

PREACHING N°89: THE MYSTERY OF THE DARNEL

(Preached on Sunday October 04, 2009, morning in Adjamé, Abidjan–Ivory Coast / www.matth25v6.org)

May God bless you! ... I would like you to make a good reading of the Message. When I say, in the sermon: *"Refusing to progress"*, that if the wife of a pastor starts having her way like Mary Vazeille, he must sit down, that includes all those who approach the pulpit, that is pastors, preachers, leaders, elders and singers, no matter how good they are. You see? Our precious brother Jonas, who leads services here, he is a good brother but as soon as sister Liliane starts... But I think that she will not do that. Concerning that, a brother told me that, since he has been consecrated as a pastor, his wife has turned worse, threatening him every time that she will make things rough for him so he will no more be pastor! But brother Julien also told me that sister Jeannette, brother Anatole's wife, has changed a lot and that delighted me...

A time is going by! Several prophets and church ministers have more and more problems to pay the rent! They no more succeed in paying the rent and living the way they used to! You know that some gangsters, swindlers, might-have-beens, former singers and football players and even some retired civil servants turned into servants of God! It was obvious that one day people should become intelligent, especially with the advent of the midnight Cry! What remains to them now, it is to look for jobs or indulge in trade. They have no choice!

The construction work of the house goes on pretty well. On this subject, I would like to say that apart from you and me, nobody has his centime in this construction. No relative, no friend... And I also said that we would not build anything else in Katadji! Listen to this: There is nothing on earth that is above me and about which I cannot talk. And nobody on earth can influence me... As I wanted a printing house to be built down there to serve Africa and the other continents... You see? While they gave parcels to catholics, methodists, to the assemblies of gods... They have showed that they do not deserve that I, their son, should bring them anything at all. I expected them to tell me: *"You, our son, all the land lies before you, choose the piece that you find good and do what you have to do"*, they did not do that and I groped here and there until I could find a first parcel and there was some opposition. I sought again and found another one for which I paid an advance and which I cleared. There, Akadjé Moïse's children opposed! I sought somewhere else and I bought again another parcel of which I paid the price completely! There again, others started contesting for the piece! This is why I back out ... I know that in long run, some brethren will come from all the corners of the world. That is good but I oppose anything else being built there apart from my house! They did not have towards me the behaviour they should have! Instead of that, they beg me to sponsor sports, religious and socio-cultural activities. No matter how much God will elevate me, I will not sponsor anything. Before the founding of the world, in God's mind, I had overcome all these things. This is why God sent to me as a leader on the earth. If I liked sponsorships, honours and glories, every Sunday morning you would see me seated in jacket before the congregation on some Louis XIV's chair and I would have them call me: *"Reverend"*! And talking about me, the devil himself said with all his strength *"Humble, even in his spirit..."* And recently, while they all claim to be Christians, a small, empty and deceitful fetish priest, a serpent, frightened them and right away, they gave themselves up into his hands like children. Even a bitch will not give her young so easily to that serpent. And for the house, I have always said that, all the lower compartment is for the brethren of all Ivory Coast who will come to see me while the upper compartment is for those who will come from outside Ivory Coast to be baptised! As for my parents, I paved a way that they did not follow! When you do not eat pork, you must not eat pork sauce!

Well, I have several questions that I am going to answer... the first question is: *Prophet, because of poor people shouldn't we wear second hand clothes?* It is because of the transfer of spirits! But the ones you have already worn, and that were in contact with your body, wear them but do not buy any more! It is not good that some people send to others clothes that they do not want any more or that belonged to their dead parents. And those donors are rich people coming from mystical orders, homosexuals and lesbians. And as a prophet, I tell you that these clothes have a spiritual impact on the nation and the people who wear them. The products with which they are treated do not remove demons from them. It is an invasion of demons and do not be surprised to see depravity and homosexuals parade in your country.

The second question is: *Brother Philip, in the preaching: "a new Gospel", how do you know that the dream of the brother comes from the devil?* First, you cannot say that the dream comes from God or the devil unless you are here in the midnight Cry, since it is biblical, being through the limits of the Bible. All a pastor can say, it is that it comes from God or not but as for the interpretation, it is here in the midnight Cry, with the Spirit of Daniel! See how the disciplined and wise row of ants is the black row! Why? Because at midnight the Bride has a black colouration! It is right and I can interpret that for you point by point! No pastor or prophet, no church can interpret that for you, nor even branhamists! That leads us directly to the Urim Thummim and Deut.33:8. The brother who had the dream wrote to me to be grateful to God. You see that he has a good spirit!

The third question is: *Brother Philip, why did God establish Deborah as a judge over Israel while a woman must not exercise authority over man?* It is different, brethren! Any prophet or prophetess is a judge thanks to the gift of wisdom and the words of knowledge! And it is the kind of judgement Solomon, as a prophet, executed in 1 Kings 3:24 between the two women who disputed a baby! After he heard them, here is what Solomon decided... I am going to read that... *"And the king said, Bring me a sword. And they brought a sword before the king. And the king said, Divide the living child in two, and give half to the one, and half to the other."* He did not consult a psychologist, a file of investigation was not open but he said: *"Divide the living child in two, and give half to the one, and half to the other!"* And the first woman, whom the child belonged to really, said to the king: *"give her the living child, and in no wise put it to death."* And the second said: Let it be neither mine nor hers! And the king ordered that the baby be given to the first. And the Bible says that: *"And all Israel heard of the judgment which the king had judged; and they feared the king, for they saw that the wisdom of God was in him, to do justice!"* You see? And Deborah herself, being a daughter of God and having in her the true Holy Spirit, when Barak said to her: *"If thou goest with me, then I will go, but if thou goest not with me, I will not go."*, she said: *"And she said, I will by*

all means go with thee, only that it will not be to thine honour upon the way which thou goest, for Jehovah will sell Sisera into the hand of a woman."

The last question is: *Brother Philip doesn't Act 19:19 talk about books of magic art?* No! It is not question of pagan but religious magic art, books written by religious men! The Bible says: *"books of curious arts"*! You see! Magic is a curious practice for a man of the nations but not for a Jew! Rosicrucianism and freemasonry are not curious practices for a Jew. He knows that they are from the devil! But a book written by a priest or a so-called servant of God and that tells me how I have to start my ministry up ... which tells me that if I repeat the prayers which are in it a certain number of times, I will have a breakthrough in business or promotion in my service... and that I will be blessed or delivered, my problems will be solved! It is curious! It is a book of curious practices! You see? Do not get distracted! Do not look outside! It is within Christianity that the devil should be sought out! The beast, the mark of the beast, the dragon, the antichrist, the three unclean spirits as frogs, the great harlot, her daughters... all that it is within Christianity. When the Bible talks about great Babylon, do not look in Palestine but within Christianity! *"Curious practices"* means: *"practices which the human mind cannot determine whether they are of God or the devil"*, which excludes books of pagan magic arts! A book that contains prayers like: *"Mountain, give my marriage and my blessing back ... I have prayed and I am answered in the name of Jesus-Christ! I live at the residential district of Canaan with my husband and my children in a large air-conditioned villa with a big 52 inch-screen TV set "*, it is a book of curious practices which must be burnt!

Well, this morning, I want to talk about the subject: *"the mystery of the darnel"* but I am going to talk particularly about the serpent's seed. I said *"the mystery of the darnel"* because there is a mystery around the darnel and God reveals this mystery at this end of time. [Ed: *The congregation says "Amen!"*] The only person that I recognized in the military cargo was the mixed race one. I recognized only one person in the great crowd and only one person in the military cargo. You remember that in that vision, the military cargo contained some women and she that had caught my attention was of mixed race... I had seen the other women but I did not know them. But that mixed race one, I knew her because she is a relative of mine, a maternal cousin and I said that she typed the branhamists perfectly. It was obvious that I might not recognize any among the other women who were in the military cargo except that mixed race woman. Amen! I could not recognize the lutheran for example because she is the darnel of a church that existed hundreds of years before I was born... I did not know them and I also did not have any family tie with them. I could not recognize those old lutherans, calvinists, zwinglians and others. But I knew that they were old prostitutes and their clothes of seduction and make-up showed it. My cousin, the youngest was almost naked, her legs were naked. She was the most immoral. She had that sort of fig tree leaf just to hide her sex and she was there, her face turned up like that, with the look and the pace of a small prostitute or a queen who has no morality, exactly as you can see it on that photograph. Yet, since her childhood, she was a pious catholic and she is so far and one of the titles on her album is *"Virgin Mary"*. In 1993, by the time of the vision, she was not but an innocent young girl and if I told her that I saw her naked like a vulgar prostitute, her body almost naked, she would get angry. But fourteen years later, I saw exactly the image and the posture she had in the vision, her face turned upwards in that military cargo, going forth conquering and that she might conquer. Because of the vision, she should have an international career... You see? But, nobody could think that that little girl who was so prudish would expose herself naked on the Internet to the eyes of the whole world today. But she was to fulfill the vision.

Now, let's consider that under another aspect. What is of interest for us, it is the spiritual aspect! Amen! Well, the mother of this cousin is a black woman from the Baoulé ethnic group while her supposed father is my mother's little brother. Her supposed father is the blackest of the three brothers of my mother. Thus her father and her mother are black, born themselves to black parents but she was born a mixed race child, with the hair of a white woman. You see? It is a serpent that did that! You will tell me: *"O Brother Philip, it is possible!"* No Sir, it is not possible! You see? And if she had come out a black, it would never be known and that shows how much homes are full of adulterine children. And this is what the churches are. Thus, branhamists were not born from the Message of William Branham. But they were born from the Branham-Tabernacle, their mother is the Branham-Tabernacle but they were not born from a union with William Branham. Their father, it is not William Marrion Branham but the same serpent that begot Cain. You see? And this supposed cousin speaks abidji correctly. When we were children, we were all the time together. And abidji is supposed to be her mother tongue, she speaks only this mother tongue but she is not abidji. She bears the name of my uncle, she is supposed to be my uncle's daughter but actually, she is not. That leads us directly in Eden in the serpent's seed! That is what Cain, Osborn, Reinhard Bonnke, Benny Hinn, Ewald Frank, Joseph Coleman are... They are not pure men created by the Almighty God's own hands but they are counterfeits and clonings of Satan! That is what Judaism was to get to pharisees, sadducees, hellenists, essenes, herodians... And that is exactly what the current christianity is under all its aspects from the apostles to the current branhamism, missions and ministries. You see? Branhamists are not Branham's children. Branhamism is not a progression of the Branham-Tabernacle but the fruit of adultery between the Branham-Tabernacle and the serpent, as in Eden. What are they while they preach William Branham's Message correctly like their sole mother tongue? That is exactly what Cain was in the Genesis, speaking Hebrew, behaving like a Hebrew with Abel and introducing himself as the son of Adam and my supposed cousin, on this side, speaking abidji as her mother tongue! You see? Luther is not the begetter of lutherans, Wesley is not the begetter of methodists and William Branham is not the begetter of branhamists. They are supposed to be of these ones but they are not! And, the midnight Cry must sound according to Gen.3:15 to crush the head of branhamism. You see? Like Cain, even before William Branham died, an invisible hand had begotten them! It is an enemy who did that! He that has been begotten by a prophet cannot live without a prophet. But look at them! They do not know themselves how that could be possible but that is what they are and it is not I but it is the vision of April 24 1993 that shows it! That is the exact truth! I say it in the name of the Lord and I will answer for that before God! You see? It is not wheat that becomes darnel. They both grow on the same ground, on the same place but they were sown by two different people! Have a wheat or rice field. By the end of six or seven years, pass by that place again and you will not see any trace of wheat but

something else on the same site. Wild animals, weeds, thistles and thorns destroyed and erased the wheat from the place. Catholics, protestants, evangelicals and branhamists are not wild wheat but the darnel sown by the enemy, the serpent! And those false seeds were not sown after the harvest but before it. Paul had not yet died that the darnel grew. The darnel, that is, the serpent's seed was there with the wheat long ago. It simply appeared after the master of the harvest had left the field. You see? The darnel comes on the same ground and on the same place as the wheat, trying to imitate the wheat but it is the serpent's seed! Their father is the serpent! [Ed: *The congregation says, "Amen!"*].

Well, notice that I am not talking about pentecostals, assemblies of gods and others so far. Because their father and mother are serpents. They are goats, they have nothing to do with the plan of Salvation! Dan.8 talks first about a beast like a lion because Israel went forth from Egypt like a lion, Paul appeared as a lion, Matthew is the lion and it is obvious that the first darnel, that is catholicism should appear in the resemblance of a lion because of its mother. Then comes another beast like a ram! Daniel saw that this beast also resembled a lamb but it was not a lamb! It resembled a lamb for God made its mother that brought it into the world from a lamb's rib and Daniel thus saw that it resembled a lamb but its father is the same serpent, Cain's father! Amen! The lion, the ram and the nameless beast of Dan.8 are darnels going forth to conquer the world whereas the mother and father of the rough goat, which is the whole of evangelical movements, are serpents! [Ed: *The congregation says, "Amen!"*] You see? Like Cain, the methodist church came out of Wesley's traces but it does not have a direct affinity with Wesley. Baptist, lutheran, zwinglian, calvinist, anglican churches and others do not have a direct affinity with any of the messengers that God sent on earth. They are darnels which, when growing, sought to resemble the true thing because of their mother or of their mother's descent! [Ed: *The congregation says, "Amen!"*]. You say: *"O, I am not the darnel!"* Okay, but as soon as you listen to Ewald Frank, a man who had told a certain Willy Eyoto: *"we should not preach like William Branham for fear of having troubles with all the denominations and governments"*, you are the darnel! As soon as, forty years after William Branham, the desire for seeing a prophet speaking to you as William Branham spoke in his time does not burn in you, then you are the darnel!

Now remember that like her lutheran, zwinglian, calvinist, methodist sisters and others, on the album of that mixed race woman is the title: *"Virgin Mary"*. She sings her mother, the roman catholic church. This is exactly what each branhamist preaching, praise songs and worship express before the Almighty God. You are free to believe or not believe but this is the exact truth. You see? In Genesis, from among Adam and Eve, Cain came out, exactly the same type of the darnel which is on this side in the vision of April 24, 1993. When Cain appeared, he appeared with the genetic signs of the serpent. Cain is not the son of Adam but rather of the serpent. He is a product of adultery between the serpent and Eve. Churches do not believe it but this is the exact truth! Cain is not the son of Adam! Thus, the world christianity does not proceed from Christ. They can come from Israel, they can proceed from such or such church claiming herself of a true messenger of God but they do not proceed from Christ. You see? Branhamists do not understand. William Branham did not only reveal a mystery talking about the serpent's seed for your knowledge according to Dan.12:4 but he prophesied what you are! The darnel of this generation, it is you! The serpent's seed, it is no more Cain that should be looked upon but it is you! This is the exact truth and no one can have eternal life but by that, by believing what the prophet says! Jesus said in Mat.4: The man shall not live by bread alone but by every word which goes out through the prophet! Not: by all the words contained in the Bible or which went out through God's mouth forty years ago but by every word which goes out, in the present tense, through the mouth, not through the mouths but through God's mouth which is the prophet. Fresh word! Since God Himself had prohibited through Moses to eat adjourned manna. You see? Even branhamists do not understand that. One of them said to me the other evening: *"But prophet, the angel said to brother Branham that there are no more mysteries to reveal..."* I said: Okay but when Jesus said: *"All is finished"*, what does William Branham come to do? And he could not answer. You see? Jesus said: All is finished for the redemption of humanity! For the redemption he said: *"All is finished"* but the way He saves remains the same under Hosea 12:14. Heb.13:8 says that He is the same yesterday, from Moses to William Branham, today with Kacou Philip and to the ages until He comes. He said in Mat.23:34-35: I will send unto you prophets! As long as there are men to save, God will always send prophets on earth! And by rejecting the prophet of your time, you automatically reject Jesus-Christ and His sacrifice on the cross as we can see it in 1 Sam.8:7! When there is a prophet on earth, it is through him that God will speak to any man! And no matter how spiritual you are... Go and have a forty-day fast each year, pray everyday from midnight to six o'clock in the morning, but as in the days of Noah, you need to believe in Kacou Philip today to be saved! [Ed: *The congregation says, "Amen!"*]. Another one said to me: *"But prophet, don't you think that you're taking the place of Jesus and the Holy Spirit in the life of people and they follow the man instead of following Christ who died and who shed his blood for them?"* Right, that is what Korah, Dathan and Abiram could not stand in Moses' days! That is what people could not stand in the days of Noah and each of the prophets! We follow God through the prophet and when the prophet says that the word *"luck"* is slang which needs to be substituted by *"grace"*, we say that it is God who has said it. And we go ahead... If not, they do the right thing in following me and believing in God and me! May God bless you! [Ed: *The congregation says "Amen!"*].
