

PREACHING N°85: THE PROPHET'S REWARD

(Preached first on Sun. March 01, 2009 in Adjamé-Ivory Coast/ www.matth25v6.org)

May God bless you as well as all of our brethren around the world. May God bless pastor Mbuyi Ngari François and his assembly in Gabon. May God also bless pastor Jean Claude Robenson and his assembly in Haiti. I talked through the telephone with some brethren and sisters in Benin. And our brethren in Cameroun got me informed that they have started having services in Yaoundé! And brother Fortuné had a long discussion with a branhamist. Branhamists are scandalized to hear that I am Rev.19:11! Their fathers were also scandalized to hear that William Branham was Luke 17:30; but the miracles shut them up and as pentecostals, they complied with that! They have some problems here because Jesus-Christ appears not as the Son of man but as being the Word of God, his name is called "*the Word of God!*" You see? Jesus-Christ can share his person, his manifestation but not his worship as we can see it in Rev.19:10! William Branham can present himself as being the Son of man in fulfilment of Luke 17:30 but he cannot receive the worship due to the Son of man as we could see it 2000 years ago!

Well, I have several questions here... the first by which I want to start is: *Brother Philip, somebody told me that Joseph Coleman's first sermon is "the shout of the king", preached on December 26, 1965! Is it so?* No brother, Joseph Coleman already diffused his sermons before William Branham died! He preached and diffused several sermons in booklets and in English. Only some of them have been translated into French as: "*Grace, then the Judgement and the Perfection*" that he preached on November 15, 1964 and which is still available on the Internet! Joseph Coleman and Ewald Frank were not even William Branham's disciples. William Branham never baptised them. They were his collaborators! Apart from Joseph Coleman, he prayed for several evangelical and particularly pentecostal pastors and preachers. I was talking recently with a brilliant branhamist. He said a lot of things as he defended himself and he said definitively: "*In response to your preaching on: "the saints' faith", I want you to understand that we are not pentecostals but the word-bride! We are not a denomination! And Brother Branham did condemn the pentecostals!*" I said: the word-Bride, that's good, so be it but I remind you that on April 11, 1966, your fathers Ewald Frank, Joseph Coleman, Billy Paul and Joseph Branham sang "*Only believe*" for two hours under the denominational anointing of Tommy Osborn! And they never repented for that! Osborn told them to do this and they did it! Osborn told them to do that and they did it! That, Ewald Frank, Joseph Coleman, Billy Paul and Joseph Branham never repented for it! ... And it was in this sin that you were all conceived! To end, I asked him the question to know whether he could let Tommy Osborn lay his hands upon him? He said: "*No, indeed!*" I told him: That's thanks to the midnight Cry! It is I who got your eyes open! No matter how sincere or sanctified an assembly of William Branham's Message may be, the holy spirit that will minister there is the spirit of divination of Tommy Osborn! It cannot be the Holy Spirit! [Ed: *The congregation says: "Amen!"*].

Another question: *Brother Philip, concerning the public confession, what does somebody who believes the Message in another country and who is alone have to do?* He can simply not confess until they are two or three and start holding services. There, they will confess even if they are not baptised! Thus, you can announce the Message around you without awaiting the baptism and start holding services!

Another question... *Brother Philip, how do we have to assist our parents?* Yes, you have a duty towards them! Look at animals and birds in the bush, with most of them, as soon as the young reaches a certain age, it separates from its parents and does not remember them any more! It is not human, this is why they are in the bush! You must take care of your parents but that needs to come from you! They should not impose that to you and act as if you were their cocoa plantation or their small company!

Other points... as for those who are engaged, if one of them is cast away for seven months or forever, the other can ask for their separation if s/he wills it and that will be granted to him/her! I also ask the Church to assist financially very old people and virgins aged seventeen and more.

Well, this morning, I do not have much to say except that I remember a small event that took place very long ago and I do not know if I have to say in antiquity and that is just what I would like to report. In fact, in those days, the God of Heavens had aroused a prophet! A mouthpiece for Himself! Very, very, very long ago, in antiquity. And he was a very great and very old prophet and in him was the Spirit of the holy Gods who do not reside in the flesh. And that prophet is the father of ancient Egypt and Ethiopia, he is the father of slaves and the children of black slaves of America! He is the father of black tirailleurs! He is the father of Africa's weavers, blacksmiths and griots! He could see in daytime and at night. Those who were spiritual and who could interpret times and circumstances in those days respected Him. And that prophet had a servant who obeyed him.

One day, as that prophet was passing by, a man who was used to looking at him passing said in his heart: "*Certainly, it is because of this man that the God of Heavens Himself kept a certain beautiful girl virgin until she gets an advanced age and no man has ever known her! I will have her come towards him and when he sees her, he will love her!*". But as the man feared the prophet, he waited for a long time and one day, as the prophet was passing by, he went to meet him, and deliberately gave him the kind of apple he liked; the prophet accepted but some parts of the apple were rotten! The man left! And the prophet did not know why the man had given him that!

And another day, he came up, he bowed and spoke in a way that if what he was going to say was bad, the prophet might forgive him. The prophet said: I don't know but come with her because a beautiful girl, virgin at twenty six years old cannot be but the wife of him that the God of the Heavens has sent to preach to the virgins! And one day, she came. The prophet looked at her and loved her. But the God of Heavens, the sovereign Master of all things of whom he is the spokesman could not hide from him that the girl would leave him after only one year! And God showed that to the prophet and he saw that and he could not cast her away it towards Amorites, Hittites, Perizzites, Hivites, and Jebusites because of Salvation for she is a daughter of God!

And not in reality but in a revelation, the master said to the servant: This maid is really beautiful but her days are very short. And she became the wife of his servant. And when the time of the young girl's departure approached, the servant said in himself: *"I shall find a pure maid for my master and when he sees that, his God will make this one live longer"* And the servant gathered all the servants of the kingdom and they consulted and came towards the great prophet with a beautiful eighteen-year-old maid, a maid, virgin of a pure virginity who never masturbated, who never had friendship with any man and no man ever kissed nor ever fondled and she never accepted any money, advances or present from any man. And the prophet found that very good and he was delighted by the act of his servant but that could not change the decree that the God of the Heavens who has all might in heaven and on earth set before the founding of the world!

And in reality, the prophet was sitting and he suddenly called his servant and said: *"Come, I have a word for you!"* The servant came at once! And the master said to him: *"follow me on the mountain!"* The servant said to him: *"Allow me to run and bid my home farewell and take my towel and my sponge"*. The master said to him: No, the sky is too dark! Follow me! Let's go quickly! Before nightfall so that the children of the devil may not say: *"Why did so strong a storm beat down on this city while the great prophet is therein"* and in order that the prophet himself may not weep before his children. And the great prophet and his servant went on the mountain. And right on the following day, the storm beat down on the house of the prophet and the prophet asked what the news was and he was told: *"Let the news be for your adversaries"*. And he wept for his dear daughter and those who loved him comforted him!

[Ed.: *On another day...*]. I would like to talk about the prophet's reward. Because as soon as there is a prophet on earth, all the earth is rewarded. The parents, the people, the city, the country of the prophet and the whole earth is rewarded! Like Jews, each of the peoples on earth will also receive a prophet and will be rewarded for that! Africans included! Because even an African is also supposed to know that a human under the impulse of a spiritual power can heal, work miracles or announce things to come, good or bad things! When it is God, the man is a prophet but when it is the devil, he is a fetish priest even if he is in jacket and has a Bible in his hand.

As a prophet, Jesus said to Peter: before the cock shall crow, thou shalt deny me thrice! You will say: *"But if that Jesus is really the Son of God, why didn't he make so that Peter might not deny him?"* And in his days, a great American prophet named William Branham in the United States had said to a woman: *"You shall certainly die at around 4 am!"* And despite the cries, the prayers, medicine, vigilance and all that stuff, things took place in that way. You see? If I came and said: *"Sister, God tells me that your father or your mother has sold you in sorcery, you will die while giving birth!"* people would respect me! But I am neither a fetish priest nor someone who divides families!

You see? As soon as Laurent Gbagbo became the president of Ivory Coast, I said: *"No, he shall not die but his throne shall not be strengthened! If his throne gets strengthened and he reigns at peace over all the country, then I am a false prophet!"*. But does that mean that I am in a plot to destabilize Ivory Coast? You see? There were several plots and attempts up to Robert Guéi's death but the President is alive according to my word because I said: he shall live but his throne shall not be strengthened! And steps were taken to reunify the country and to strengthen his throne: Accra I, Accra II, Accra III, Marcoussis... Ouaga I, Ouaga II, Ouaga III, Ouaga IV and there will be more... but nothing! You see? I do not wish that but the Almighty God who sent me says that it is in this way things shall occur! And it is said and I was even asked by my own followers where I was when the sister died? And an SMS came to me from another country questioning me about that. If she had died in my hands like Sharon-Rose in her father's hands, wouldn't I be a prophet? While I have just preached on: *"the saints' faith"*, I do not understand this behaviour. After all that I preached, if somebody thinks that I will not die or somebody cannot die before me, that's an awful thing! I believe that God is the Absolute and the supreme Master of all things! He is free to do what He wills! He can say to me: *"what I told you here, tell it and what I told you there, do not tell it!"* And Amos 3:7 says that God reveals his secret to his servants the prophets! And one confide to somebody who can keep secrets! Now, bear in mind that I am against them all and they are all against me! The churches here, the State there, it is a war that will not end as long as I am alive! Jesus said: *"Father, forgive them, for they know not what they do."* but they received the reward of it! And right from year 70 with the deportation up to Hitler, Stalin and Mussolini, the Jews needed to learn to respect prophets! And today, Capernaum is the depths of the sea. Whether churches, the State or other, it is the same thing, each one is rewarded. It is thus inevitable that my village, my people, my nation and the whole earth should be blessed or cursed because of me!

I am going to read something in Jeremiah 26: 8-9: *"And it came to pass when Jeremiah had ended speaking all that Jehovah had commanded him to speak unto all the people, that the priests and the prophets and all the people seized him, saying, Thou shalt certainly die. Why hast thou prophesied in the name of Jehovah, saying, This house shall be like Shiloh, and this city shall be desolate, without inhabitant? And all the people were gathered against Jeremiah in the house of Jehovah!"* You see? As the prophet Jeremiah has seen and said things that do not suits them, they want to kill him! What the children of the devil want, it is somebody who will come and tell them that they will have several promotions in their job! God knows that men do not like those He sends, this is why since the Old Testament He declares, (in Psalms 105:15): *"Touch not mine anointed ones, and do my prophets no harm."* And in 1 Ch. 16:21-22, it is said that God did not suffered anybody to oppress a prophet... I read that: *"He suffered no man to oppress them, And reprov'd kings for their sakes, Touch not mine anointed ones, And do my prophets no harm!"* You see? God says: Leave my prophets alone! I do not even suffer you to say nice things about them! Leave them alone! The Bible says that God reprov'd kings because of His prophets! If somebody attacks me verbally or in his actions, I will not retort but he will pay that up to his death, his children will pay that and the children of his children will pay that from generation to generation otherwise I am not a prophet and God did not speak to me on April 24, 1993! [Ed: *The congregation says, Amen!*] You see? Since I am not come to destroy but to save, and I am come not to curse but to bless, I always ask the God of Heaven who has sent me to turn all they say to me or do to me into blessing for you and me! And also that He may make this work be extremely great! That has always been my motto since when I was a little boy!

And concerning that, it is because people have evil intentions and the enemies of the midnight Cry are numerous; if not saying that such a person will die on such a day at such an hour or telling people: *"Leave this place because an accident will occur here on such a day at such an hour"* cannot be surprising. Several examples are in the Bible! Why is he called a *"prophet"* then if he cannot announce things to come? If he does not say anything, you will say that he is not a prophet because he does not announce anything in advance! If the accident does not occur, you will say he is a false prophet! If the accident occurs, you say: It is a sacrifice, he caused that? Then in this case, what should he do? Yet, your prophets say: *"there shall be a coup!"* And when that occurs, you say: *"he is a true prophet; he had said that to us in advance!"* But when it is I, because of the midnight Cry, you will say: *"Seize him, he is in the plot"*. I am going to read a passage in Bible to show that what happens to us is not something new. And in Jeremiah 26:8-9 that we have just read, Jeremiah was alone on one side and the priests, prophets, catholics, protestants, evangelicals and all the people on the other side, against him to receive the prophet's reward. And Jeremiah 26:11 says: *"And the priests and the prophets spoke unto the princes and to all the people, saying, This man is worthy to die, for he hath prophesied against this city, as ye have heard with your ears!"* They first sent him to prison and then they threw him in a pit, I am going to read that... Jeremiah 38:6: *"Then they took Jeremiah, and cast him into the dungeon of Malchijah the son of Hammelech, which was in the court of the guard, and they let down Jeremiah with cords. And in the dungeon there was no water, but mire; and Jeremiah sank in the mire."* All that is to try to make him die! Jeremiah told them... Jeremiah 26:15: *"only know for certain that if ye put me to death, ye shall surely bring innocent blood upon yourselves, and upon this city, and upon the inhabitants thereof; for of a truth Jehovah hath sent me unto you to speak all these words in your ears."*

You see? And no matter who will have killed me, it is you all, catholics, protestants, evangelicals, branhamists, Ivorians, Africans, Europeans, Americans and others, who will have done it! What you are forgetting is that I have already preached, I have already said who you are and I will never retract! When I want to travel, Belgium tells me: *"Sir, the prophet, you are reported by your country as not being eligible to obtain the visa, that is you are not the kind of person to whom a visa should be given and you are considered by your country as a threat to the public order, national security and the international relations between Ivory Coast and us! So we don't give you the visa!"*. With Switzerland, the same thing! And all that under churches' occult hand! While all the priests and pastors of Ivory Coast travel whenever they want to. When a prophet is on earth, the inhabitants of the earth will act so as to be blessed or cursed... And bear in mind that the greatest reward and the greatest gift of God to man is Salvation and Salvation comes only by a prophet!

You, Ivorians, Africans, Europeans, Americans and others, you are sons and daughters of the devil! You are the human posterity of the serpent that crawls in the bush! Do whatever you want but the midnight Cry shall sound in every continent, every nation, in every language, tribe and people on earth, in the remote jungles of Africa.

I have started giving some instructions and preparing what should be done after my going Home. And I am constantly talking about that to the sister! And as in Jeremiah 32, I have bought a piece of land measuring one hectare, not for tourists or pilgrims but especially for the printing house and for the diffusion of the Message! And I have decided that it may be exploited, little by little, from free donations. I have bought that piece of land there because the angels of God sang there! You see? God watches over his prophets because they are his own property and their word commits Him. Why do prophets go upon mountains? They go upon mountains because they do not have anything to say to the sons of man! And when they have something to say or manifest, they come back! And when it happens that they no longer have anything to say to the sons of man, God takes them away forever. This is why prophets retired to mountains, Moses would retire to mount Sinai, Elijah would retire to mount Carmel and Solomon built the house of Jehovah on mount Moriah. Jesus would retire to the mount of Olives and the Bible said in Luke 22:39 that Jesus going forth, he went according to his custom to the mount of Olives. You see? And I saw and behold the Lamb standing on mount Zion, and with him, the hundred and forty four thousand! Amen!

And I cannot end without reading these precious passages of the Bible: Amos 3:7: *"But the Lord Jehovah will do nothing, but he revealeth his secret unto his servants the prophets."* 2 Ch 20:20: *"And they rose early in the morning, and went forth towards the wilderness of Tekoa; and as they went forth, Jehoshaphat stood and said, Hear me, Judah, and ye inhabitants of Jerusalem! Believe in Jehovah your God, and ye shall be established; believe his prophets, and ye shall prosper!"* Hosea 12:14: *"And by a prophet Jehovah brought Israel out of Egypt, and by a prophet was he preserved."* And Mat.10:41 says that: *"He that receives a prophet in the name of a prophet, shall receive a prophet's reward; and he that receives a righteous man in the name of a righteous man, shall receive a righteous man's reward."*

And in this ministry, several have been blessed and I believe in accordance with what I am that even some pagans will get saved for having received me as a prophet or for having done you a good turn! Recently, I was in my village and a woman who lived not far from us came to see me. I felt compassion for her and I said to her to ask me whatever she wanted. She said: *"Pray for me so that I may not intoxicate myself anymore with alcohol and pray that my life may change! And give me also some money to buy some food because I am very hungry"*. I told her to make a choice between the prayer and the money because I could not answer but one of her requests! And she said: *"I want you to give me some money!"* And I gave her some money to buy enough food for the day. And another time I was in my village, she came before me and she said: *"have mercy for me, this time I only ask for the prayer!"* I said to her: *"Alright but bring me the money back so that I can give you the prayer you are asking for!"* And she could not bring it because she is very poor! And she is the perfect type of men and my people in particular! If one cannot say to God: *"Give me some money"*, how can one say to His prophet: *"Give me some money"*. Doing that is a curse.

[Ed: Thursday evening, March 26, 2009 in Anyama near Abidjan]... Well, we have a few minutes left and I want to answer another question here! Brother Philip, the Bible says that at the judgement of the great white throne, books were opened and a book was opened. What are these books? Well, I am going to read that... Revelation 20:12... I start with verse 11: *"And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled, and place was not*

found for them. And I saw the dead, great and small, standing before the throne, and books were opened; and another book was opened, which is that of life. And the dead were judged out of the things written in the books according to their works." Well, what I am going to say is a revelation and I believe that the Spirit of Daniel is him that can reveal this mystery! Daniel 7:10 says: *"A stream of fire issued and came forth from before him; thousand thousands ministered unto him, and ten thousand times ten thousand stood before him: the judgment was set, and the books were opened."* Amen! And the stream of fire here and the brazen heaven throughout the Bible and the glass sea mingled with fire of Rev.15:2 are the same thing: the divine judgement revealed to the Spirits of Daniel, Elijah and Jesus-Christ who are ministering here! [Ed: *The congregation says: "Amen!"*]. If this revelation exists somewhere, then I don't know... You are free to believe or to refuse what I am going to say but it is the exact truth! Rev.20:12 was fulfilled, is being fulfilled and will always be fulfilled on earth! You say: *"Brother Philip, it is the judgement of the great white throne! It is to come "* I tell you: No, Sir! For Rev.20:12 is coming up but Rev.20:12 is presently here on earth! [Ed: *The congregation says: "Amen!"*]. Well, follow now: first, at the beginning, there was only a first and only book which was before God for the people of the beginning and it was the book of life! Then the first book was opened and another book which was now that of life was opened! Then the first two books were opened and a third book which was now that of life was opened! ... Then books were opened and a new book which is that of the life was opened! Then in the days of Enoch, all the books of the prophets of before Enoch were opened and Enoch's book which was now the book of life was opened! In Noah's days, the books of Enoch and the prophets of before Noah were all opened and Noah's book which is the book of life was opened! In Moses' days, the books of Noah and the prophets of before Moses were opened and Moses' book which is the book of life was opened! ... The book of life in a generation is the book of the prophet of that generation. All the books of the prophets who came before him are worthless; they only serve as a foundation. You see? Firstly, everything took place in God's mind before the founding of the world with each people, each generation and each prophet! Secondly, that took place and takes place on earth with the same peoples, the same generations and the same prophets in flesh bodies as they appeared in God's mind before the founding of the world! And thirdly, that will take place at the resurrection with the same peoples, the same generations and the same prophets as they appeared in God's mind before the founding of the world and on earth from generation to generation! So there is no book called: *"Gospel"* or *"Book of life "*. Brother, do not let the devil make you dream! The Word is revealed in simplicity! When the Bible says that John the Baptist shall get mountains straight before the Lord Jesus, do not expect to see some volcanoes or earthquakes! And when you see some assemblies of the midnight Cry in such and such country of Africa, such and such country of the world, you need to understand that I am already walking on the lands of Africa and the whole world even though I have never had any trip out of Ivory Coast. Be spiritual! And now, when God say that He will fulfill something secret on earth, far from public demonstrations, what do you think it will be?
