

PREACHING No.92: PROPHETIC ACTS

(Preached on Thursday December 24, 2009 evening, in Anyama, near Abidjan-Ivory Coast / www.matth25v6.org)

Well, the new year is coming up, be joyful but feast moderately! We do not celebrate Christmas and we do not magnify some mother of Jesus-Christ because we are not catholic. Mary can never be the mediator between us and Jesus-Christ. And 1 Kings 2:13-25 is a prophetic act that shows it. Adonijah, the national president of the "*legion of Mary*" had pleaded the intercession of the Virgin Mary to marry Abishag.

I've particularly decided that for the construction at Katadji, the assembly of the village of Gagny-Crossroads may not contribute any more. They are about forty people and in addition to all that they did and are still doing for me, I do not remember that one Sunday, an assembly had donated beyond their contribution for the house. And often, as for this Sunday December 20, they donated more than all the six assemblies of Abidjan gathered!

... In addition, yesterday, brother Martin informed me of the fact that preacher Darius had been put under observation for displaying pride and that because of his clothing, however correct! I think that I am not making myself well understood... Somebody can be very poor, badly dressed and at the same time very proud! As the prophet is simply dressed then everyone must get dressed so that getting out our worship services, one has the impression that they are vulgar poor people leaving a club of friends? I suppose that you wear what you have best and you are as well dressed as if you had to go to the presidential Palace to have a talk with the president of the republic.

Well, for the comments on the preaching on "*God remembers Israel*", a preacher said: "*sister Valerie, it is the type of the foolish virgins coming from the great tribulation*"! No, brother! That is why, from henceforth, when a preaching comes out, you shall record the comments of the preachers for me so that I can know precisely what is said to the people. And when another preaching comes out, another preacher who has not yet commented on will do so that all should do it.

Still in the last preaching, I spoke of a certain prophet who preaches that people must use King James, Louis Segond and Darby versions. He knows and reads the midnight Cry. I had spoken with him once. He was proud and furious and he said: "*You, Kacou Philip, your baptism of restitution is false, come back to the Bible! I challenge you...*". And the conversation we had, he spread it and sent it to several brethren. And the day before yesterday, I went to see on his website and I saw that he removed Louis Segond out of the list of the bibles that he recommended. Then I started to talk with him and he said that there was a serious error at the level of Act.19. And I told him: "*But at the time when you were recommending this Louis Segond bible, Act.19 already existed*"! He said: "*that's true*"! And I said to him: "*But how can Darby be good in French and bad in English?*" He said: "*There, as I cannot speak English, somebody has to check it from the English side*"! I said: "*Check? But instead of checking, don't you think that the revelation is better? Since you are prophet!*". He paused and he became so gentle! And I started to give him some pieces of advice... We do not believe in comparisons but in the revelation! If you base yourself on errors to find the best Bible, you will see errors everywhere because of the face of man of the four living creatures. And if you are seeking a well translated bible, know that Satan has been speaking Hebrew and Greek for 6000 years...

There are mysteries that we will never understand but we believe them! The most important thing, it is to believe simply! Before I had preached anything, the large crowd said in the vision: "*We've neither seen nor heard but we entirely believe!*" It is not: "*that which we have heard, which we have seen with our eyes; that which we contemplated, and our hands handled... we report to you, that *ye* also may have fellowship with us*" as 1 John 1 says it but an immense crowd came from the right side and one of them took the floor and said: "*We have not seen the Angel and the Lamb and we have not heard the words the Lamb pronounced, but we entirely believe It*". [Ed: *The congregation says: "Amen!"*]. That is prophetic faith! Believing what they have not yet seen or heard! The wise virgins have never been shaken by any wind! And it is in the moments of a prophet that prophetic acts and signs are manifested! And prophetic acts are higher than... There are three great dispensations of the divinity: the Father, the Son and the Holy Spirit! There are three great dispensations or stages of the Word! There is first the memorial which is the whole of the existing prophetic acts and words, that is to say the "*It is written*", then comes the spoken Word and finally prophetic acts! And all three of them are the original seed. The spoken Word is the original seed. Prophetic acts are the original seed! But God manifests Himself in the second or the third dispensation depending on the time or the person that He uses! When you try to show today that a woman should not go up in pulpit and that God so loved the world, that he gave his only-begotten Son... it is not by a revelation! You do not need a ministry to say that. It is just a recall coming from you in accordance with what God has already said! You have dipped from the memorial of the Word! It is a course of history. You must say things that people do not know. William Branham said that the Holy Spirit cannot seize somebody to prophesy what is already written here in the Bible! God acts in the second and third dispensation and when the time passes, that simply goes down into the first dispensation like a memorial and that is just good for children at Sunday school. When you say that the baptism is in the name of Jesus-Christ by immersion, you are not doing anything except making an existing truth reappear. That does not set you in the Truth! But when you say that the baptism by immersion in the name of Jesus-Christ is false if it is administered for repentance or remission of sins, then you are in the prophetic revelation of your time! You see? The false holy spirits in the churches, the true Bible to be used and similar things go in the order of the spoken Word. And the prophetic acts can refer to the prophet, the people and to the whole nature because they have been created by the Word and all that was created by the Word expresses God's Word. When God created Asians yellow, Europeans white, American red and African black, they were prophetic acts. The sun, the moon, the stars, the seasons, the reliefs are prophetic acts. And in the desert with Moses, it is said in Ex.15:27 that Israel left Marah and arrived at Elim, where there were twelve springs of water and seventy palm trees! And these twelve springs of water and seventy palm trees are prophetic acts which announced the twelve apostles and the seventy disciples of the Lamb. And I spoke here of the seven mounts near Lima in the State of Montana, in the United States, in connection with the name of William Branham: they are

seven mounts that God formed when He was creating the earth! But He made it in connection with a man, William Marrion Branham, whose three names have seven letters each! And that is represented in this semi-mountainous area near Lima in the State of Montana in the United States! It is the approach of the ministry coming up! And here, Ivory Coast is born from a migration of people at the time when all the nations are in place! And a man appears as a type of Ivory Coast. And for example, it is because of Matth.25:6 (3) that the Ghanaian women came into Ivory Coast and you know that their songs were appreciated here in our vigils... They are prophetic acts. And I hardly failed to say that the Angel of April 24, 1993 had my shape and was as tall as me! Now it is said that this messenger of Matth.25:6 will be a glorious character in his time. Look closer and you will see that he that comes after William Branham expresses himself in word and acts!

Now, for those who do not understand the last preaching, bear in mind that there are three peoples under the heavens! First the Jews, secondly the Samaritans who are Jews by adoption and finally the Gentiles, that is, the nations! Shem, Ham and Japheth! Three peoples, three dispensations! A rebel Jew then a Samaritan with an ungodly life but spiritual then a bride of the nations, having no spot nor wrinkle then God returns to Israel with Elijah and Moses as we can see it in the vision with the two doves! Jesus had told his disciples in Matth.10:5 not to go off towards the Samaritans and the men of the nations! Jesus sent those twelve and gave them orders, saying: *"Go not off into the way of the nations, and into a city of Samaritans enter ye not"*. And farther, it is said: *"I have not been sent save to the lost sheep of Israel's house."* Asia, Europe and America end up the seven ages of the Church! Then comes a new dispensation, a dispensation of the types on the back of the book, tracing back all the plan of Salvation that only the elect understand according to Dan.12:10! And a branhamist, after he read all the preachings said: *"I wish to meet you and I will know if you are a true or false prophet!"* I said in my heart: You are but a liar! If the spoken Word, the Word I've been preaching during seven years did not convince you, it is impossible for my human side, however prophetic it is, to convince you because it is the spoken Word that God gave to William Branham of whom you claim yourselves to be! You are branhamist and you can neither understand nor accept a prophetic act! He that was born of the law does not understand the grace as Rev.6:9-10 says it!

It was necessary for Israel to rebel and behave that way so that God can turn towards the nations! ... The sister appeared like Israel at its departure out of Egypt but here, she comes back like the same Israel born in the desert and who cannot have the same behaviours as the first one... It was in 1999 that we met one evening at a phone box where I went to make a phone call! The person managing the box was her friend. I talk to her right away about the Word. She seemed interested in it and I showed her where I lived. Time went on and I had forgotten, when, one day, she passed by to greet me. I did not even know who it was. She just greeted, said who she was and went back again without sitting. Another day, she came and I talked to her more deeply about the Word. She was a methodist, she was partaking the inter-denominational biblical quiz and she attended, at the same time, prayers with two different prophets among whom one had baptised her in the name of Jesus-Christ by immersion while she is methodist. Little by little, I brought her to the evening time Message! Thereafter, there was a brother there who wanted to get engaged to her but she refused. And in the long run I sought a way to declare her my vow but when I told her to come on such day, she would not. One day, I put money in an envelope with a note saying that it was for her personal needs and I forwarded that to her through a friend. And the following day, she brought the envelope and the money back to me. And she started to run away from me and that lasted six months. Then she travelled and being on her journey, I had addressed her two letters! And it was by the end of year 2000 that she accepted and that we got married followed by at celebration at the Town hall. She was the first soul of the midnight Cry after me.

It is God expressing Himself through prophetic signs! You see? When God took Eve out of Adam's side, they are prophetic acts! Abraham offering his only-begotten son... when this and that thing happened to Joseph, the son of Jacob, they were prophetic acts! Moses raising the snake of brass, David weeping on the mount of Olives, they were prophetic acts! The Jews who saw those things could not understand but today we say that those acts are meaningful. That's good but the most important thing, it is to believe in what is going on today!

In the desert with Moses, apart from the mixed multitude, there were on one side, those who went out of Egypt and who lived through each stage of the march towards Canaan. Those who underwent all the winds with Korah, Dathan and Abiram; the revolt at the waters of Meribah, the revolt in the desert of Sin, murmurs against the Ethiopian woman that Moses had taken as his wife, the golden calf of Aaron and all that is not written. And on the other side, those who were born in the desert, at the time when almost all the preachings were gathered in the book of Moses. They appear in the desert like the workmen of the eleventh hour. It is on the basis of the vision of the burning thorn-bush or April 24, 1993 that the first ones must believe and behave in a perfect faith without ever falling while the second ones must have the same faith and the same behaviour on the basis of the vision, of all that is written and of all the experiences that the first ones lived through! And it is written that the workmen who started at six hours and those who started at eleven hours to all finish at midday receive the same wages! You see? When, in ten years, somebody tells you: *"O! I believe entirely! While reading, I said "Amen" to each preaching! How could the brethren murmur against the Ethiopian woman?"* Do not say in yourselves: *"that's because you were not there!"* Because, like the thief on the cross, that is all God requires from him! [Ed: *the congregation says: "Amen!"*].

It is impossible for Salvation not to go on this way. That is the A level test without having been in upper sixth form. And it is said in Matth.13 that they are the angels that will make this separation and only those who were ordained to eternal Life before the founding of the world will be able to believe! To him that sits upon the throne, and to the Lamb, blessing, and honour, and glory, and might, to the ages of ages! [Ed: *The congregation says: "Amen!"*].
