

PREACHING N°88: A NEW GOSPEL

(Preached on Sunday August 23, 2009 in Anyama, near Abidjan – Ivory Coast/ www.matth25v6.org)

May God bless you, may God also support pastor Bakoulou in Brazzaville! I have here two branhamist pictures on the feet washing! One laid his hands upon the other and refused in his turn that the other laid his hands upon him. This is the shadow of the midnight Cry on them and I condemned it in the preaching: *"the transfer of spirits"*.

I have here two or three questions... The first is: *Brother Philip, when a brother comes near his wife, what arrangements does he have to make?* Well, they need to know first that they are impure and the first thing to do thus, it is to wash before praying or greeting anyone. They can however answer greetings or the telephone.

The second question is: *Brother Philip, are there signs by which we will know that God has moved away to be with another people?* Yes brethren, when you see for example homosexuals and lesbians marry and parade here, seek God somewhere else! You see? It will happen that you will envy muslim nations and I said that it will be the last people of the nations that God will visit! But for the time being, it is the midnight Cry and apart from the midnight Cry, we do not believe that there is a Christian or a servant of God somewhere on the face of the earth.

And the third question, brother Mbuyi woke me up the other day, he said: *"Brother Philip, glory be to God for my daughter because she's got pregnant after your prayer"*. And then he asked me whether the Urim Thummim was the Message... He had talked to me about the case of his daughter and had asked whether all this, especially the resurrection of brother Lissassi's mother, was not the signs of the 3rd Pull. I think that the manifestation of the 3rd Pull will not be for only one person but it will be general! And also concerning the Urim Thummim, it is right but remember that I said several times that I spoke to the ministers first! That is what Moses expressed in Lev. 8! Each messenger fulfills Lev. 8! He gives the Message and the Spirit of the Message to the priests through consecration! Each Message is the Urim Thummim for some time!

Well, we also have brother Arsène in Libreville, Gabon who had a mysterious dream since March 23, 2007! And here is the dream: He says: *"I was standing along port Mole, and there, I was caught up in Spirit and I saw the entire African continent. I could hear great noises and thunders and flashes then a powerful voice saying to me: "Look attentively, you, son of man and write down all the things I am going to show you". I looked towards the Earth (that is all Africa) and I saw a great colony of ants coming from the west towards the centre. They were walking together at a slow pace and singing with men voices songs in a language that I had never heard. Then I heard again the same powerful voice that had spoken before and it said from the Heaven: "Go, blow on the Earth a new high wind which will last 42 minutes" and four angels went down from heaven and went each to position in the four corners of Africa. I was allowed to see exactly the four countries where they were standing: one angel in Egypt, one angel in South Africa, one angel in Kenya and the fourth in Ivory Coast! They blew and four winds blew on earth and when the four winds had blown, the colony of ants became four rows of four colonies: a white colony, a green colony, a red colony and a black colony. After the 42 minutes the large white sky got closed again. I came back on earth and there, I could see that the four colonies were now two colonies of ants. The first and greatest was made up of the white, green and red colonies. And the second, approximately one third of the first, was the one that was black. I looked and behold, by night, the first colony did many immoral things but by day, it worshipped the Lord. It no more moved from its place, it danced, sang on the spot and magnified God. The second one, on the contrary, was still walking towards the centre and when it got to the centre, it formed a large circle around the new Land and I saw the four angels come down again and stand in the circle. One had a sword, another had a book, another had a candlestick and the fourth had a censer! And immediately, the sky opened again and the powerful voice that I had heard said again to me: "I am going to give you the explanation of the things that you have seen... the West: it is Ivory Coast. It is from there that the Message of the awakening will come at first and the new land, it is the nation which will be to lead the awakening for 1260 minutes". And the dream ended"*. It is a glorious revelation and this brother must certainly be a spiritual brother and I have been awaiting the interpretation for two months now. It happened that I have... In the past, it happened that a sister had told me: *"Brother Philip, I had a dream..."* and as soon as she started telling it, I told her: *"wait sister Clarisse..."*. And I told her all the rest of the dream with its interpretation. And I interpreted several dreams and visions but as for this one, may the brother forget it forever if he wants to fulfill the Almighty God's Will! You see? That happened to me in 1994 but that did not prevent me from being what I am today. [Ed: *The congregation says Amen!*]. That takes place on the bank of the water with a song in an unknown language, like the vision of 1993. And it is so subtle that the voice says: *"I am going to give you the explanation of the things that you have seen... the West: it is Ivory Coast"*. And it does not interpret anything more, showing that the messenger who will come from Ivory Coast will show what comes afterwards...

Well, I am going to talk this morning about the subject: a new Gospel. Paul said to those of his in 1 Co.4:14-15: *"Not as chiding do I write these things to you, but as my beloved children I admonish you. For if ye should have ten thousand instructors in Christ, yet not many fathers; for in Christ Jesus I have begotten you through the glad tidings."* Paul is talking here about the Gospel that God gave him! Every prophet comes with a new Gospel. He does not come to remind what another prophet said but he comes with a new Gospel as we can see it in Rev.14:6-10 and also in Rev.2 with the different letters to the seven assemblies of Asia. A prophet does not come to brandish the Bible or carry another prophet's scrolls! And seminaries and bible studies do not bring anything to faith! Joshua came with a new Gospel! Samuel came with a new Gospel! Each prophet comes with a new Gospel! The midnight Cry is the Gospel of Jesus-Christ. The book of Jeremiah is the Gospel of Jesus-Christ according to Jeremiah! The book of Zephaniah is the Gospel of Jesus-Christ according to Zephaniah! And reading through the Bible, I could notice that there were several other books: The book of Jasher: Jos.10:13, the book of the acts of Solomon who is a prophet: 1 Kings 11:41, the book of Nathan the prophet: 1 Ch.29:29 and 2 Ch.9:29, the book of Enoch: Jude v.14, the book of Gad the prophet: 1 Ch 29:29, the book of Ahijah the prophet: 2 Ch.9:29, in the same verse, the book of Iddo the prophet. The book of Shemaiah the prophet: 2 Ch.12:15 and in this verse again: the book of Iddo the prophet. The book of Jehu the prophet: 2 Ch.20:34, the book of the prophet Hozai 2 Ch. 33:19... You see? They are not in the Bible but they are Gospels for the Salvation of their generation.

You say: *"okay but prophet, as for me, I've accepted Jesus-Christ as my personal saviour"*! That is good, but Jesus-Christ, the God of the Old and New Testament, the God of Abraham, Moses and the prophets of the Bible is here and the words I say, it is Him that says them through me and these are the words that shall judge you in the last day. You see? It is Jesus-Christ, the God of Abraham, Moses and of the holy prophets who has sent me according to Mat.23:34-35, I am His slave! You cannot reject me and claim to believe in Him! [Ed: *The congregation says, Amen!*] You say: *"God told me in an audible way..."*. That is very good but what is the Gospel, what are your glad tidings that the whole world including catholics, protestants, evangelicals, branhamists and I do not know in this 21st century? Do leave the Bible and tell it to me! [Ed: *The congregation says, Amen!*] When in 1 Co.4:15 Paul talks about the Gospel by which he begot those of his, he does not mean that of Matthew, Mark, Luke or John but his own epistles. You see? I am the disciple of none of the prophets of the Bible. If I say something and that it is in conformity with what Paul said, so much the better. But humanity must acknowledge that the Bible is a memorial, it is old history and I neither drive my car by the rear-view mirror nor do I lead my people by the Bible. [Ed: *The congregation says, Amen!*]

When I was a student, I shouldn't go farther than the words contained in the dictionary and that is right, because I am not an academician. But once at church, this spirit that wants me to believe that I have no right to say anything which is not written in the Bible is the spirit of the antichrist! It is a demon. [Ed: *The congregation says, Amen!*] The word *"Bible"* comes from *Bibliothèque*! [Ed: *French for bookcase*] The Bible is not only one book but several books! The Bible is the compilation of sixty six books! And God never inspired anybody to gather the prophets' books in only one book! It is a child of the devil who had this idea! And at the judgement, God will not congratulate the one that did such a thing! God warned Israel against fields with different seeds and against pagnes with different materials! All the books of the prophets in only one book called Bible, it is good but it was a grandson of Cain who did that. It was not a divine initiative but that of the emperors with the roman catholic church's help. You see? Bombs were invented to dynamite rocks, granites to build bridges and roads... Those inventors did not know that it would kill thousands of people in Hiroshima and Nagasaki. A preaching which starts with: *"the Bible says..."* and which is nothing other than: *"the Bible says..."*, it is a course of history. It is old history. It is not Christianity. And having somebody believe that if he accepts Jesus-Christ of Nazareth and believes the Bible and grounds his faith on the Bible he will get saved, that is a scam! And the laws of our countries should punish that! The international criminal court should extradite those pastors! They are as bad as the one who robs the content of a blind man's pot! You see? Making somebody believe that he will be saved if he lives a good life by listening to courses of history and morals, it is a crime. God never called the Church to teach history and morals. It belongs to the government to teach history and morals to its citizens through its teachers and we have schools for that. Jesus of Nazareth, Muhammad and religions and what they did, that must be taught at school. The Church, it is for Salvation from God through a prophet! [Ed: *The congregation says, Amen!*] The whole world is conned by Satan. Conned with false words of God, conned with false churches, false holy-spirits, false hope of Salvation. They are all drunk and obsessed and they enjoy old falsenesses. They are so far that we do not know what to tell them...

Catholic church is in a book! Protestant churches are in a book like the catholic church! Evangelical churches are in a book like the catholic church! Branhamist churches are in a book like the catholic church! They are metamorphoses of catholicism but Christianity is not in a book! The true Church is not in a book! And look at the Bible: it was first the idea of a Hebraic canon named *"Old Testament"* but it was at the synod of Yebnah, near Jaffa in the first century that the canon of the Old Testament got completed. Then, the canon of the New Testament, gathered by Eusebus, is approved at the Council of Carthage followed by the cuttings in verses with figures in margins in 1551 by Robert Estienne and that was approved by the catholic clergy of France! You see? Canon, synod, council, clergy... they are catholic words! All the modern churches including the protestant, evangelical and branhamist churches are by-products of catholicism! Rev.17:5 says that all these churches proceed from catholicism, they are its daughters. All that does not swear but by the Bible is a by-product of catholicism! Take your Bible and show me where a prophet took his generation back to what another prophet said! That does not exist anywhere! And if that were true, there would be no book of Isaiah, Jeremiah, Amos, Daniel... You see? If God hasn't told you anything, keep quiet!

And when a pastor rises and says that: Joel 2:28 says this... then let's pray for this or such or such a person did this in the Bible then let's pray to have his spirit or pray to have the double portion of the Spirit like Elisha, let's pray to receive the glory of the second temple, pray for the latter rain, let's pray to be like such or such a person, let's pray to have such or such an awakening! Esther fasting, Jehoshaphat fasting, Daniel fasting... That is wrong! And if you receive five or six spirits of this kind then it is over, you are sealed for hell! Leave these things! What is necessary for you to be saved, it is the Gospel of Jesus-Christ for your generation! You see? No matter how much you successfully solved all the old tests of the A level degree, you will take the A level degree only when you pass successfully the tests of the A level examination intended for your promotion! If you go to the examinations and competitions office or to the inspection and you say: *"I am here to get my A level diploma!"* They will have you sit and they will put the registers and annals of all the A level graduates down and then they will ask you: *"Sir, which year did you take it, with which reference number?"* When you start showing how you mastered each course of the Upper sixth form and how you successfully solved all the old tests of the A-level examination... you will not even finish that they will take you by force to the closest psychiatric centre! No matter how neat you are and how much you will shout to protest your good sense, people will not get distracted by that! And that is the condition of all those who ground their hope on the Bible to be saved! You see? It is true that it is Jesus-Christ who saves but if you did not identify Him through the prophet He has sent to you according to Mat.23:34-35 then this is your condition! You cannot be saved in this 21st century but by a new Gospel!
