

# PREACHING No.9: THE MINISTRY OF THE WOMAN

(Preached on Sunday May 03, 2003 morning in Locodjro, Abidjan - Ivory Coast / [www.matth25v6.org](http://www.matth25v6.org))

... First we notice that God created man on the sixth day and lastly and there was no woman. Then he rested on the seventh day in what you must see years and years. Then finding that the man was alone, God decided to make him a helpmate. Otherwise, in the original plan God had not found it necessary. That's why, the proper reading of Genesis 2:18 is: "*And Jehovah Elohim said, It is not [too] good that Man should be alone; I will make him a helpmate, his like.*"

So woman was not in the original creation but she is a by-product of man. Bitches, hens and others are original creatures but it is not so with woman. That's why within each animal species, the mating takes place per period which is not the case with humans. And you will not see a dog mounting on a pregnant female. You see? This is not the case with humans. Even an old woman who has already gone through menopause has sexual relation. You see? I can therefore say with respect that woman is the lowest in the creation. And ... It's therefore God Himself who has sovereignly placed her under the authority of man. Thus, when she is not under the authority of her father, she is placed under the authority of her husband. Her father or her husband has the right to annul her vows. See Numbers 30 ... You see! Jesus Christ did not come to abolish these things. We therefore understand in accordance with Genesis chapter 2 that woman was not there when God was giving instructions to Adam in the garden. There is a reason to that! She was not there when Adam was naming animals, birds and others! You see? God did all that so that woman, humbly acknowledge her place.

Speaking of her ministry, if a man has not come on earth to fulfill a mission like Judas, he cannot admit a woman in the pulpit and if you're not a goat, born to be seduced, you cannot sit to hear a woman preaching or conducting songs when men are there! Even if she does it well, it's the devil that is behind. Nature itself teaches us that a woman is not carrier of man's seed of copulation. And that only one boy among a thousand of women makes the "*they*" [Ed: feminine, in French "*elles*"] change in "*they*" [Ed: masculine, in French "*ils*"]. A child of God cannot go against what God has established even without the Spirit he will be disturbed! The Bible cannot contradict itself. If Jesus established a woman apostle or disciple then he was not the Messiah. If Paul allowed woman to preach then he was false no matter what he could work as miracles, this would be miracles of seduction. Throughout all the Old Testament, there was no woman priest. Even in the world, there was no woman minister, it is emancipation that placed woman there! The feminine of "*minister*" did not exist. And we know that women came on the scene of nations through emancipation. We have seen women fighting for voting rights in Europe and America but in the Old Testament, in Israel, they did not take a census of women. And in Africa, a woman cannot be a village chief. Even when in villages men gather, women are not allowed to speak. What God gave to Jews in writing, He also gave it to pagans in their heart! Is it you who taught them the dowry in marriage? The first-fruits? To give the name of the father to the first son? And in case of serious sins or of alliances, to make blood sacrifices? That is how God also revealed the position of woman to them. Even without teaching, they know that the original sin is a sexual act.

And I do not understand that people who have the Bible in hand can act this way, placing women in the pulpit to preach or conduct the praises while men are there. And even, it happens that some women are in bad period, in menstruation and put nappies below to come to the pulpit. You have nothing in the conscience! You are worse than catholics and muslims and you are trying to evangelise them. If you do not pursue another purpose, you will not go and sit in such a church. Whether preaching or songs, it's the same thing. Being guilty partly is to be guilty in the whole. And they claim to have the Holy Spirit who does not tell them anything and yet the Bible says that when He has come, He will guide you into all the Truth! If in the Old Testament, in the dispensation of Father, God did not consecrate a woman priest and if in the form of Son, He did not consecrate a woman minister, I do not see why He will do it under the form of the Holy Spirit as if it is not the same Person. Any spirit that will accept or consecrate a woman to these positions is not the Spirit of God! And whoever defends it has a demon and has never known either the Word or the Spirit.

Woman can do everything individually or collectively, but these tasks of authority are strictly reserved to men as soon as they are present. What is happening in churches is exactly the image of the emancipation of women in homes, in public services and in politics contrarily to the divine order. While there are fathers of families who are unemployed, there are women who leave their homes and the education of their children in the hands of television and a housemaid. The baby will not have either the maternal warmth or the maternal breast milk or the maternal education. What will such a child become?

The greatest misfortune of humanity was the emancipation of Eve and today it's again the emancipation of woman and that has now been transported in the church. After Salvation, woman was the greatest blessing that God gave to man, but he preferred to worship her and give her his stead so that she may dominate on him! Exactly just as money that was to serve him became his god. An advertisement or a newspaper exposing a naked woman has always deserved more regards. On all the levels, Satan has always pushed woman to covet what God has not given her as if, giving birth, testifying as the Samaritan woman, sweeping the temple, wiping pews, fasting and praying for the work like Hannah, prophesying or speaking in other tongues according to Joel 2:28, is not the work of God. Even Phoebe in Rom.16:1-2 has been recognized as a servant of God for having assisted and hosted the saints. All the warnings of Paul in 1Cor.14:34-38 and 1 Tim.2:11-15 fell in deaf ears, the sons of the devil have interpreted them in their way to achieve their goals. [... You see? And in this ministry like in that of Jesus or in any authentic ministry, have we not seen some servants of God? Did not the sisters Prisca and Cecile assist me? And when we had to club together to produce the first edition of this book is not a sister who had given the most important contribution? And for the second edition, did not a sister put in my hands the amount required for all the edition? You see? Because they have good intentions and want to do something, God Himself gives them to do it. You see? Does not the Bible speak of Hannah, Phoebe, Tabitha, Susanna and others ...]. Does your Bible says in Prov.31 that the woman of worth is priest? One day you will answer for all this before God!

1Tim.2:15 says that the woman will be saved by getting married, giving birth and giving a good education to her children. Every woman will answer at the judgment for the behaviour of her children. God calls her to educate her children. And instead of thinking about these things, she covets the pulpit. Brother, it's witchcraft. And Osborn says that women can even baptise ... Such men, if they do not repent, will not regret to end up in hell. And when they read Ps.68:11, they leave verse 12 so that the souls they want to slaughter may not know that it's about good news of war. Read 1Sam.18:6-7: they came out of all the cities ... You say: "*Brother Phillip, with us, they are only singers!*" Brother, it's the same thing! Show me a single passage of the Bible where a woman was established singer! Read Chronicles, Ezra and Nehemiah and come back to God! Read 2 Chronicles 35 and you will see that the singers were Levites, the sons of Asaph according to the commandment of David and Asaph, and the prophets...

And how can a woman lay hands upon someone? Perhaps she has her menses, and if it's the case, even an angel cannot deliver you. Especially since that can happen even at the moment. The Jews rejected the Messiah but a Jew will never allow a woman to the altar! Recognize that you do not worship and you do not serve the God of Jews that Paul served. You sons and daughters of the devil, listen to what Paul said after the outpouring of the Holy Spirit: "*Let [your] women be silent in the assemblies, for it is not permitted to them to speak; but to be in subjection, as the law also says. But if they wish to learn anything, let them ask their own husbands at home; for it is a shame for a woman to speak in assembly ... If any one thinks himself to be a prophet or spiritual, let him recognise the things that I write to you, that it is [the] Lord's commandment.*" [1 Cor.14:34-38]. Paul says: "*As the law also says!*" He says: "*It is the Lord's commandment!*"...As the law also says! You see? For having simply accepted the five books of Moses, muslims ... there is no woman imam. And they are women who have no more menses that go to the mosque and you want to evangelise them? In order that your women in menses, having nappies beneath them lay hands upon them? Sons of Cain! Cursed you are! That is why God put in their heart to hate you, you sons of sin and perdition.

Read Act.2:16 and see if Joel 2:28 is not fulfilled there! ... What does mankind want to prove to God therefore? That woman he minimizes is capable of many things? That woman is as effective and intelligent as man? That a woman as priest, evangelist, apostle, pastor or singer could have achieved her mission as any man? Certainly! But we, children of God, we oppose to it not by contempt or that they are unable in the eyes of humans but because God did not give them to do it. Read 1Tim.2:11-12 after the outpouring of the Holy Spirit: "... *Let a woman learn in quietness in all subjection; but I do not suffer a woman to teach nor to exercise authority over man, but to be in quietness;*"

And God be blessed that since the Apostle Paul, St. Martin, Columba, Wesley, Luther, William Branham, all the authentic servants that God sent on earth did not put any woman in the pulpit. Check throughout history and come to tell me that only one man of God put a woman in the pulpit. Even before the century XVIII that did not exist in all the Christianity, even in catholicism! That was the work of emancipation and evangelical churches. And in this century XX, a devil in human form, whose name is TL Osborn went up to ask women to baptise ... Anyone who has seen this man, has seen Satan.

After these words, a child of God cannot but repent if he is not yet possessed by a demon. Because I see the whole world possessed by evil spirits requiring thus a greater power to deliver even the elect. The world has already received what we will receive on the day of the rapture, they have the soul clad with fallen angels. It's no longer them who live, who think or who reason but the demon exactly as madmen. They are now prisoners of a power which have mastered them. This is like a coat of cloud covering them. It is not question of trying to explain well but to liberate them. You cannot reason a madman! You see? They simply have the faith and the will of the demon. Each church has a demon which one can receive simply by believing the theology of that church or by letting oneself be laid hands upon by its dignitaries. That's why, I forbid you to read books indiscriminately, even if the content is true! The whole world is under the influence of divination, which makes them believe that they are in the Truth with prophecies and speech in other tongues, miracles, in order to accomplish what 2 Thess.2 says: ... according to the working of Satan in all power and signs and wonders of falsehood, and seduction ... to them that perish, because they have not received the love of the truth that they might be saved. And for this reason God sends to them a working of error, that they should believe what is false and that they should be condemned!

It is God Himself according to Matth.24:24 who "*aroused*" these wandering stars that are Kacou Severin, Morris Cerullo, Osborn, Cecil Robeck, Reinhard Bonnke, Benny Hinn and others to test the inhabitants of the earth! How can people, churches having different doctrines unite and it does not mean anything to you! Have you ever seen a flock in which there are sheep, oxen, goats, pigs ... and you call that love? When Osborn goes to a country, baptists, pentecostals, methodists, assemblies of gods ... rejoice!

Can a methodist pastor be pastor in foursquare or among adventists? Can a methodist have the holy communion among baptists? What therefore are you doing together? If you all have the Holy Spirit then why these contradictions? Matthew, Mark, Luke and John having the Holy Spirit wrote the four Gospels, did they contradict each other? In the beginning was the Word and God's children have been created by the Word that's why they will recognize themselves through this Message, the promise of God for their time. Even if it's forty people who have believed in the whole world it's what God has reserved! Just as catholics refused the reformation, it's in that way that the branhamists have refused the Midnight Cry to remain in the evening time and join the camp of harlots. And before the Angel and the Lamb descend in the vision of 1993, there was an eclipse, I clearly saw a black ball in the stead of the sun. And it's from heaven that they came and the earth was lit ... and I can precisely say that the evening times ended in 1993.

According to Rev.4:7 we are in the age of the fourth living creature, the eagle that must rise above any falseness, any theology, any spirit of seduction and the Bible says that the eagles in that time will gather around the fresh word. Wherever the pure Word is, there will be gathered the elect, the children of God according to Matth.24:28. Amen! Crows, carrion feeders, vultures, birds of prey ... do not fly high and so anything they find is convenient to them. What is of interest to them it's something which can satisfy them. Whether the baptism in the name of Jesus Christ or trinitarian, women preachers or singers, ... they are fighting over the decays of theology and what the eagles abandoned.

After April 24, 1993, in a vision, we were sitting in an examination room for the Advanced level test and the examiner was distributing the test-papers. I was saying in my heart: "But what am I doing here, I've not even been in a single form of the second cycle and what am I going to write?" [2<sup>nd</sup> cycle here: fifth, lower and upper sixth forms]. And later, It was said to me: "*The same way that Mary conceived miraculously, without knowing any man, the same way Moses received in details what happened at the creation, you have received the words of eternal Life on this April 24, 1993 and It is decreed by God. At the appointed time, you will understand and you will teach what you did not learn in order that whoever believes has eternal Life*". It is the "Thus saith the Lord" of the prophet. I have never participated in a seminary or bible training, I do not read the books of your christian bookstores, but I received the knowledge of the Scriptures ... The only problem is that I have not a good school level. And I believe myself that this work comes from God that is why we can see sitting here students, intellectuals, former preachers and pastors of churches ... and one day, if God keeps us from dragons you'll see all kinds of magistrates sitting here because there are also some elect among them ...

The Bible says in Rev.12:14 that the two wings of the great eagle will be given to small eagles to carry them away from the face of the serpent and we see the persecution that begins in the following verse [15]. At the same time, the devil reveals himself as the serpent in the same verse, the spirit of divination, and churches are full of it.

Whoever rejects the preaching of Matth.25:6 cannot but receive the spirit of divination as holy spirit! I've presented Jesus Christ to you again who you're crucifying. And everything you're doing means: "*Let his blood be on us and on our children*". There will be an attraction.

Well, the expression "*Go to meet him*" is not correct because the Cry and the Bridegroom are one. That is why the Cry said "*Behold*" not "*There!*" Up to this day, we no longer have Louis Segond, King James, Ostervald, Semeur, Colombe versions, ... they have been burnt. Remember that in the second vision, I was standing in the desert and the word were descending from heaven, on clouds from heaven which are angels, as in the days of Moses in the desert ... If you are a child of God or if you have the Holy Spirit, you cannot stay far from that because the Bible says that wherever the Word is, there will be gathered the eagles.

You brothers! From Africa, Europe, Asia or America, you were expecting the messenger of Matth.25:6 may be in your country, but God did it other way. Remember our Lord! Being the high priest Melchisedec, the rabbis and scribes saw that He should come out from the tribe of Levi. But He came from the tribe of Judah. Then, his Message and his work confirmed that it was Him.
