

PREACHING N°91: GOD REMEMBERS ISRAEL

(Preached on Thursday, December 03, 2009 evening in Anyama, near Abidjan– Ivory Coast / www.matth25v6.org)

It is not I who is to preach this evening... My village has just celebrated a woman pastor! They wanted me to contribute financially! I did not of course and I will never do that! As the goads of deliverance on Paul's companions on the way to Damascus, if the angels' song above them did not produce anything on them, they will never be able to drag me into their sorcery! Having a woman at the pulpit with her menses, the whole village can agree but Joshua said: as for me and my house, we will serve Jehovah! [Ed: *The congregation says, Amen!*].

I have two questions here which I have to answer. Well: *Brother Philip, is it better or necessary for a servant of God to marry a virgin?* ... Right, if there is any but what is important, it is him first! If he has lived rather well as she has, this grace can be a right for him. It is brother Fortuné who has put this question.

The second question is: *Brother Philip, if the gates of our heavenly city got opened only in 2002, where were those who died since 1993 and who are to get therein?* Brethren, the gates, they are the different ministries here but the gate of the wall, it is the prophet! Thus, the dead, although they were already redeemed by Christ's blood, simply fell asleep like those of the Old Testament! And in 2002 when the Cry sounded on earth, the gates got opened in the Heaven. The catholic, protestant, evangelical and branhamist veils got rent from top to bottom! And I said that when a preaching of the midnight Cry sounds, that rends catholic, protestant, evangelical and branhamist nets and shakes the hades' gates. It was therefore in 2002, when the Cry sounded that the dead in Christ in the hope of the midnight Cry got in. [Ed: *The congregation says, Amen!*]

Well, after the preaching on the mystery of the danel, talking about the mixed race woman in the vision of 1993, somebody told me: *"Brother Philip, I know her well. Look on the CD of her album, there is an obscene picture with something like a fig tree leaf just to hide her sex "*! And that picture was placed on the website. Having crucified Hosea 12:14, that is what branhamists are before God. And up to year 2007, we could not think that she could do that! And in spite of that, on the CD sleeve, it is written: *"An album dedicated to Jesus-Christ my Almighty God through Virgin Mary"*. That is branhamism doing homage to its mom, the roman catholic church which prostituted herself to bring it into the world. And while the midnight Cry is strengthening, they move from *"ism"* to *"ism "*, from division to division because there is no more life there! Billy Paul and Joseph Branham can no more give Joseph Coleman the sincere hugs of before 1965! Billy Paul and Joseph Branham can no more give Ewald Frank the sincere hugs of 1966! Ewald Frank and Alexis Barilier can no more hug each other as they did ten years ago! And Ewald Frank has just banished Leonard Lifesé, his faithful companion, who was his interpret! O God, please have mercy! And I asked to several branhamists, according to the anticipated vision, which lot they would get in after their death! And I did not receive any answer! I am curious to know it! You see? Pharisees said to Jesus: *"... You are the one who sees things this way; we are otherwise neither organized nor divided. Moses said that his Message will never be organized! We are united around the Message with some disputes, we are all of Branham! We are sealed with him "*. You see? If not, how will Ewald Frank, Joseph Coleman, Alexis Barilier, Leonard Lifesé and Pierre Kas be gathered with William Branham? If they are gathered with William Branham, all the methodist tendencies will be gathered with Wesley and all the lutheran tendencies will be gathered with Luther. And when God finishes saving Ewald Frank, Joseph Coleman, Alexis Barilier, Leonard Lifesé and Pierre Kas, He must open Moses' door so that the pharisees, sadducees, essenes, herodians and hellenists might get in. [Ed: *The congregation says, Amen!*]. And then He will receive all the churches and shut the hell up! But that is not possible! You see? Come back to the prophet, not to the Bible! There is no Salvation apart from a prophet and a child of God will never crucify Hosea 12: 14! You see? Apart from a prophet-messenger, all those Eph.4:11, those reverends, bishops, and others, it is banditry and what you call *"churches "*, they are cooperatives and clubs to support for a bandit! [Ed: *The congregation says, Amen!*]. There are divisions in churches, States are tearing one another to pieces, there are more and more political parties! All that because of the midnight Cry! Not because of a man but because the Angel and the Lamb came down. You see? It was not blacks' struggle and Mandela's 27 years in prison that put an end to apartheid and led the blacks of South Africa to glory in April 1993. And it was not Martin Luther King and Malcolm X who changed blacks' condition and who caused Barack Obama to be elected in America or Kofi Anan to the UN. It was not a human hand that made these things but it is the Angel's coming down on April 24, 1993. [Ed: *The congregation says Amen!*]

Let me to say this: If God is logical, Israel must belong to Jews and I would also shout that. But God teaches that, when you opt for homosexuals and lesbians, Palestinians have a divine right to be where they are at present! What their ancestors lost by worshipping the devil, you must retribute that to them if you also want to worship the same devil! [Ed: *The congregation says, Amen!*] Can homosexuals and lesbians parade on Arabs' land? No! Israel's God, in old days, was the Jehovah the holy prophets preached but Israel's god today, it is America! I am not the one who has to say that to them, that is why God sends them Elijah and Moses! [Ed: *The congregation says, Amen!*]

Well, still after the preaching on the mystery of the danel, that is now five sisters who acknowledged that actually, such a child is not the child of their husband! They never said that to their husband and they did not even confess that at their baptism! God had to talk about it and they be troubled for them to confess it. And I came to the conclusion that the public confession is not taken as it should be. People confess to unburden their conscience. They do not confess their sins because Dan.12 says that they need to do it to be purified, made white and refined but they do it to unburden their conscience. Thus there are sins that are confessed and others that will never be confessed if possible! However, it is for that the midnight Cry has come. You are free not to confess it but you will not go to Heaven with that! Now, you brethren, when she confesses it,

do not say: *"Oh Brother Philip, that's a tough thing, it is because you are not me..."* Brethren, do not take it bad, love the sister and that little innocent child who can be a child of God. You see? And at the baptism the pastor must question couples about these things and if one confesses that he is been unfaithful to the other after the dowry or while they were living together, he cannot receive the baptism but after he has confessed that and been forgiven by the other! These are the words of eternal Life! All the rest is not but imitation! You see? Imitation! And the imitator is now getting at the midnight Cry so much so that a white pastor named Mark Grizzard in North Carolina, USA, chairing the church Amazing Grace Baptist Church announced that he would burn some false versions of bible; yet, he is a baptist. A thing that had never occurred on earth before the midnight Cry! For this pastor, the King James version is the only English bible but as for French, he does not say anything whereas the King James version does not exist in French. But he does not burn Darby! He also burnt some books of Billy Graham, Rick Warren, Jimmy Swagart, Benny Hinn, John-Paul II and Benedict XVI... without burning those of T.L. Osborn, Yongi Cho and others. He will burn some rap, pop and jazz CDs. There is also another one who preaches that only King James, Louis Segond and Darby versions are good and all the rest is from the devil! And the hour is coming when each church shall opt for only one bible version and if possible burn the remainder, and that shall divide them again. That is the shadow of the midnight Cry upon the earth!

To finish, I would like to explain a passage: Hosea 1:4... You can have a divine right to do one thing. Do it if you are allowed to. God Himself had mandated and commissioned Jehu saying: *"... thou shalt smite the house of Ahab thy master; and I will avenge the blood of my servants the prophets, and the blood of all the servants of Jehovah"*. And Jehu obeyed God and thus he did! You see? Read 2 Kings 9 and 10 and you will see that that Jehu had the same zeal and took the same way as Joab the son of Zeruiah! You say: *"Oh Brother Philip, it was God Himself who told him to do that and even the prophet Elijah said he would do it!"* Okay, but you the slave, you can beat your master's sons if he asks you to but with fear and much restraint because they are the sons of your master! You will hardly obey your master if you fail to say sorry to him for his sons! But Jehu had acted as if he was fighting a hostile nation and it was obvious that, a century after that, when God turned from his great anger, He should visit the house of Jehu to make him pay for all the evil that Jehu did in Jizreel. You see? When God turned from his anger and saw Jizreel, the devastated royal city, He remembered Israel and He said: *"Why did not Jehu fear to exterminate all the house of my servant Ahab! Little and great, free and slaves, righteous and unrighteous?"* And God remembered Ahab and God was grieved and smote the house of Jehu!

Well, now listen to this: A man had a foreigner that he took as his son. This foreigner had sons and daughters that God loved and to whom He gave drachmas and whom the sons of the master also coveted for wives. But when they became grown-up and they saw that they were beautiful, their heart turned otherwise. One gave herself to a foreigner coming from some country while her sister gave herself to another foreigner coming from another country and another. . They loved foreigners until the sons of the master could receive the heritage. Then they turned to them and seduced them. And the day of the marriage, she requested that all those who were indignant [about it] should be punished and thus was it. And recently, when I was in Katadji and I was looking at this house in which I could never live if God had not given me this ministry, I remembered the little box on the side of the road in Locodjro and the tough sacrifice at the beginning of this ministry. I also remembered sister Valerie and that sentence I had noted down between the two testament of my Bible on July 09,1997 saying: *"... Jehovah hath been a witness between thee and the wife of thy youth, against whom thou hast dealt unfaithfully: yet is she thy companion, and the wife of thy covenant."* I believe she can testify that before we met in 1999, this sentence was already engraved in my Bible. I do not know why and for whom I had written it there! But wouldn't it be good and wonderful that it be with her that I live there? I certainly dealt unfaithfully and may God forgive me but, also, Ex.18 says that she returned to Moses. And here, she came back with a letter from her father. I dare to believe that the two years have changed her. I also wonder whether all those who dream about being my wife today would have accepted to be my wife at that time! And what I never said is that, in addition to all the many sufferings, there were not even toilets in that place where we lived! You see? I think it would be good that, in memory of all this hard past, I should not go over there without her except if you do not find that fair. If not, my two children, still young girls, never stopped clamour for her return. I wonder how we could stay in that place for so many years under the deafening noises of cars and of the dance bar which was on the opposite side. You see? When God said Israel the rebel shall be deported from her land and Jerusalem shall be ploughed as a field, He had also said: You, Israel if I forsake you, let my right hand forsake me! Israel means: *"married to God"* but Israel was deported from her land for approximately 2000 years before returning to her fatherland in 1947 when God remembered her. And in our separation, since she remained faithful to me and to the Message, always saying that she will never be to another man in all her life, wouldn't it be good for her to come back? Bear in mind that I have only one wife named sister Valerie since 2000. William Branham saw his people, in the anticipated vision, at the end of his ministry while I saw mine and my lot before the beginning of my ministry! That is why he and I cannot act the same way! If you agree, say: Amen! ...
