in Africa, he should come in Ivory Coast for the baptism and the consecration! There is a white man who forwarded his revelations to me to know whether what he wrote was in conformity with the Scriptures and I answered him to say that that could never be in conformity with the Scriptures because Matth.25:6 says that it was in the middle of the night, among the blacks that that sole Cry would rise! And as a white man, you cannot be something unless you are the echo of that Cry! Any truth which does not come from the Spirit of God is a lie! The truth, it is the revelation that comes from God. You see? Can it occur that the knowledge of the Holy Scriptures may lead men to make the difference between the truth and the lie, the true prophet and the false prophet? No! Because if that were possible, God would not send prophets from generation to generation! A prophet, it is like the wind of the desert! You know where such or such river comes from and where it makes for, you know when such season of the year will come and end but you will not know when the next wind will come, where will it come from, what will it do and where will it make for! Thus is it of the prophet. Any human being who claims to recognize a true or a false prophet unless by a prophet is a liar! And unless by a prophet, any human being who claims to make the difference between the truth and the lie is a liar!

God willing, we will have our next vigil of prayer on April 24, 2009. During this vigil, God permitting, I will particularly consecrate some brethren such as Exavier for the international missionary work!

Very well, now I have some questions here that I wish to answer. The first one is: *Brother Philip, the evening time ended at the time when the heavenly Angel descended on April 24, 1993 and we know that all those who have been living from 2002 are under the jurisdiction of Matth.25:6. Now what will happen to those who died between 1965 and 2002?* [Ed: *Question put by brother Exavier of DRC*]. All those who had believed and remained faithful to the Message of William Branham and who died in the expectation and hope of the midnight Cry are saved! These awaited the interpretation of the unknown language of the Sabino Canyon or white stone in accordance with the recommendation of William Branham in the dream of Junior Jackson! It is in the brochure: *"is this the sign of the end, sir?"* that I am going to read a bit ... " ... *And where the water had washed down, it had cut some kind of readings on these stones, and you were standing there interpreting this reading on these stones... we were all standing together, listening to you interpret that mysterious writing on those stones that mountain... Then you picked up something, like from the air, something like a wrecking bar... How you done it, I don't know. You struck the top of that mountain, ripped it around, and lifted the cap of it off. It was in the shape of a pyramid. And you ripped the top of it off...Beneath that was white stone, granite, and you said... Watch this.* ". And Junior Jackson says that while the preachers were studying the white stone, William Branham slipped off towards the west. And the preachers started off each one in his direction; he said that some went in this direction, others in that direction and others in another direction. And that is what really happened after William Branham's death. Instead of awaiting the interpretation of that unknown language that would tell them what William Branham did not say concerning for example the King James, Louis Sécond bibles and others, they left.

The second question, similar to the preceding one, is: *Brother Philip, what is it of somebody who passes away today without having heard speak of the midnight Cry?* He will go into hell! If he were a chosen one, he would hear and accept the midnight Cry! In Noah's days, not everyone heard and God was not unjust when He made people unfairly imprisoned, the paralytics, the blind, the sick and all those who were far away and who did not have the possibility to come into the arch perish! The fact of enjoying oneself in a catholic, protestant, evangelic or branhamist church is already a sign of a son of the devil!

The third question is: *Brother Philip, with regard to the transfer of spirits, can a Christian dress himself of clothes already worn, imported in bales and sold at a very derisory price?* My revelation on this subject is: No! I do not know whom those clothes are coming from, I do not know anything of it but my revelation is that a Christian must not wear them! Concerning shoes, I do not know but the revelation regarded only clothes which are things that are permanently in contact with the body! If it is possible for you not to wear them, don't wear them! But a brother or a sister can donate you a garment that he has already worn!

I was glad to bless the marriage of brother Pégó and sister Maï on Sunday! She is a wonderful sister! Aged 23, she has not been known by any man. And this year, I also blessed the marriages of brethren Akobé and Bitty; their wives, sister Rachel, the wife of brother Akobé, was virgin at twenty five years old although she was orphan of father and mother and sister Pamela, the wife of Bitty was virgin at twenty six years old! It is a glory beyond school diplomas and the long hair of branhamists and concerning that, any mother is responsible towards her daughter before God!

Well, before starting, I would like to point out that in the old days, after the study of a language, the future teacher of that language would go on a training period to the country of that language. The future teacher of English would go on a training period to England, the future teacher of German would go on a training period to Germany, the future teacher of Spanish had to go on a training period to Spain, etc... Because, studying simply a foreign language in your country cannot enable you to speak that language! And even somebody who has never studied a language but who sojourned in the country of that language will speak it better than you who studied it at school and will serve best as an interpreter than you! It is one of the mysteries of the

vision of April 24, 1993 in which the messenger of Matth.25:6 sojourns an eternity in the presence of God! He is thus not comparable to those thousands who come from pastoral schools and bible institutes without any training! [Ed: *The congregation says: Amen!*].

Well, I come now to my subject! ... I wish to speak about the subject: Does a prophet speak for another prophet? We know that a prophet can speak about another prophet or say what another prophet will be but does a prophet speak for another prophet? Does a prophet give rules and precepts for another prophet? It is that I wish to speak about.

Well, notice that the service of the tent of meeting, the priesthood, tithes, all that was applied to the work of God was the concern of Levi's sons. God had established that through Moses like a perpetual statute. From generation to generation that had been entrusted to Levi's sons! From among the twelve tribes of Israel, God had chosen for himself the tribe of Levi for His service! They are the sons of Levi who bore the Ark of the Covenant before God! No man from among the eleven other tribes had the right to! No matter how pious he was, no matter how good he was, he did not have the right to approach the priesthood! And in 2 Ch.26, the priests reminded that to king Uzziah who was not a son of Levi and who wanted to burn the incense to Jehovah! Nobody could be a priest unless he was first a son of Levi according to the commandment of God to Moses! Yet the ministry of prophet-messenger is a priesthood but, already, the fact that it is necessary to be a Levite to be in the priesthood does not concern prophets at all! And right after Moses, God aroused the prophet Joshua, an Ephraimite! And Jesus Himself, the high priest Melchisedec, was of the tribe of Judah! You see? When Moses said that a priest must get dressed in such and such way with girdles, breastplate, turban, the urim thummim, ephod, bells... he was saying it for his generation and even for the generations to come but he was not saying it for Isaiah, Amos, Jeremiah, Micah or Haggai as prophets! And not only that but as prophets, they will have actions that speak to their generation! Acts which cannot be meaningful but for the elect! And it is through that the elect will know that they are prophets! You see? The Bible says: You shall not kill but Elijah can quietly slaughter the four hundred prophets of the nations! It is not of him that Exodus 20 speaks! [Ed: *The congregation says: Amen!*].

As a prophet, when Wesley marries a widow, when God says to Hosea to go and take a prostitute for a wife, as a prophet-messenger, no law in the Heaven or on the earth prohibited that to him! And when God told me to repudiate my wife, neither 1 Corinthians! Nor 2 Corinthians! Nor 1 Timothy! Nor a prophet! Nor does a holy spirit prohibit that to me! Because I can do the work of a ministry of Eph 4:11 or others but I am not sent as an overseer, deacon, bishop or a minister of Eph 4:11! No verse of the Bible says how I must behave! Except if that verse says precisely that when the Messenger of Matth.25:6 comes, he will do that! When Moses repudiates Zipporah to take an Ethiopian woman while the marriage is a divine institution, no law in the heaven or on the earth condemned him nor even Matth.19:4-6. And Jesus answering said to them: *"But he answering said to them, Have ye not read that he who made them, from the beginning made them male and female and said, On account of this a man shall leave father and mother, and shall be united to his wife, and the two shall be one flesh? so that they are no longer two, but one flesh. What therefore God has joined together let not man separate."*

The Bible says: let the priest be this or that! Let the overseer do this or that! Let the deacon do this or that! Let a bishop do this or that! But the Bible never gave and the Bible can never give rules, precepts or regulations for a prophet-messenger! It can announce them, say what their ministry might be but it cannot say how they must behave! Notice that prophets even ignore that there are the law and precepts of Moses! Why? It is not for them that Moses wrote! And reading the prophets, you have the impression that they either wrote before Moses or wrote outside Israel! Why? It is not for them, as a prophet, that Moses wrote! [Ed: *The congregation says: Amen!*].

When Enoch wrote, it was for his generation and for future generations including the generation, the wife and children of Noah but it was not for Noah as a prophet! And if you see Noah drunk and you come out with 1 Ti.3 saying: *"The overseer then must be irreproachable, husband of one wife, sober, discreet, decorous ... not given to excesses from wine"*, then you are a demon because Noah understands 1 Ti.3 better than all the men of his generation! [Ed: *The congregation says: Amen!*]. You see? If you do not understand what he is preaching, how will you understand his life?

People believed themselves so spiritual that they missed that in the days of Noah! And they are so spiritual that they are missing that now. You see? To those who were not born to understand spiritual things, I say this: like Jews, you believe in prophets when they are dead but we believe in living prophets! Times are so evil, there is seduction everywhere and it is this time that you have chosen not to believe in the prophet! And while you do not believe in the prophet, you transport the Bible which is the book of the prophets. And when I was in the baptist church, they could brandish Heb 1:1 to say that... *"God having spoken in many parts and in many ways formerly to the fathers in the prophets, at the end of these days has spoken to us in the person of the Son, ..."* To say that after Jesus-Christ, there are no more prophets apart from Matth.24:24 while the very verse of Heb 1:1 by which they try to convince us is written by a prophet who came after Jesus-Christ! That's madness! You see? Recognize at least that the gate of the Heavens is not scrolls of books but always a living man on earth like Noah, Moses, Isaiah... the prophet is the gate of the Heavens! No one can go to God unless by him! [Ed: *The congregation says: Amen!*].

Before understanding what a prophet is doing, understand first what he is saying! The life of a prophet cannot be but a fall-trap! When God told the prophet Ezekiel to eat human dung or to remain lying on one side for such number of days...! It is not a verse of the Bible that must tell him to do that! As a prophet, I did take a virgin wife but God said: Now, part from her and take an already-defiled wife, and only seven months later He says: Now part from her and remain so! And for more than five months now that I am without a wife while I have all the means to get married; as a man I do want to get married! Which ones of your prophets are without a wife, unless they have several wives or lie with their faithful?

Now notice this: God said to Hosea: *"Go, take unto thee a wife of whoredoms; for the land is entirely given up to whoredom, away from Jehovah."* You see? God told a prophet to go and marry a whore! Can God say that to a priest or a ministry of Eph 4:11? No! You see? God said to William Branham: *"the three outstanding peaks on the seven mounts near Lima in the State of Montana are in connection with the number of the letters of your name"*! God can never say that to Ewald Frank, Billy Paul and Joseph Branham or of another minister of Eph 4:11. By a revelation, I fasted each January 1st since 1993 until today for the

elect and I saw to it so that nobody should know it because of imitation! You see? That, God cannot say it to a ministry of Eph 4:11!

Now, notice one thing! A brother or a sister can stand in the assembly by the true Holy Spirit and give a wonderful prophecy saying: *"Thus saith the Lord: You do not pray enough!"* But this revelation, although it is of God, it can in no case be propagated into another assembly even if you notice that another assembly needs it! And a doctor or apostle of Eph 4:11 can give a marvellous teaching on the condition of the Church! And no matter how true this teaching is, it is just good for the assembly in which it was given! You have no right to make a book or a cassette of it to distribute it everywhere or in other assemblies even if they seem to be in need, except if you are invited to preach there! As soon as you are a minister of Eph 4:11, you have no right to write a book even if you have an authentic revelation of God!

We are going to sing, together, this song, which says... *Whatever my importance on the earth, without Jesus, everything's vanity!* ...

Brethren and sisters, no matter what might happen to you, keep your eyes on the vision of April 24, 1993... the world is after excuses and somebody wrote me saying: *"How did you ask for the visa? As a prophet, you should know that that would be refused to you!"*. I said to him: how can you explain Matth. 8... *"But they that fed them fled, and went away into the city and related everything, and what had happened as to those possessed by demons. And behold, the whole city went out to meet Jesus; and when they saw him, they begged him to go away out of their coasts."* I said to him: According to you, while going over there, did not Jesus know that the people of that city would chase him away as soon he had arrived? And he did not know what to say. You see?

And to end, I inform you that after a quasi-totality of the churches and pastoral schools among which the theological institute of the assemblies of god, the president of the foursquare church announced recently, during a national convention near Abidjan, that Kacou Philip is the antichrist announced by the Bible! And a branhamist pastor announced in his assembly that: *"As soon as you touch the book of Prophet Kacou Philip, the gates of the hell open largely before you!"* But during this time you are blessing God and you love Prophet Kacou Philip! [Ed: *The congregation says: Amen!*]. The Angel said to William Branham in the anticipated vision: *"those that you ever loved, and those that ever loved you, God has given to you."* [Ed: *The congregation says: Amen!*]. Not those that loved Jesus-Christ! Not those that loved the Bible! Not the parents... But those that ever loved you, you the prophet of this generation and those that you ever loved, God has given to you! In the days of Noah, millions of people loved God but only those that ever loved Noah and those that Noah ever loved were saved! In the days of Elijah the Tishbite, millions of people loved God and Moses but only those that ever loved Elijah and those that Elijah ever loved were saved! In the days of William Branham, people loved Jesus-Christ and the Bible! But the Angel said to him: *"those that you ever loved, and those that ever loved you, God has given to you!"* For this generation, the whole world warns its children against only one prophet but we are looking for the solitary prophet against whom the whole world warns its children! [Ed: *The congregation says: Amen!*]. The whole world is full of books; heads of State and politicians wrote some! Victor Hugo and many other writers wrote some! Pope Benedict XVI, Billy Graham, Osborn and many other prophets, pastors, doctors, evangelists and apostles wrote some, the christian bookstores are full but for this generation, we are looking for the book against which the whole world warns its children! [Ed: *The congregation says: Amen!*].

We are now going to sing this song, which says... *Whatever my importance on the earth, without Jesus, everything's vanity!*
